The Office of Administrative Hearings is committed to the State's affirmative action efforts and implementation of this affirmative action plan. It is the policy of this Office to work affirmatively to ensure that all persons, regardless of race, color, creed, religion, national origin, sex, sexual orientation, marital status, age, disabled status or reliance on public assistance, or membership or activity in a local commission will be treated fairly and equally in employment or program participation. The Office is committed to acting affirmatively in the recruitment, hiring, and retention of women, minorities and persons with disabilities.

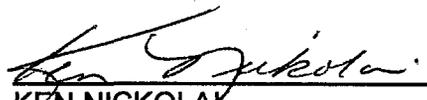

It is this Office's policy and responsibility to aggressively and effectively take affirmative action to ensure fair and equal treatment for all minorities, women, and persons with disabilities; to work to eradicate the effects of prior discrimination; and to eliminate present barriers. By meeting our goals we will create a workforce that truly represents our community.

This policy will apply to all conditions of employment, including recruitment, selection, hiring, retention, benefits, compensation, equality of wages, employee development programs, promotion, transfer, layoff and return from layoff, termination, and disciplinary actions.

I have designated Sandra Haven as this Office's Affirmative Action Officer to ensure implementation of the Plan.

It is the intention of this Office to meet the needs of disabled employees and clientele through compliance with the Americans With Disabilities Act.

Areas not specifically mentioned in this statement will be governed by the spirit of this statement.

2002 - 2004 AFFIRMATIVE ACTION PLAN GOALS & ANALYSIS

This plan is written to specifically address the job categories within the Office of Administrative Hearings that have a disparity in the identified protected groups. Protected groups include minorities, women and persons with disabilities.

A disparity exists when the percentage of protected group persons within a job group is less than the percentage determined for our Office. The percentages are based upon statistics from the U.S. Census/Affirmative Action Statistics. The job groups for OAH employees are Officials and Administrators; Professionals; and Office/Clerical.

Women

EEO Job Group	Total Number in Group	Total Number of Women in Group	% in Group	Availability %	Availability Number	Number Underutilized
Officials and Administrators	3	1	33%	41.2%	1	0
Professionals	44	23	52%	53.73%	24	1
Office/Clerical	43	37	86%	78.77	34	0

Minorities

EEO Job Group	Total Number in Group	Total Number of Minorities in Group	% in Group	Availability %	Availability Number	Number Underutilized
Officials and Administrators	3	0	0	3.25	1	1
Professionals	44	2	5	4.20%	2	0
Office/Clerical	43	8	19%	4.30%	2	0

People with a Disability

EEO Job Group	Total Number in Group	Total Number of Disabled in Group	% in Group	Availability %	Availability Number	Number Underutilized
Officials and Administrators	3	0	0%	11.31%	.3	0
Professionals	44	2	5%	10.88%	5	3
Office/Clerical	43	4	9%	11.56%	5	1

Analysis and Timetable

The analysis shows that OAH is underutilized as follows: Women: underutilized by 1 in the Professional job group; Minorities: underutilized by 1 in the Officials and Administrators job group; Disabilities: underutilized by 3 in the Professional job group and by 1 in the Office/Clerical job group. **Should vacancies occur in any job group, our goal will be to correct in 2004 any disparities that exist and to increase the diversity of the office as a whole. However, based upon the low employee turnover at OAH and the hiring restrictions currently in place, it is not realistic to believe that we will achieve this goal. We will make out best effort.**

New or continuing action objectives shall be established for the remainder of the fiscal year.
4. On a quarterly basis, the Affirmative Action Officer will consult with the Administrative Officer to provide updated information on affirmative action goals.
5. The information gathered from the above analysis will be shared with supervisors and managers on a semi-annual basis..

2. If a disparity exists, the Affirmative Action Officer will work closely with the Personnel Director, manager and/or supervisor, monitoring and collecting data for each step of the hiring and/or promotional process which includes:
 - a. A position analysis will be completed for the vacant job.
 - b. Job related criteria (knowledge, skills, and abilities—KSA's) needed to perform the job will be determined.
 - c. The position description will be revised as needed.
 - d. The Personnel Director determines whether any bargaining unit employees are eligible to bid on the position. If so, the job will be posted for the required length of time. If an employee bidding on the job is successful, the job will be filled in accordance with the union contract.
 - e. The Personnel Director ascertains whether there exists an appropriate certification list or if a job announcement is in order.
 - f. If a job announcement is in order, the Office, including the Affirmative Action Officer, will recruit affirmatively for the position.
 - g. If there exists an appropriate eligible list, telephone calls will be made and/or letters will be sent by Federal mail to all persons eligible for certification. Interviews will be scheduled for interested persons responding to telephone calls made and letters sent. The agency's ability to provide reasonable accommodation will be communicated to all applicants.
 - h. A list of job related questions will be devised by the supervisor, the Affirmative Action Officer, and the Personnel Director to make sure that the questions are uniform, appropriate and job related.

