Attached are detailed explanations for additional adjustments to the P.L. 94-171 tape for reapportionment purposes.

The Owatonna C. (Steele Co.) change is official, submitted by the Census Bureau.

The Mounds View C. (Ramsey Co.) and Willmar C. (Kandiyohi Co.) changes are unofficial, necessitated by Census Bureau coding errors discovered at the Land Management Information Center (LMIC).

The data base for reapportionment reflects all three changes.

Please call me at 296-4886 if you have questions.
