That she is a resident of St.Paul, Ramsey County,  
Minnesota, residing at 934 Grand Avenue, St.Paul, and Plaintiff  
in the action against the United States Steel Corporation.

That on or about the first of April 1929 she  
entered the plant, located at 2537 University Avenue, St.Paul,  
Minnesota, known as the United States Steel Products Company and  
the Illinois Steel Company, recognized and advertised as such.

That upon inquiry as to who was Superintendent of  
the Plant, Mr. Leonard El Douglas identified himself as Super-  
intendent for the United States Steel Products Company and the  
Illinois Steel Company.

Further, that Mr. Douglas before realizing to whom  
he was speaking, informed the affiant that due to the fact that  
Steel  
the United States Products Company is the United States Steel  
Corporation, he is Superintendent for the United States Steel  
Corporation also, and that exports of steel were being made and  
business transacted under the name of the United States Steel  
Products Company from the above address, and after due investiga-  
tion and inquiry the affiant finds no articles filed with Secretary  
of State as required by the Laws of the State of Minnesota

Subscribed and sworn to before  
me this 7th day of June, 1929