Copies of the written rejection will be reviewed by the Affirmative Action Officer and the Personnel Director and no selection will be made until such written reasons have been reviewed. Where the Affirmative Action Officer believes that the reasons for rejection are unjustified, and the matter is not satisfactorily resolved and, prior to any offer being made, these views will be transmitted to the Chief Administrative Law Judge who may take appropriate action including a recommendation that the preliminary rejection be reconsidered.
- m. All candidates will be notified of the hiring decision.
- n. Documentation (e.g. interview rosters, responses by interviewees, etc.), will be kept on the selection process for all appointments. Data on every appointment, where there is a disparity, will indicate the opportunity the Office had to hire affirmatively and whether there was a missed opportunity
- o. The Minnesota Data Government Practices Act defines which personnel data is classified as public; protected group status is not identified as public data. Therefore, information shall not be disclosed to any person who is not authorized to receive information regarding the protected group status of a selected applicant.

D. Layoff Procedures

If it is necessary to lay off employees, such decisions will be made in accordance with the agreement of the affected bargaining units and the applicable rules of DOER. The AAO will determine what effect the layoff will have on the affirmative action goals and timetables so that any disparities created can be addressed at the next opportunity. The Chief Administrative Law Judge, Personnel Director and affected supervisors and managers will be advised of the results.

RECRUITMENT PLAN

The purpose of a recruitment plan is to attract qualified applicants in order to obtain a balanced workforce and to meet affirmative action goals. Supervisors and managers are required to comply with part C. of the Audit and Evaluation section in order to meet this objective. Recruitment opportunities exist for the positions of administrative law judge, workers' compensation judge, and the internship positions. All other positions are filled by persons who transfer, are on state lay-off lists or are on the eligible lists received from DOER.

The following publications are considered when availability of a position is to be published.

Access Press
Finance & Commerce
Bench & Bar
Minnesota Women Lawyers0
State Register
Minnesota American Indian Bar Association
Minnesota Association of Black Lawyers
Minnesota Hispanic Bar Association
National Asian Pacific American Bar Association - Minnesota Chapter
District bar associations in specific areas

No positions were advertised in these publications during FY 02-03. The Affirmative Action Officer will develop a means of measuring the extent of our contact and response from these publications when the next vacancy is published.

OAH had six hires in FY 02 AND 03. Three of these positions were filled by transfer, layoff lists and a list of eligibles from DOER. Only one position presented an opportunity for recruitment. Because the position required a legal background, the position was listed at the three local law schools: William Mitchell College of Law, Hamline University School of Law, and the University of Minnesota Law School. Seventy-three resumes were received from these sources and no further advertising was pursued. One position was filled by a current State employee through the DOER web site. One position required an immediate hire in a specialized area of law in order to comply with statutory requirements for expedited proceedings; that position was filled without recruitment.

Of these six hires, four are women in the Professional job group, which currently has a disparity of one women. None of the hires were in the protected groups of Minority or Persons with a Disability.

Administrative law judges and workers' compensation judges require expertise and experience in specific areas of the law. In order to reach these individuals, the OAH will also:

- 1) Notify current Administrative Law Judges (ALJs) and Workers' Compensation Judges (WCJs) that a position will be available and ask for their active assistance in recruiting;
- 2) Identify attorneys who are leaders in the community and maintain a list of those willing to contact protected group members and encourage them to apply;
- 3) Post notices of openings at hearing sites and other appropriate areas, such as legal aid center and Pilot City;
- 4) Expand publication of notices to include minority community newspapers;
- 5) Expand recruitment of persons with disabilities by contacting organizations such as the State Council on Disabilities, Metropolitan Center for Independent Living, Rehabilitation Services at the Department of Economic Security, and Courage Center.

- 6) Investigate publishing general informational articles about the OAH for the purpose of making the public aware of the functions of the office.

In compliance with the Americans With Disabilities Act, all materials will also be available in alternative formats. We have not participated in job fairs. Should it become appropriate, the Office will investigate participation in job fairs in order to recruit applicants for position with this agency.

Supported Work: The Office will review vacant positions and assess the current workload and needs of the Office to determine if job tasks might be performed by a supported employment worker. If appropriate, a list of supported worker candidates will be requested from DOER. The Office will work with the State ADA/Disability Coordinator to recruit and hire individuals for supported employment if such a position is created. (Also see Goal V.)

