Dear Mr. Erdahl:

Re: Wilkin County
County Court

Under date of November 9, 1971, I filed in your office a Consent and Oath with reference to the three County District of Wilkin, Big Stone and Traverse.

I have just been informed over the telephone that Traverse and Big Stone counties have passed a resolution consistent with the resolution already passed by Wilkin County to affect the separation of the counties into two County Court Districts. If the telephone conversation is correct, Wilkin County will be a single County Court unit and Traverse and Big Stone counties will comprise one County Court District. They are sending me copies of their resolutions, but I have not yet received them.

I am not positive as to the interpretation of Chapter 951 as to the necessity of my now filing a separate Consent to Act as judge in the single County Court District of Wilkin. I am inclined to think that it is not necessary, but to eliminate the doubt I am enclosing my Consent and Oath with reference to being judge in the single County Court District of Wilkin.

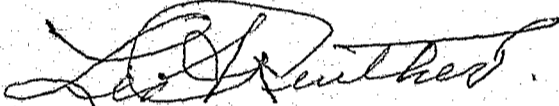

I am also enclosing a xerox copy of the Consent and Oath and I would be pleased if you will immediately attach your formal certificate to the effect that it is a copy of the original filed with you. I would like that so that I may file it with our County Auditor. I would appreciate it if you can send it by return mail.

Enclosed is my check in the amount of \$2.00 to cover the cost of the certified copy.

Very truly yours,

Leo A. Reuther
Judge

LAR/bam

P.S. I presume the telephone report that I received is correct, however, until I receive copies of the resolutions I do not intend this acceptance to act in the single County Court District of Wilkin to be a withdrawal of my previous Consent to Act in the three county district.
