

Proclamation

WHEREAS: Cardiovascular diseases and strokes are responsible for more deaths in Minnesota than any other cause, inflicting widespread suffering, and often creating serious economic hardship in our homes and businesses; and

WHEREAS: The American Heart Association, Minnesota Affiliate carries forward a relentless fight against these diseases through its programs of research, public and professional education and community programs, as made possible by private contributions; and

WHEREAS: In recognition of the necessity of constant vigilance against the ravages of cardiovascular disease and to encourage still greater efforts to combat its threat to all Minnesotans;

NOW, THEREFORE, I, Rudy Perpich, Governor of the State of Minnesota, do hereby proclaim the month of February 1989 to be

HEART MONTH

in Minnesota.

Further, I call upon citizens to support this important drive with their gifts and voluntary services.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed at the State Capitol this eighteenth day of January in the year of our Lord one thousand nine hundred and eighty-nine, and of the State the one hundred thirtieth.