INTERNSHIPS

Administrative Law Clinic , William Mitchell College of Law: Participants are law students who are enrolled in the Administrative Law Clinic at Mitchell. All students who are enrolled participate. There is no recruitment because everyone who enrolls in this particular clinic is a part of the internship program. Students receive 2 credits for each semester and may enroll for up to two semesters. The law student attends the hearing with the ALJ and then prepares a draft decision, which is evaluated by the ALJ and sent to the law school.

Law Clerks, Workers' Compensation Section: Participants serve as law clerks to the Workers' Compensation Judges. The field of applicants is narrow because the participants must be second or third year law students and have an interest in workers' compensation law. OAH works with the placement offices to encourage protected group applicants from the three local law schools: University of Minnesota, William Mitchell College of Law and Hamline University Law School. Notice of the positions are posted at the law schools and the Department of Employee Relations is notified when positions are available.

For budgetary reasons, the law clerks positions in the Workers' Compensation Section were eliminated by attrition. The program and recruitment procedures are in place should the need and funding for these positions be reinstated.

RETENTION

The Office will strive to create an environment which promotes the retention of a diverse workforce. Ken Nickolai, Chief Administrative Law Judge, has final responsibility for this objective. Those who assist are:

Bruce Johnson, Assistant Chief Administrative Law Judge
Susan Schleisman, Administrative Officer
Sandra Haven, Affirmative Action Officer
Rene Ellis, Accounting Officer, Senior
George Beck, Administrative Law Judge Supervisor, Administrative Law Section
Allan Klein, Administrative Law Judge Supervisor, Administrative Law Section
Beverly Jones Heydinger, Administrative Law Judge Supervisor
Cathrine Quintero, Office Services Supervisor 3, Workers' Compensation Section
LaVon Regan, Office Services Supervisor 2, Settlement Division
Janice Culnane, Compensation Judge Supervisor, Workers' Compensation Section
Rolf Hagen, Compensation Judge Supervisor, Workers' Compensation Section

Separation Analysis:

Eight employees left OAH in FY 02-03. Five were retirements, one is deceased, and one did not return from a disability leave. Two were women in the Professional job group. None were in the protected groups of Minority or Persons with a Disability. All three of the EEO Job Groups for this Office were affected by these separations.

Due to budget constraints and hiring restrictions, OAH does not anticipate new hires in FY 04. Should a vacancy occur, we will make our best effort to reduce disparities and diversify our workforce.

POLICY ON DISCRIMINATORY HARASSMENT

Harassment is a form of discrimination and is a violation of Section 703 of Title VII of the Civil Rights Act of 1964 as amended in 1972 and the Minnesota Human Rights Act, Minn. Stat. Ch. 363. It is a clear violation of equal employment opportunity and it is illegal. Harassment based on race, color, creed, national origin, sex, sexual orientation, religion, marital status, age, disability, status with regard to public assistance status, or membership or activity in a local human rights commission will not be tolerated by this Office.

Harassment is any behavior which is not welcome, which is personally offensive, which insults or demeans and which, therefore, may affect morale and interfere with the employee's ability to perform. Harassment may take the following forms:

1. Repeated disparaging, belittling, demeaning, insulting remarks.
2. Repeated jokes about an employee or a characteristic unique to the employee.
3. Sabotage of an employee's character, reputation, work efforts or property.

Sexual harassment has been specifically defined by the Equal Employment Opportunity Commission (EEOC) as follows:

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact or communication of a sexual nature when:

1. Submission to that conduct or communication is made a term or condition, either explicitly or implicitly, of obtaining employment;
2. Submission to or rejection of that conduct or communication by an individual is used as a factor in decisions affecting that individual's employment; or
3. That conduct or communication has the purpose or effect of substantially interfering with an individual's employment or creating an intimidating, hostile, or offensive employment environment; and the employer knows or should know of the existence of the harassment and fails to take timely and appropriate action.

Sexual harassment may include such actions as:

1. Sex-oriented verbal kidding or abuse;
2. Subtle or overt pressure for sexual activity;
3. Physical contacts such as patting, pinching, or constant brushing against another's body; and
4. Demands for sexual favors which affect an individual's employment status or consideration.

Racial and ethnic harassment might include such actions as:

1. Any behavior previously listed in this policy which is applied to one's race, color, heritage or national origin.
2. Telling jokes or making derogatory remarks about one's race or ethnic heritage.

