Dear Mr. Connor:

I am hereby designating the Department of Civil Service as the agency with primary program authority and responsibility in administration of the Intergovernmental Personnel Act in the State of Minnesota.

We recognize the need for cooperative effort among a number of state agencies and local governments and will launch a coordinated effort in this state to carry out the intent of the Act. In order that we may have a complete central library of IPA materials issued from your office, I shall appreciate your sending copies of all guidelines and directives to Mr. John W. Sincerely,
