MEMORANDUM OF AGREEMENT, made and entered into this 18th day of December, 1925, by and between The Reuben H. Donnelley Corporation, hereinafter referred to as the Company, and the State of Minnesota, hereinafter referred to as the State, witnesseth, that:

WHEREAS, pursuant to provisions of status applicable thereto, the Secretary of state has called for bids for the purchase from the State of copies of 1926 motor vehicle registration files and pursuant to such call the Company submitted the best bid, which bid has been accepted by the Secretary of State.

NOW, WHEREFORE, it is mutually agreed between the parties hereto as follows:

The State agrees to furnish and deliver to the Company by mail during 1926 one copy of all 1926 registration file cards as it comes from the "Ditto" machine in the regular course of the registration procedure in the Motor Vehicle Department. The State agrees to send out to the Company by mail at the close of each day's business copies of all registration file cards that were duplicated by the ditto machine that day.

For these copies and this service the company agrees to pay weekly at the rate of Four Dollars (\$4.00) per thousand names of motor vehicle owners thus furnished.

The Company further agrees that in addition it will pay all postage charges on such shipment of copies.

It is further agreed that if the Company shall fail to accept and pay for such copies of registration file cards furnished by the State as herein provided, the State may at the discretion of the Secretary of State, rescind and declare such contract null and void and the State shall be considered to be damaged by such failure on the part of the Company to fulfill this contract to the extent of the difference between the amount that the Company may by that time already have paid to the state, and the total that would be paid under the terms of the contract for the complete copy of all the 1926 registration file cards.

It is estimated that the total price of the copies of the 1926 registration file cards furnished by the State, under the terms of this contract will be approximately Two Thousand Dollars (\$2,000) and the Company will furnish a bond to the State in that amount, conditioned for the faithful fulfillment of the Company's part of the contract, such bond to be executed and delivered contemporaneously with the execution of this agreement.