3. Use of language implying inferiority of a race or ethnic heritage.

Religion, disability, sexual orientation and age harassment might include such actions as:

1. Any behavior previously listed in this policy which is applied to one's religion, disability, sexual orientation or age.

2. Use of demeaning, derogatory names or remarks about one's religion, disability, sexual orientation or age.

Employees who experience harassment from co-workers should follow the discrimination complaint procedure outlined in this plan.

The Chief Administrative Law Judge is responsible for the application of this policy within the Office and each supervisor within their division. This includes initiating and supporting programs and practices designed to develop understanding, acceptance, commitment, and compliance with the framework of this policy. All employees must be informed that discriminatory harassment is unacceptable behavior, and each supervisor will be responsible for orienting his/her staff to the Office's policy. The Affirmative Action Officer will be expected to keep the Office apprised of any changes in the law or its interpretation regarding this form of discrimination. More specifically, the Chief Administrative Law Judge will be responsible for:

1. Making certain that each individual in the Office who makes or recommends employment and other personnel decisions is fully aware of and complies with this policy;

2. Notifying all employees within the Office of this policy and orienting each new employee who is hired; and

3. Establishing a complaint procedure to investigate all complaints promptly and carefully, the provisions of which shall be disseminated to all employees.

DISCRIMINATION OR DISCRIMINATORY HARASSMENT COMPLAINT PROCEDURE

The following procedures will be used to resolve discrimination or harassment complaints if no specific procedures are provided in the bargaining agreements or compensation plans under which the complainant is represented. Sexual harassment is a form of discrimination and is therefore covered by this procedure.

Coverage and Exclusions

1. This complaint procedure may be used by an employee, applicant, or eligible whose dispute or disagreement is based upon the belief that s/he has been discriminated against in employment because of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, membership or activity in a local human rights commission, disability, sexual orientation, or age; or that s/he has been harassed by an employee because of the above factors.
2. This complaint procedure may also be used by any employee, applicant, or eligible who believes that s/he is a victim of retaliatory action by an employee of this Office as the result of filing a complaint, cooperating in an investigation or otherwise participating in any action under this procedure.
3. This complaint procedure may not be used for disputes which are covered exclusively by provisions of a collective bargaining agreement or the Managerial or Commissioner's Plans. Such disputes should be handled under the grievance or dispute resolution procedures contained in those collective bargaining agreements or plans.
4. This complaint procedures does not in any way limit an employee's or applicant's right to file a formal complaint with the Minnesota Department of Human Rights, the U. S. Equal Employment Opportunity Commission, or an appropriate court of law.

Complaint Procedure

STEP 1. A formal complaint must be submitted in writing to the Affirmative Action Officer using the Discrimination Complaint Form for those complaints (Appendix B). The formal complaint must be filed within six months of the date the discrimination or harassment occurred.

STEP 2. If in filing a complaint an employee states that s/he is unable to function in the worksite from which the complaint arose, the appointing authority, or his designee in his absence from the office, shall begin a preliminary investigation within two calendar days. If this preliminary investigation establishes that a reasonable basis for the employee's concern about continuing in the worksite exists, the appointing authority shall take intervening action to defuse the situation, which may include temporarily reassigning either party until such time as the complaint is fully investigated, there is a finding, and corrective action, if required, is implemented.

STEP 3. Within 7 calendar days, the Affirmative Action Officer will determine if the complaint is based on protected group status or not. S/he will notify the complainant of that decision in order that the complainant may use other remedies when appropriate.

STEP 4. If the complaint is determined to fall under this procedure, the Affirmative Action Officer will within 7 days schedule a meeting with the appropriate Section Head and any appropriate parties to discuss the complaint. After the meeting, the Section Head will, within 3 days, provide the complainant with a written decision in the matter or will request in writing that the Affirmative Action Officer or other appropriate investigative body (with a copy to the employee or applicant) conduct an investigation of the matter.

STEP 5. If the complaint is referred to the Affirmative Action Officer for investigation, the Affirmative Action Officer shall ensure an investigation is conducted in a timely manner. The investigation may include interviews with and/or statements from all parties involved including the complainant, respondent, complainant's supervisor, witnesses and co-workers as well as a review of all pertinent records or documents relating to the complaint. A report will be prepared and submitted to the responsible party in the office who is authorized to take action to resolve or correct the situation. The Affirmative Action Officer may also provide recommendations to the responsible party. Appropriate action will be taken in a timely manner and may include discipline up to and including discharge.

Disposition of Complaints: Time Limits

Time limits in the specified areas above may be waived or modified upon mutual agreement of the parties involved. The final written disposition of a formal complaint shall be provided within sixty days of receipt of the complaint. The final disposition of a complaint, if based on protected group status, shall be filed with the Commissioner of the Department of Employee Relations within thirty (30) days of final determination.

