To the HONORABLE LEWIS HOLL, SECRETARY OF STATE OF MINNESOTA,

And to the HONORABLE CHESTER J. NELSON, ATTORNEY GENERAL OF  
MINNESOTA,

ST. PAUL, MINNESOTA.

Gentlemen:

You are advised that application has been made by the undersigned to the Commissioner of the General Land Office for the survey of four (4) small unsurveyed islands, which appear never to have been surveyed by the United States Government, located in Sections Two (2), Three (3), Ten (10) and Eleven (11), in Township Sixty-four (64), in the State of Minnesota; a copy of such application being handed you herewith, including a map or plat showing the location of said small islands in red ink.

You are also advised that action upon such application will be requested from the Commissioner after thirty (30) days after the receipt of this communication by you.

Very truly yours,

E

4-022 A

City of Minneapolis,  
County of Hennepin,  
State of Minnesota.

To the COMMISSIONER OF THE GENERAL LAND OFFICE,  
Washington, D. C.

Sir:

The undersigned petitioner would respectfully represent that he is a citizen of Minneapolis, County of Hennepin, and State of Minnesota; and that there are four (4) islands in the Basswood Lake, one in Section Two (2), one in Section Three (3), one in Section Ten (10) and one in Section Eleven (11), Township Sixty-Four (64), Range Ten (10), State of Minnesota, per plat attached; that said islands have never been surveyed by the United States Government; that he is desirous that the same should be surveyed, in order that they may be disposed of according to the laws of Congress and the regulations of the General Land Office relative to the disposal of lands embraced in fragmentary surveys.

Stanton Coffin and Howard R. Colever, citizens of  
the City of Minneapolis, County of Hennepin, State of Minnesota,  
being duly sworn, upon their oaths say:

That they have personal knowledge of four (4) certain  
islands in Basswood Lake, one in each of Sections Two (2),  
Three (3), Ten (10), and Eleven (11), Township Sixty-four (64),  
Range Ten (10) West of the Fourth (4th) Principal Meridian,  
in the State of Minnesota, according to a plat of the same hereto  
attached, application for the survey of which has been made by  
George H. Colever, of the City of Minneapolis, County of Hennepin,  
State of Minnesota.

That said island in Section Number Two (2) contains  
about four (4) acres; that the width of the channel between the  
said island and the nearest main shore, to-wit: Lot Fourteen (14)  
in Section Three (3) is One Hundred Sixty-five (165) paces;  
that the distance from said island to the nearest southerly  
shore of mainland, being Lot Six (6) in Section Eleven (11) is  
approximately Four Thousand (4000) feet; that the depth of the  
water at ordinary stages is from twenty (20) to thirty (30)  
feet; that said island is about thirty (30) feet above high  
water mark, not subject to overflow, and the land fit for  
agricultural purposes; that the configuration of either shore  
of the mainland has not materially changed since the original  
survey of the water front on the mainland, and that there are no

improvements on said island.

That said island in Section Three (3) contains about three (3) acres; that the width of the channel between the island and the nearest main shore, the same being Lot Six (6) in Section Eleven (11), is approximately Three Thousand Three Hundred (3300) feet, and that the depth of the intervening water at ordinary stages of the water is about thirty (30) feet; that said island is about fifteen (15) feet above high water mark, not subject to overflow, and the island fit for agricultural purposes; that the configuration of either shore of the mainland has not materially changed since the original survey of the water front on the mainland, and that there are not improvements on said island.

That said island in Section Ten (10) contains about six (6) acres; that the width of the channel between said island and the nearest main shore is approximately Two Thousand Two Hundred (2200) feet, and the depth thereof at ordinary stages of water is about forty (40) feet; that said island is about twenty (20) feet above high water mark, not subject to overflow, and the land fit for agricultural purposes; that the configuration of either shore of the mainland has not materially changed since the original survey of the water front on the mainland, and that there are no improvements on said island.

That said island in Section Eleven (11) contains about ten (10) acres; that the width of the channel between the island<sup>and</sup> the nearest main shore, to-wit: Lot Five (5) of said Section Eleven (11) is about Five Hundred Feet (500), and the depth thereof at ordinary stages of the water is about twenty (20) feet; that said island is about thirty (30) feet above high water mark, not subject to overflow, and the land fit for agricultural purposes; that the configuration of either shore of the main-

land has not materially changed since the original survey of  
the water front on the mainland, and that there are no  
improvements on said island.
