Dear Sir:-

In March we sent you for filing in your office a certified copy of the new charter of the City of Ely. After sending it we learned that in cutting off a part of the first column which was no part of the charter, we cut out a part of the charter printed on the opposite side, so what we sent you at that time was not a complete copy. We therefore send you the inclosed certified copy to be filed in your office in place of the one we sent you at that time. please file the same and forward to us statement of your fees.

Very truly yours,
Baldwin, Baldwin & Dancer,
