Hon. J. A. A. Burnquist  
Attorney General  
102 State Capitol  
St. Paul, Minnesota

My dear General:

Will you please accept my resignation as Special Assistant Attorney General effective of this date. I have an opportunity to appear in some unemployment compensation matters which might involve an adverse interest and I feel it only proper that I should resign since the highway matters have been cleared up.

Assuring you of my appreciation of the opportunity of having been associated with you and with your office, I am

Very sincerely yours
