P R O C L A M A T I O N

The month of September is designated as Labor's Buy American Month to foster the purchase of American-made goods to the end that work may be increased for American citizens.

The purchase of American-made goods will create job opportunities for American workers, and that is a purpose for which all good Americans should work. The American consumer benefits in direct ratio as the worker benefits through the use of American-manufactured goods and articles. Putting more people to work directly benefits the merchant as well as the workers, thereby benefiting all those with whom the merchants deal.

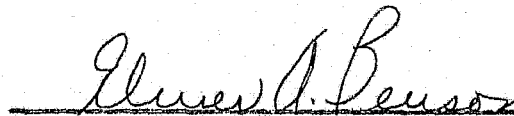

It is the patriotic thing to do -- buy American-made goods, and help your fellow-man, as well as yourself in so doing.

NOW, THEREFORE, I, Elmer A. Benson, Governor of the State of Minnesota, do hereby set aside and proclaim the month of September, 1938, as

LABOR'S BUY AMERICAN MONTH

in Minnesota and urge the people of Minnesota to cooperate in every way possible in helping the American working man.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed this 1st day of September, 1938.

Governor of Minnesota
