The purpose of the attached letter is to document the delegation of the State Planning Agency by the Governor to administer the Anti-Drug Abuse Act, specifically the Governor's Drug-Free Communities Program.

We have been advised by legal counsel to file a formal designation by the Governor with the Secretary of State pursuant to M.S. 4.07 Subdivision 2 as the definitive basis for our program administration.

The Criminal Justice Policy Task Force and the Governor have previously agreed on this matter, and the State Planning Agency has been operating as the administrator of these funds.