Appeal Procedure

1. If the disposition of the complaint by any responsible party, other than the Chief Administrative Law Judge, is not satisfactory to the complainant, it may be appealed in writing to the Chief ALJ within five (5) working days following notification of the disposition of the complaint.
2. The Chief ALJ shall review the appeal and discuss it with the employee as needed. If the complaint is resolved, that resolution will be put in writing and signed by the Chief ALJ and the complainant, including the complainant's representative, if any. If no settlement is reached, the Chief ALJ shall give a written decision to the employee within a reasonable period following the meeting. The decision by the Chief ALJ will be the Office's final decision.

Alternative Investigation:

As an alternative to Steps 3 – 5, and at his discretion, the Chief Administrative Law Judge may refer a complaint to the Department of Employee Relations, Labor Relations Division, for the purpose of conducting an investigation and making a recommendation.

REASONABLE ACCOMMODATION PROVISION

I. POLICY

The State of Minnesota and OAH are committed to hiring individuals with disabilities who can perform the essential job functions with or without reasonable accommodation. We will make reasonable accommodations to the physical or mental limitations of a qualified applicant or employee with a disability, unless the accommodation would impose an undue hardship on the Office. This policy applies to all current employees, employees seeking promotion, and job applicants.

Accommodations will be provided to qualified individuals, whether an employee or job applicant, when such accommodations are directly related to performing a job or competing for a job. Accommodations will not be provided for non-job-related personal needs, such as transportation to and from work. This Office will comply with Minn. Stat. § 15.441 (2002) that requires that a sign language interpreter be provided at hearings, when requested.

To make a reasonable accommodation request, employees should contact Susan Schleisman, Administrative Management Director ("AMD"); job applicants and participants in hearings conducted by this office can contact Michael Lewis at 612/341-7610, Catherine Quintero at 612/349-2669; or Sandra Haven at 612/341-7642.

II. DEFINITION

An individual with a disability is defined as (and as more fully defined in the Americans With Disabilities Act):

a person who has a physical or mental impairment that substantially or materially limits one or more major life activities;

III. REQUEST FOR REASONABLE ACCOMMODATIONS

The steps in requesting reasonable accommodations for current employees and employees seeking promotion (hereinafter "employee") are:

- A. The employee shall submit the Request for Reasonable Accommodation form to the AMD.
- B. When the documentation is received, and if it is determined to be an appropriate request under the ADA, steps D. through J. are followed.
- C. If it is determined to be necessary, the AMD may request documentation of the individual's functional limitations to support the request.
- D. The AMD, the employee, and if necessary the employee's supervisor, consult to determine the need for the accommodation and to discuss possible alternatives to the requested accommodation.
- E. Within seven working days of that meeting, the AMD must either approve or disapprove the requested accommodation.
- F. If the accommodation is approved and a significant cost is involved, the ADM will forward it along with her recommendation to the Assistant Chief ALJ, who must approve or disapprove the expenditure within three working days.

- G. The decision shall be provided in writing to the employee within three working days after the determination is made by the Assistant Chief ALJ.
- H.. If approved, the ADM will assist the supervisor in making the accommodation.
- I. The ADM submits appropriate documents to the purchasing agent if equipment, furniture or other assistive devices must be purchased.
- J. The Affirmative Action Officer will complete the Reasonable Accommodation Agreement form and maintain the form along with all other documents pertaining to the accommodation.

IV. METHODS OF PROVIDING REASONABLE ACCOMMODATION

The following are some methods of providing reasonable accommodations to individuals with disabilities. Other forms of reasonable accommodation may also be provided.

- A. Modification of equipment or assistive devices. The provisions of equipment may include special telephone equipment, "talking" calculators, one-handed typewriters, closed circuit televisions, specifically designed desk and files, TTY communications equipment and other types of equipment to facilitate the performance of Job duties. These items may include: off-the-shelf devices as well as highly specialized, customized and/or prescription items.
- B. Job site modification. The planning and provisions of accessibility to existing facilities may be required in order for disabled individuals to work in them. Modifications may include adjustments to equipment height including desks, chairs, etc., addition of electrical outlets, rearrangement of furniture and equipment, widening doorways, reallocation of the job site to an accessible area, provision of special parking facilities, modifications of ventilation, heating, cooling, and lighting systems, and other types of similar modifications. This Office will negotiate any changes with Lessor through the Real Estate Management Division, Department of Administration, to determine costs involved.
- C. Job restructuring. The restructuring of any job may include modifying work hours and/or changing job duties while retaining the basic job functions. Arrangements must be considered for full-time permanent and intermittent employment. Job sharing and flexible work hours may permit disabled employees to meet such needs as medical appointments and medical dietary requirements.
- D. Support services. Support services such as interpreters for individuals with hearing impairments or readers for blind, etc. must be provided when it is clearly demonstrated that these services are required for an employee's performance of the essential functions of the job. Support services may also be needed for job applicants during the interview process. The OAH may directly or on a contractual basis of any Office outside the department provide the training necessary to allow staff members to provide support services when such training and the provisions of such support services are administratively feasible.

