Re: DOE Grant Application

Dear Ms. Sanda:

Minnesota Statute Section 45.16, subdivision 2(a) (1978), provides that the Consumer Services Section is to act as the representative of the Governor in all matters affecting consumer affairs. Minnesota Statute Section 4.07, subdivision 2 (1978) authorizes the Governor to designate a state agency to apply for and receive federal funds.

Pursuant to the above-noted statutes, I hereby direct the Consumer Services Section of the Department of Commerce to take all steps necessary to obtain a federal Department of Energy grant to assist the Section in its representation of consumer interests in proceedings before a utility regulatory commission.

Sincerely,

ALBERT H. QUIE
Governor
