Dear Mr. Middlebrook:

From time to time during each legislative session for a period of years back, question has arisen as to which structure on the main campus is officially designated as the MAIN BUILDING. Particularly has this been true this session in reference to the so-called "Patrol Limits" situation.

Inasmuch as the old original MAIN is gone, it is my thought that it might be well for the Board of Regents to take this matter under advisement and in their wisdom officially to designate by proper action the MAIN building.

This is a mere suggestion for convenience in the future.

Very truly yours,

Burt L. Kingsley
