This is to certify that, pursuant to the provisions of Section 2354, Revenue Minnesota Statutes for 1927, being Chapter 417, Laws of 1931, a special census of the inhabitants of the Village of Mountain Iron, Minnesota, was taken under my immediate supervision, and that according to said census, the population of said Village on October 30, 1933 was fourteen hundred and sixty-eight (1468).

IN WITNESS WHEREOF, I have

the Great Seal of the State

IN RE: CENSUS OF THE VILLAGE OF  
MOUNTAIN IRON, ST. LOUIS COUNTY, MINNESOTA  
TAKEN UNDER CHAPTER 417, Laws of Minn. for 1921.

STATE OF MINNESOTA SS.  
COUNTY OF ST. LOUIS

I, D.A. Mitchell, first being duly sworn, deposes  
and say,

On 1933 this deponent was duly appointed by  
Mike Holm, Secretary of State of the State of Minnesota, pursuant  
to Chapter 417, Laws of 1921 as supervisor of census, and  
Sever Severson, E.P. Eilertson, Leo Kangas, Jack Anderson

Adolph Comparoni and John Fiola,  
and, all of St. Louis  
County, Minnesota, were duly appointed by said Secretary of State,  
pursuant to said act, as enumerators of the census, and this  
deponent and the six above mentioned enumerators were directed  
by the Secretary of State aforesaid to take a census of the resi-  
dents of the Village of Mt. Iron, St. Louis County, Minnesota.

That thereafter this deponent and said enumerators agreed in  
writing and under oath to perform their duties in connection with  
said census faithfully and impartially and under the direction of  
said secretary of state as more fully appears from the affidavits  
hereto attached and made a part thereof.

That between the dates of October 23rd and 30th, inclusive,  
1933, all of the inhabitants of said village were personally inter-  
viewed by one of the six enumerators above mentioned,  
working under deponent's supervision: that a separate card was  
prepared for each of the residents of said Village, containing the  
name of such resident, and also containing other data, required  
by the Secretary of State; that these cards were prepared by said  
enumerators under the direction of this deponent and said cards  
have been duly filed with said Secretary of State; that the facts  
stated on said cards are true and reference is hereby made thereto  
for that purpose.

That as a result of said census, it appears that there were  
on October 30th 1933 FOURTEEN HUNDRED AND SIXTY EIGHT  
(1468) residents in said Village.

That after the enumeration of the inhabitants of said Village  
each of the six above mentioned enumerators and this deponent  
executed an affidavit to the effect that the facts stated in said  
cards were true. Said affidavits are hereto attached and made a  
part thereof.

Further, affiant sayeth not, save that this affidavit is made  
for the Secretary of State of the State of Minnesota to be filed in  
his office as a report of the results of the census of the inhabitants  
of the Village of Mountain Iron, made by this deponent under his  
direction.

Our public schools are no longer an experiment in democracy. They have become the open door to equality of opportunity; the birthright of every American child; and the ideal of a free government. Through the public schools our people prepare their children for the fullest measure of service and useful living. Through education our people determine the character of the community and the state.

The public schools of Minnesota now enroll nearly one-fourth of our population. And the responsibilities of the schools are constantly increasing. The objectives of education are expanding to meet the demands of a changing society, thus throwing an increasing load on the schools.

Our schools need, especially during this critical period, the intelligent and sympathetic understanding, appreciation, and support of our citizens in order that the benefits of free and universal education may be preserved. To this end American Education Week has been established and promoted jointly by the National Education Association, the American Legion, and the United States Office of Education.

NOW, THEREFORE, I, Floyd B. Olson, Governor of the State of Minnesota, do hereby proclaim and designate the week from November 6th to November 12th as

AMERICAN EDUCATION WEEK

and respectfully request that it be fittingly observed by the public schools and the citizens of this State.
