Dear Governor Anderson:

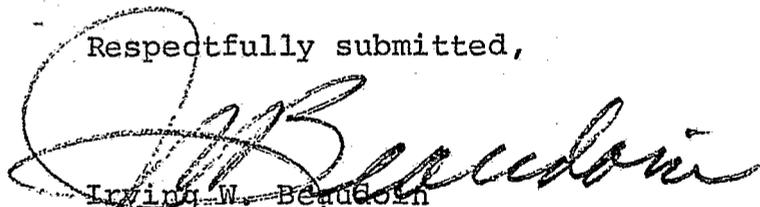

Pursuant to the provisions of M.S.A. 490.126, Subd. 2, and the further provisions of M.S.A. 490.124, Subd. 4, I herewith make application for Disability Retirement from my public office of County Judge, Dakota County, Minnesota.

Attached hereto for your information and consideration are the medical report from my physician, Dr. Wayne A. Tate, under date of November 28, 1975, and his Physician's Certificate under date of December 10, 1975, indicating that for the reasons set forth therein it is necessary that I retire as a result of my having developed a permanent physical disability.

After twenty-six (26) years of public service as a Municipal and County Court Judge, with my present term of office extending an additional three years, and my having over the years derived great personal and professional satisfaction in the performance of my judicial duties and in the apparent confidence of my colleagues on the Bench, the practicing attorneys and -- above all -- the public generally, I wish to note "for the record" that it is with considerable reluctance and misgivings that I accede to medical advice that I retire when I would will it otherwise.

Dated this 2nd day of February, 1976.

Respectfully submitted,

Irving W. Beaudoin
Senior County Court Judge
Dakota County, Minnesota

Dear Judge Beaudoin:

This letter is being written to confirm my assessment of the present state of your health. As I have told you previously, you have a chronic cardiac condition which tends to be progressive. Your most recent electrocardiogram shows continued progression of your cardiac disease.

Because of the probable deleterious effects of the stresses and strains of continued full-time employment on your condition, it is my medical recommendation that you make plans to arrange for a significant reduction in your professional responsibilities.

Yours truly,

Wayne E. Tate, M.D.