V. FUNDING FOR REASONABLE ACCOMMODATION

Funding will be provided for reasonable accommodations. The Chief ALJ must approve the expenditure of funds when the amount is determined to be significant. When determining whether or not to make the accommodation without imposing undue hardship on the Office, the following factors must be considered:

the size of the Office's budget; the nature and cost of the accommodation; the ability to finance the accommodation in relationship to the site(s) where there may be a need; and documented good faith effort to explore a less restrictive or less expensive alternative.

Definition: An "undue hardship" is an action that is unduly costly, extensive, substantial, or disruptive, or that would fundamentally alter the nature or operation of the Office.

Procedure for Determining Undue Hardship:

1. The employee will meet with the ADA Coordinator to discuss the requested accommodation.
2. The ADA Coordinator will review undue hardship by considering:
 - a. The nature and cost of the accommodation in relation to the size, the financial resources, and the nature and structure of the operation; and
 - b. The impact of the accommodation on the nature or operation of the Office.
3. The ADA Coordinator will provide a decision to the employee.

VI. PURCHASE AND MAINTENANCE OF ACCOMMODATIONS

- A. The OAH is free to choose the specific accommodation provided to qualified employees or applicants with disabilities. The person requesting reasonable accommodations will suggest appropriate accommodations. The OAH may provide another accommodation equal or superior to the one proposed in practicality, usefulness, or cost effectiveness.
- B. All tangible accommodations purchased by the OAH will be the property of the State of Minnesota and shall be used only for job related functions. The maintenance of equipment will be the responsibility of the OAH and projected maintenance costs will be a factor in the initial decision to provide accommodations. Example: repair special office equipment, etc.

VII. APPEALS

An employee who is dissatisfied with the reasonable accommodation decision can appeal directly to the Chief ALJ within three working days of the decision. The Chief ALJ will review all pertinent material and steps leading to the decision.

The Chief ALJ will make a recommendation to the AMD and employee within three working days unless additional time is needed to obtain more information from outside sources. If the employee is still dissatisfied with the decision, she/he may file with federal, state, local and human rights agencies or other legal channels. Compliance agencies which are investigating complaints will be provided documentation relating to the denial of a request for reasonable accommodation. Information will be provided in compliance with the Minnesota Government Data Privacy Act.

If the individual believes a decision is based on discrimination, he/she may file a complaint internally through the Office's complaint procedure as outlined in this plan (page 22).

VIII. REQUEST FOR REASONABLE ACCOMMODATIONS FOR JOB APPLICANTS

- A. All initial communication with job applicants regarding job vacancies shall indicate the willingness of the Office to make reasonable accommodation to the known disability and shall invite the applicant to contact the Office for the needed accommodation.
- B. The individual contacted with the request shall contact the Affirmative Action Officer immediately. In order to ensure that the accommodation is provided at the interview, requests shall be handled in a timely manner.

- C. The Affirmative Action Officer shall contact the job applicant to discuss the needed accommodation and possible alternatives.
- D. If the accommodation is approved, the Affirmative Action Officer will take the necessary steps to see that the accommodation is provided.

IX. DENIAL OF ACCOMMODATION

If the requested accommodation made by a job applicant is denied, the Affirmative Action Officer shall notify the job applicant of the decision and advise them of the right to file a complaint with the Minnesota Department of Human Rights or the U.S. Equal Employment Opportunity Commission or other legal channels. In addition, applicants who are dissatisfied with the decision pertaining to a requested accommodation may file an appeal with the agency head within a reasonable period time, for a final decision. If the individual believes the decision is based on discrimination, they may file a complaint internally through the agency's complaint procedure as outlined in this plan (page 21).

All denials of requests for accommodation will be documented and kept on file by the Affirmative Action Officer. The Affirmative Action Officer shall notify the employee of their right to file a complaint under the Appeals section of this provision, and advise the employee of the right to file a complaint with the Minnesota Department of Human Rights or the U.S. Equal Employment Opportunity Commission.

