ADDENDUM:

DO NOT USE THIS SPACE

The agency of origin has certified that the records described on this form have ceased to have sufficient value to warrant further retention.

The records for which disposal authority is requested do not have sufficient value for historical or other research, functional documentation, or the protection of individual rights or the rights of the government to warrant permanent retention by the State of Minnesota.

I recommend the approval of this request and the destruction of the records. Unless there are administrative reasons to the contrary, the records should be sold for salvage.
