AMENDMENT NO. 2

Amend Section 252 of the Charter of the City of Rochester, in the County of Olmsted, and State of Minnesota, so that the same shall read as follows:

Section 252. If any such sidewalk be so constructed, rebuilt or repaired by the City, and the charges, or any part thereof, remaining unpaid at the time for the levying of the assessments for such construction, rebuilding or repairing, the Common Council at a meeting thereof, on or before the 25th day of October following, shall assess the expense of the building, rebuilding or repairing of such sidewalk with interest on the cost thereof, at a rate of six (6) per cent per annum from the time of the completion of the work until the first day of June next thereafter, upon such lots or parcels of land, or parts thereof as chargeable, in such manner that each lot or tract, or part thereof, shall be charged with the whole expense and interest as aforesaid, of the cost of construction, rebuilding or repairing of said sidewalk adjacent thereto, provided, however, that the cost and expense of the construction, repairing or rebuilding of the said sidewalk may at any time after the completion of the said construction, repairing or

rebuilding, and before the above mentioned assessment date, be paid to the City Treasurer of said City, with interest at the above rate, from date of completion to date of payment; the City Treasurer being authorized to accept a partial payment on said cost at any time before the same is assessed by the Common Council. The Common Council shall cause a statement of such assessment to be returned to the Auditor of said County on or before November first next following the assessment. Such an assessment when so transmitted to the County Auditor shall constitute a lien on such lots or parcels of property and shall be collected and payment thereof enforced in like manner as county or state taxes are collected and payment thereof enforced.
