Minnesota Secretary of State

Dear Sir:

Our regular village election was held November 5 along with the State and County elections. At this election we also had a separate liquor ballot brought in by a petition asking that the voters decide whether or not to renew the license of our local privately owned liquor store. In a letter from the attorney who wrote up the petition for the interested parties he noted that the clerk was to notify your office of the outcome of the election. The vote was in favor of renewing the license which comes due January 10.

Yours truly,

Carol Wang
