Re: Ordinance Adopted 8-3-71 Manchester
1,862 Acres

Dear Ms. Whiteaker:

Enclosed are copies of our entire file covering the above-described annexation ordinance. You will note that we wrote you on November 2, 1972 and todate have not heard from you.

As stated in our letter of November 2, 1972, the above ordinance does not effectively annex any property to the City of Manchester until the file has been processed and approved by the Municipal Commission. The copies attached have been in the Secretary of State's Office pending approval by the Municipal Commission. I also want to point out that we have not received a copy of the petition referred to in Mr. Gillard's letter dated November 15, 1971.

The following requirements must be met before the Municipal Commission can accept the above-described annexation ordinance for filing:

1. Copy of petition
2. Petition must be accompanied by a certification showing that it was served upon the proper parties, township and county, and the date filed.

27616
27617

3. A map or plat showing the property in relationship to the municipality
4. Filing fee of \$1.00 per acre with a minimum of \$25 and a maximum of \$200.

Please do not hesitate to call me if I can be of assistance in this matter.

Sincerely yours,

Re: Ordinance Adopted 8-3-71

Dear Mr. Kvale:

The above ordinance was received in the Secretary of State's Office, however, the Municipal Commission has no record of receiving this ordinance or any information pertaining to it.

In accordance with the Minnesota Statutes 414.033 (Annexations by Ordinance) no annexations are valid or effective unless a variety of procedures are complied with including the filing of various documents with the Minnesota Municipal Commission. Please consult with the Village Attorney or call me about the procedures involved in your proposed annexation. (The League of Minnesota Municipalities also has a reference document explaining annexations which you may wish to write for.)

I emphasize that the above ordinance has not effectively annexed anything and that if there is anything I can do to be of assistance, please don't hesitate to call.
