P R O C L A M A T I O N

The affection for Mother is probably the deepest in the human heart. The memory of her sacrifices for us when we were young, we hold dearer than anything else in life.

We should think of Mother every day in the year. A beautiful custom, however, decrees that we shall set aside one day each year when we give special thought to her.

THEREFORE, I, J. A. O. Preus, Governor of Minnesota, do hereby designate Sunday, May 14, 1922, as Mother's Day.

Let me urge that it be observed in proper manner, not only at public gatherings on that day, but that each individual in some manner take cognizance of the day. If a person's mother has left this earth, let him by some token show his reverence of her memory. If she is living, let by a spoken word, a letter or some deed of kindness show his love and respect for her.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State to be affixed hereto, this 21st day of April, 1922.

  
Governor of Minnesota.
