Regional Office, Denver, Colorado

Regional Office, Salt Lake City, Utah

You will please acknowledge this letter and the enclosed map and make application for the survey of all of the public lands in those areas within the National Forest, including the area shown on the General Land Office of Washington, D.C., as being public land of the United States.

Such public lands are those lands which have been reported as such in the various reports of the various land surveyors in those areas within the National Forest, including the area shown on the General Land Office of Washington, D.C., as being public land of the United States.

You are hereby notified, to file in the office of the Commissioner of the General Land Office at Washington, D.C., any objection you may have to the proposed survey of said lands, within sixty (60) days after the date of this notice or you, in absence of the day of receipt.

Dated this 10th day of August, 1933.

Cyprian Flournoy
Director

This is to certify that the above mentioned survey of the public lands described in the above application, including the area shown on the General Land Office of Washington, D.C., as being public land of the United States, was completed on the 23rd day of September, 1933.