WEATHER EMERGENCY

The *Weather Emergencies* memo issued by the Commissioner of DOER in 1997 has been distributed to all employees, along with the OAH's *Time Off In Emergencies Plan*. The Minneapolis office is in a privately-owned building which has an *Emergency Procedures Plan* which includes weather emergency instructions. This Plan has been adopted by our office and has been distributed to all staff. Weather and evacuation emergency information is conveyed to employees by: 1) the methods outlined in Appendix C; or 2) if at the office, employees are notified by managers/supervisors upon instruction from the Chief ALJ or his designee; or 3) if the emergency is declared by the building management, instructions are given over the building's speaker system. See Appendix C.

If a weather emergency is declared before the start of an employee's shift and the employee relies on the Minnesota Relay Service, the supervisor will contact the employee through MRS (1-800-627-3529).

BUILDING EVACUATION

The Office is located in a privately-owned building that has an *Emergency Procedures Plan* which includes building evacuation. This Plan has been adopted by our office and has been distributed to all staff.

Floor wardens have been designated in conjunction with the Plan. There are evacuation routes posted in various locations in the office. Certain employees have volunteered to assist employees with disabilities. The designated floor wardens will operate within the building's Emergency Plan in arranging for evacuation of all employees. Floor wardens are responsible for notifying safety personnel if someone must be left in a designated area of the building.

In addition to Minneapolis, the OAH has offices in Duluth and Detroit Lakes. These offices are also in privately-owned buildings and will continue to follow the emergency and evacuation plans for those locations.

APPENDIX A

RACE/ETHNIC CATEGORIES

The U.S. Equal Employment Opportunity Commission recently has revised its race/ethnic categories for the purposes of reporting employment statistics on the EEO-4 form (for state and local governments) and on the EEO-6 form (for educational institutions). The categories are defined as follows:

1. White, not of Hispanic Origin -- Persons having origins in any of the original peoples of Europe, North Africa, or the Middle East.
2. Black, not of Hispanic Origin -- Persons having origins in any of the Black racial groups of Africa.
3. Hispanic -- Persons of Mexican, Puerto Rican, Cuban, Central or South America or other Spanish culture or origin, regardless of race.
4. American Indian or Alaskan Native -- Persons having origins in any of the original peoples of North America, and who maintain cultural identification through tribal affiliation or community recognition.
5. Asian or Pacific Islander -- Persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Sub-continent, or the Pacific Islands. This area includes, for example, China, Japan, the Philippine Islands, and Samoa.

With regard to the Statewide Affirmative Action Plan, the term "minority" includes all of the aforementioned categories except the first, "White". Agencies must use these categories when preparing employment status by race or ethnic origin.

RE: Weather Emergencies

The purpose of this memo is to remind you that once again we are approaching the time of year when we may have severe weather emergencies.

As background, weather emergencies are declared when a number of conditions exist. The factors that are considered are:

- ◆ Road maintenance. Are state highways open and snowplows operating?
- ◆ Transit operations. Are local transit systems running?
- ◆ Additional weather conditions. Is wind, cold or ice a factor?
- ◆ Other considerations. Are power or heating systems affected?

This office receives notification from the Duty Officer in the Emergency Management Division of Public Safety if a severe weather situation is occurring anywhere in the state. This office also provides us with road conditions, snowplowing information and transit operations obtained from local law enforcement. We consider all of the information from these sources and then decide if it is necessary to declare an emergency and close state offices.

The decision to declare an emergency can be statewide or limited to a specific portion of the state. Any decision to close state offices due to an emergency does not apply to employees who are required by their agency to work during a weather emergency.

Page 2
November 14, 1997

Agency heads or their designee will be notified when an emergency is declared. It is imperative that your agency has in place an internal procedure for relaying this information to any/all your offices affected. While we will be informing the media, we have found that some employees do not receive the notification in a timely fashion.

Please note MnSCU (Minnesota State Colleges and Universities) have statutory authority to close their facilities and this policy does not apply to them.

How to find out about a weather emergency

If a weather emergency is declared during the night, we will give the following announcement to WCCO 830 and WMNN 1330, KSTP, WCCO and KARE TV for broadcast. The announcement will also be forwarded to the Associated Press (AP) to be put on the news wire for radio stations in greater Minnesota.

"A weather emergency has been declared by the Commissioner of the Department of Employee Relations. As of (time and date), all Minnesota state offices will be closed in the following area(s): (geographic location(s)). This does not apply to employees who are required by their agency to work during a weather emergency."

