Re: MMC Docket Number A-2409 Silver Lake  
Ruzicka Annexation

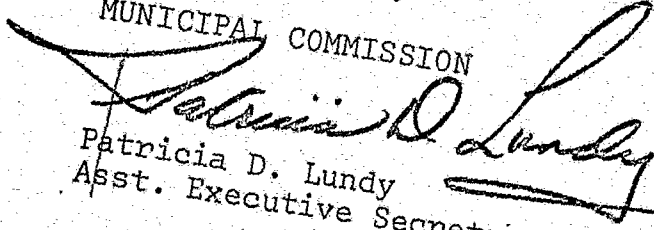

Dear Mr. Haas:

Pursuant to our telephone conversation, I forwarded the above file to the Attorney General Assistant for his review and comments. Enclosed is a copy of his Memorandum dated November 5, 1974 for your information.

Mr. Getz concludes that "the annexation was not final if copies were never filed with the town clerk or the Secretary of State. The parties may rescind or withdraw the petition and ordinance." No further action will therefore be taken by the Commission in this matter.

Sincerely yours,

MUNICIPAL COMMISSION

SUBJECT: [A-2049 Silver Lake, Minnesota] Ruzika Annexation

In 1973 the captioned proceeding was begun when a property owner outside the Village of Silver Lake filed a petition for annexation of its property with the village council pursuant to Minn. Stat. § 414.033 subd. 5 (1971). No objections were filed by the town board or the municipal council and the municipal council thereafter passed an ordinance annexing the territory affected. The council and the property owner now wish to rescind the petition and ordinance annexing the territory. According to the property owner's attorney, the ordinance was never filed with the Secretary of State or the Clerk. Minn. Stat. § 414.033 subd. 7 states that such an annexation is "final" upon filing a copy of the ordinance with the Commission, the town clerk, the county auditor, and the Secretary of State. I conclude that the annexation was not final if copies were never filed with the town clerk or the Secretary of State. The parties may rescind or withdraw the petition and ordinance. No action by the Municipal Commission is necessary in this regard.
