-----	--

ORDER FOR ADJUSTMENT OF FEES

When services of the Department are requested, and it is necessary for Department employees to perform such services during hours when they are being paid overtime rates, the following overtime rate will be charged:

- 607 Sampling, Weighing, Inspection, or Laboratory Services - \$22.30 per man hour, plus fees. Minimum Time Charge - Saturday, Sunday, or Holiday - Four Hours.

When services are requested to verify the presence of fumigants in a specific lot of grain, there will be the appropriate time charge and mileage assessment in addition to the cost of materials used for testing each lot of grain.

All weighing and sampling fees include the services of one State sampler/weighing during regular hours. Overtime charges will be billed separately. Instances necessitating additional personnel will be billed at the appropriate hourly time rate.

VESSELS (Export Stowage Examination):

- 613 At anchor in stream--Launch to be furnished by ships' agents or party ordering examination 65.00
- 614 For every TANK re-examined 5.00
- 615 Minimum charge for any re-examination. 25.00

SECTION III

700 OTHER:

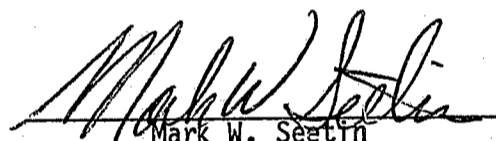

Whenever a service is requested and cannot be performed through no fault of the Department, the regular or overtime rate shall be applied. When services of the Department are requested or required, including check testing of mechanical samplers, or which require the Department employee to incur additional expenses such as mileage, meals, lodging, etc., such additional costs shall be charged also, in addition to all inspection fees and time charges set forth in Sections I and II.

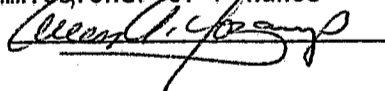

- 703 Meals - If an employee is required to work more than ten (10) and/or sixteen (16) consecutive hours on a continuous grain loading or unloading operation that remains in progress and such operation does not allow the employees to leave their assigned work station for a normal meal break, the Employer will furnish such employees with a catered meal after ten (10) consecutive work hours and a catered lunch after sixteen (16) consecutive work hours. The cost of such meals will be billed back to the loading or unloading facility. The foregoing provision shall apply only when the Department is required to work overtime.
