Secretary of State of Minnesota,  
St. Paul,  
Minn.

Dear Sir:

I have made application with the Department of the Interior, General Land Office, Washington, for a survey of an island called "Rose Island." It is sometimes called "Bridges Island."

This island is situated on Lake of the Woods, near the United States and Canadian boundary, and the Department of the Interior advises me that the application for survey must be made through the Attorney General and the Secretary of State of Minnesota. Will you, therefore, kindly bring about such a survey at the earliest possible time?

The application for such survey should be made to the Acting Assistant Commissioner, General Land Office, Department of the Interior, Washington, D. C.

Very truly yours,

*Oscar Johnson*
