

STATE OF MINNESOTA
DEPARTMENT OF ADMINISTRATION
REORGANIZATION ORDER NO. 128

Pursuant to Minnesota Statutes 1982, Section 16.125, the following administrative reorganization is made with the prior approval of the Governor.

In order to improve efficiency and avoid duplication of effort, the responsibility for receiving certifications and making payments for fire department services performed on state highways pursuant to Minnesota Statutes 161.465 is transferred from the Department of Public Safety to the Department of Transportation.

No positions are transferred.

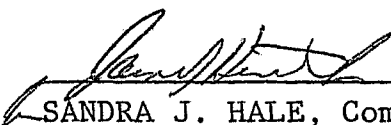

Since the statute requires reimbursement from the Trunk Highway Fund, the Department of Transportation has always made actual payment for claims and therefore no moneys are transferred.

The effective date of this order is September 1, 1983. The order is herewith filed with the Secretary of State and shall remain in effect until amended or superseded.
