Dear Mr. Traxler:

Governor Perpich has forwarded to me the photos  
of the morel mushrooms which you sent to him.

These are excellent photographs and we shall  
place them on file as the official state mushroom.

Thank you for taking the time to send them.

130 State Capitol Building  
St. Paul, MN. 55155

Dear Governor Perpich:

Congratulations on the enactment proclaiming the Morel mushroom as our State mushroom.

During the past couple of weeks I've heard mention of the search to find a suitable picture to represent this species as our mushroom. In looking over some of my slides, I have found a few which I've had printed and would like to submit to your office for possible consideration as the picture which you may be looking for. Being from the southeast section of the State, we represent some of the prime territory for Morel hunting.

If you find the prints suitable, (the sides have better color and clarity) please let me know and the slide(s) would be available for your obtaining the print which you might use.

Hope you will find one of them to your liking.

Sincerely,

*Roger Traxler*
