1 To Messrs. A. Johnson, county auditor, Wilkin county Minnesota and  
2 Hon. Eric Holm, secretary State, State of Minnesota:-

3 Honorable Sir:-

4 I am pleased to certify  
5 that on the 24th February 1936, a petition and notice, signed by sixty voters of the Town  
6 ship of Wolverton, Minnesota, residing in said township, more than fifty of which voters  
7 resided outside of the village of Wolverton, in said town, the remaining residing in said  
8 village, stating that the question of the separation of such town for all purposes from  
9 the village of Wolverton, in said town, would be voted upon at the next annual election  
10 and town meeting in said town was filed with the town clerk of said town, Raymond Paulson.

11 Thereupon I caused to be posted at the regular places in said town designated by  
12 the voters of said town at the 1935 town meeting, as the best public places in said  
13 town suitable for the posting of town notices and erected and maintained by said town  
14 as such posting places, a notice of annual town meeting, of such town to be held on  
15 Tuesday the 19th March 1936 at nine o'clock A.M. for the transaction of such business  
16 as might regularly come before it; that a supervisor would be elected to fill the place  
17 of the existing and actual supervisor whose term expired that day, a town clerk, treasurer,  
18 assessor justice of the Peace and constable and that said notice also contained a notice  
19 as follows, "Notice is hereby given that the following notice signed by more than fifty  
20 voters of said town ~~Wolverton, Wilkin county, Minnesota~~ ship, to wit, "Notice that the  
21 question that the separation of the town of Wolverton, Wilkin county, Minnesota for all  
22 purposes from the village of Wolverton in said county, will be voted upon at the next, 1936  
23 annual town meeting of said town of Wolverton, appointed to be held at the school house  
24 in the village of Wolverton, Minnesota on Tuesday the 19th day of March 1936 at nine  
25 o'clock A.M., will be voted upon at said meeting.

26 I thereupon caused to be prepared blank ballots for the electors who desired to vote  
27 upon the question of such separation, as follows: "Shall Wolverton Township separate for  
28 all purposes from the village of Wolverton Yes  
29 Please place cross opposite your ballot No

30 That at said town meeting fifty eight votes were cast of which fifty three  
31 ballots were cast "yes", four "No" and one was spoiled.

32 Thereupon at the close of said canvass the supervisor of said town and  
33 moderator at said meeting announced the result of said canvass to the voters and  
34 and said town was duly declared separated from said village of Wolverton by the vote of  
35 the electors of said town, at said annual town meeting.

1           That the question and proposition of separating from said village of  
2           Belvidere, were deposited in a separate box and a separate poll list kept of the  
3           electors voting thereon and that ballots were duly counted, canvassed and the  
4           result ascertained, declared and certified, in like manner as in the case of ballots  
5           cast for officers of said town.

6           This report is made supplemental to and as a part of the report of said  
7           election heretofore certified to the county auditor of Wilkin county, Minnesota  
8           17th March 1936 and the reason a further and full report of said town meeting election  
9           was not made at said time was that the undersigned and said auditor were unable to  
10          procure blank reports in that behalf.

11          In witness whereof I have here unto affixed my hand the 1st April 1936
