

COUNTY COURT OF PIPESTONE & MURRAY COUNTY

JAMES H. MANION, JUDGE

JUL 7 1976

Mike

July 6, 1976

Honorable Wendell R. Anderson
Governor, State of Minnesota
State Capitol
St. Paul, Minnesota 55101

Dear Governor Anderson:

Having been advised by the Office of the State Retirement System that, because I had previously reached the age of 70 years, I am subject to compulsory retirement, I herewith make application for retirement as County Court Judge of the County Court District of Pipestone and Murray Counties, to become effective July 31, 1976.

The six year term for which I was elected expires 1976. John G. Holt, Slayton, Minnesota, former Probate Judge of Murray County has been a judicial officer of the County Court District referred to herein since it was created under Chapter 487, Minnesota Statutes. He has been a very capable Judicial Officer taking care of most of the judicial duties in Murray County, and I would like to recommend him for appointment as County Court Judge for the unexpired portion of my present term.

Sincerely yours,

James H. Manion
