Re: Italian Consulate Matters

Dear Mr. Erdahl:

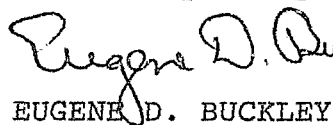

Please be advised that Mr. Michael J. Baglio, Former Vice Consul of Italy, passed away in September of this past year.

As yet the Italian Government has not seen fit to appoint another Honorary Vice Consul to serve this community, and seem to be relying upon the good will and services of this office to handle the Italian Consulate matters which arise from time to time.

Due to the exceptionally heavy work load, we are unable to continue to do this, and therefore, would appreciate your forwarding all future notices directly to the Consul General of Italy in Chicago.

Your cooperation in this matter is greatly appreciated.

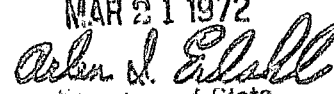

Yours very truly,

  
EUGENE D. BUCKLEY
