Said bonds shall be payable at such place or places as the council shall determine, and shall draw a rate of interest not exceeding six per cent per annum, payable semi-annually.

'The council shall annually cause to be levied a tax sufficient in amount to pay the portion of the principal of and the interest on said bonds as will mature during the next succeeding year.

'This amendment shall take effect and be in force immediately upon its ratification and approval, as provided by law.'

'PROPOSED CHARTER AMENDMENT NO. 1

and was contained on a ballot with proposed Charter Amendments Nos. 2 and 3 to the City Charter of the City of Duluth.

'2. That said Special Municipal Election was held on the same day and in connection with a General Election and that four ballots were presented to voters at such election, namely: a State ballot, a County ballot, a ballot containing amendments to the Constitution of the State

of Minnesota and the Special Municipal Election ballot containing three proposed amendments to the City Charter of the City of Duluth.

"3. That subsequent to said election, the Judges of the respective election districts within the said City of Duluth certified that forty-three thousand nine hundred twenty-eight (43,928) legal ballots were cast at said Special Municipal Election and that said proposed Charter Amendment No. 1 received twenty-four thousand three hundred sixty-seven (24,367) votes for its ratification and approval and twelve thousand nine hundred nine (12,909) votes for its rejection, and that on November 14, 1938, the City Council of the City of Duluth acting as a Canvassing Board found, determined and declared that said proposed Charter Amendment No. 1 had been rejected in that more than three-fifths (3/5) of those lawfully voting at such election failed to ratify said amendment as proposed.

"4. That Walter J. Chantigney, the contestant herein, at all times mentioned was and still is a resident of the said City of Duluth, County of St. Louis and State of Minnesota, and was on November 8, 1938, and still is a voter duly and legally qualified to vote. "3. That said inspection revealed that forty-three thousand seven hundred ninety-six (43,796) ballots were cast at said Special Municipal Election; that there were three thousand two hundred fourteen (3,214) ballots containing the several Charter Amendments bearing no marks whatsoever as an indication or an attempted indication by the voter of his intention, said ballots being wholly blank or unmarked; that one hundred ninety-eight (198) ballots containing the several Charter Amendments were so marked by the voters that they were wholly unintelligible as to the intention of said voter; and that upon three ballots the intention of the voter was questionable, and there were fifteen ballots which did not contain the election judges initials.

"6. That there were forty thousand three hundred eighty-four (40,384) legal votes cast on the several proposed Charter Amendments at such Special Municipal Election.

"7. That twenty-four thousand three hundred thirty (24,330) legal votes were cast in favor of the ratification and approval of said proposed Charter Amendment No. 1, and twelve thousand eight hundred ninety-five (12,895) legal votes cast for the rejection thereof.
