RE: COUNTY COURTS, Chapter 951, Laws of 1971 as Amended by
Extra sessions, Chapter 19

Dear Sir:

Pursant to Section 487.01, Sub. 9, Part I, you are advised that I consent to act as County Court Judge for Meeker County County Court. Said jurisdiction to be assumed by me on October 1, 1971. Meeker County County Court formerly was in a district comprised of Meeker, Sibley and McLeod Counties and by concurrent resolutions of all counties, was divided into single, separate County Courts.

This consent is sent to you just to cover any discrepancy that may be in the law as we have heretofore filed the concurrent resolutions showing the seperation of the counties.

Respectfully yours,

Judge of Probate-Juvenile
Court of Meeker County
