factory, insuring the highest grade of workmanship and general service.

We herewith submit sample of unfinished steel of 24 U. S. gauge, sample plates finished in various color combinations, and envelopes.

The mailing weight of the finished plate is arbitrarily fixed by the gauge you specify.

Plates are to be shaped, punched and embossed as specified, and finished in high grade enamels suitably baked.

We own and operate a plant suitable for producing these goods, with equipment and an organization capable of turning out at least 6000 pairs of plates per day.

Plant is located at 301 Chestnut St., St. Paul, Minn.

Attached please find certified check for \$1000.00.

Very truly yours,
