Sister Kenny Foundation Proclamation

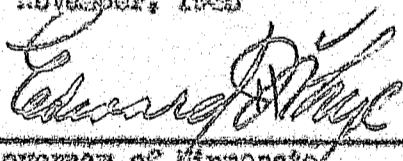

Public generosity, - responsive to the needs of the children of America, and fired by admiration for what is being done to restore victims of infantile paralysis to happy, useful lives, - has made possible the widening sphere of service of the Sister Elizabeth Kenny Foundation.

Beginning appropriately on Thanksgiving Day, and continuing through December 8, the second annual appeal for the support of the Foundation will be conducted. It is a time set aside to give all our citizens an opportunity to help secure the development of this great ministry of healing.

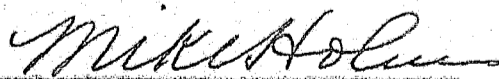

Purposes of the campaign are two-fold: First, to enlarge facilities so that several times as many patients as are now served may have the care which will save them from the crippling deformities of infantile paralysis; and second, to implement an educational program so that eventually trained Kenny technicians will be available to any hospital or community wishing them.

Minnesotans know how effectively this humane work has been carried forward. I am confident that during the annual fund appeal they will give it enthusiastic approval and generous support.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Minnesota to be affixed at the State Capitol in St. Paul this 20th day of November, 1945

  
Governor of Minnesota

Attest:

  
Secretary of State
