

United States Department of State

Washington, D.C. 20520

The Honorable Rudy Perpich
Governor
State Capitol
St. Paul, Minnesota 55155

FEB 22 1988

Dear Governor Perpich:

The purpose of this letter is to enlist your assistance and that of your appropriate Minnesota authorities to ensure that the United States complies with its international treaty obligations concerning consular relations.

Specifically, the Department of State hereby requests the assistance of state and local authorities in order to provide timely notice to foreign consular officials when nationals of their country die or become incapacitated in your jurisdiction. Article 37 of the [1963] Vienna Convention on Consular Relations (21 UST 77) -- which is in force between the United States and more than a hundred other nations -- requires that our authorities promptly notify foreign consular officials when we learn that nationals of their country either have died here or require the appointment of a guardian or trustee as the result of physical or mental incapacity. Furthermore, some of our bilateral consular and other agreements require similar notification in cases of decedents' estates in which foreign nationals are heirs or may otherwise have an interest.

Since state and local health, judicial and law enforcement authorities are most apt to learn of such situations at the beginning stage, the Department of State would be grateful if you could remind such authorities of the notification requirement by providing them with copies of the attached Notice. I am also attaching a current list of telephone numbers for all foreign embassies and consulates, which you may also wish to circulate with the Notice.

If you or members of your staff have any questions concerning this request, please do not hesitate to contact me.

Thank you for your cooperation.

Sincerely,

T.A.D. Tharp
Deputy Assistant Secretary
Overseas Citizens Services
