

Stackensack Minn Apr. 11 - 1932

Secretary of State Mike Holm - State of Minnesota

St Paul Minn.

Dear Sir:

Instructions from the U S land office Washington D C advise me to notify you of my intention to apply for a survey of a point of land extending from Section 19 - Town 140 - Range 30 into Birch Lake and Section 24 - Town 140 - Range 31 in Cass County. The range line between ranges 30 - 31 crossing this point places from three to five acres in section 24 - Town 140 - Range 31 but the records and plats do not show it.

A. U S Meander corner. the elevation above lake level the size of timber growing on it show that it was accidentally omitted from the records and is still public land of the U S and subject to survey and disposition as such.

If there is any other information you desire let me know and I will get it if possible

Yours Very Truly

R J Linnick
