This is a notice of intent to apply for a survey from the U.S. Department of the Interior, Bureau of Land Management. The request is for the survey of the peninsula now attached to Government Lot 2, Section 23, Township 120 N, Range 35 W, 5th P.M.

It is believed this was omitted from the original government survey and is contained to be U. S. Public lands and is subject to its survey and administration.

Any protests against the proposed survey should be filed with the following:
