Gentlemen:

Attention Mr. Brown.

Enclosed please find a list of licensed electricians in the State of Minnesota. Please note that there are three classes, namely: master, journeyman, and special electricians. Numbering from 1 to 5 are the master electricians; following these, from 1 to 15, are the journeyman electricians; and from 1 to 2 are the special electricians.

We will follow this up from time to time giving you the additional licenses issued and the various classes, and hope that this will fill the bill for the time being.

Yours very truly,

STATE BOARD OF ELECTRICITY.