This statement will be provided to the media prior to the start of the normal work day (8:00 a.m.). We continue to monitor weather conditions through the Emergency Management Division, and if changes in the emergency designation are warranted, they will be made as the day progresses.

If an emergency is declared during the business day, the agency head or their designee will be notified by telephone and fax prior to the declaration. We will also notify the media of the declaration.

Several days following a weather emergency, you will receive a written notification from my office which includes the time, date and geographic location of the emergency along with processing information to pay employees.

If you have employees who are deaf or have a hearing impairment

Supervisors of deaf and hearing impaired employees should have a procedure in place for these individuals to learn about a weather emergency. If your employee has a TTY machine (telecommunication device for the deaf), the supervisor can contact the employee through the Direct Connect Minnesota Relay Service (MRS) at (612) 297-5353 (metro) or 1-800-627-3529 (out state). Here's how it works:

- ♦ The supervisor or other assigned co-worker calls the MRS number.
- ♦ The MRS operator dials the employee's number.
- ♦ When the supervisor is on the line, he/she can relay a message to the TTY machine and help conduct any conversation that may be necessary.

The weather emergency is meant for those extreme cases when it would be unsafe for most employees to travel to or from home. We recognize that there may be unique individual situations due to the employee's location that make it impossible for that employee to get to work when an emergency has not been declared. In those circumstances, supervisors should consider allowing the employee to make up the lost time or use compensatory time or annual leave.

I hope this information helps you understand how emergencies for state employees are determined and announced. Please feel free to share this information with your employees. Posters sent last year remain the same. If you need additional copies, contact Mary Ferguson at (612) 297-3053. If you have any questions, please contact your human resources office.

TIME OFF IN EMERGENCIES PLAN

Minn. Stat. § 43a.05, subd. 4, (1996), permits the Commissioner of Employee Relations to excuse employees for time off from work during natural or man-made emergency situations. Administrative Procedures 5.4, adopted by the Commissioner, allows for the adoption of a plan by this office. This plan is adopted pursuant to that requirement.

- A. Essential staffing requirements to be maintained during emergency situations: None. (If an emergency situation is approved by DOER or this office, a receptionist will not be required to stay and the office doors will be locked.)
- B. The Chief Administrative Law Judge, Kenneth A. Nickolai (341-7640/w; 824-2599/h), will make closure decisions. In the absence of the Chief Administrative Law Judge; Assistant Chief Administrative Law Judge, Bruce Johnson (341-7607/w; 227-1015/h or (218) 728-4926), may make a closure decision. If both are gone, Susan C. Schleisman (341-7644/w; 653-7055/h) may make a closure decision.
- C. Steps/procedures to be followed in making closure decisions:
1. When the Commissioner of Employee Relations has declared an emergency, all employees will be notified immediately and excused, with pay, from working at the office location within the emergency area. Employees may leave the office immediately and will be paid as if they worked the entire day. Employees who report to work and are then sent home shall not be paid for more than their regularly scheduled hours. Employees will not be enriched through additional compensation, including compensatory time, or increased benefits as a result of an emergency situation.
 2. Employees who call in, on the day of an emergency, for vacation time, compensatory time or leave without pay will be credited with emergency leave from the point of declaration of the emergency to the end of the scheduled shift, if the appointing authority ceases operations during their regular shift.
 3. In the following instances, emergency leave pay will not be granted:
 - a. Employees who are in a "work at home" status are required to continue working.
 - b. Employees on approved sick or prearranged vacation leave will not have such leave time restored to their balances.
 - c. Employees who call in sick on the day of an emergency and receive approval to use sick leave before the emergency is declared will be required to use sick leave. However, employees who call in sick after the emergency is declared will receive emergency leave; except if the employee's regular work schedule started before the emergency is declared, then the employee will be required to use sick leave.

d. Employees on any approved leave without pay will not be paid for any emergency leave time.

2. When situations arise wherein the Commissioner has not declared an emergency but an employee believes an emergency situation exists, a verbal or written request for closure of the office must be made to the person identified in section B of this plan.

The request for closure must include a description of the natural or man-made emergency situation and any known information on other state agency employees or individuals affected. The authorized person will first check with DOER to determine whether or not the Commissioner is contemplating action. If the Commissioner of DOER does not authorize emergency leave, a decision will be made by the person authorized by section B based upon the threat to the health and safety of individuals if operations continued.

If the closure decision is made by the person designated in section B, all employees working at the affected location will be immediately informed that a "local" decision has been made. Those employees will then have the option of reporting to work or leaving work. If an employee elects to leave work, the employee will be required to use vacation leave, an adjusted work schedule, compensatory time or leave without pay, to cover the absence from work.

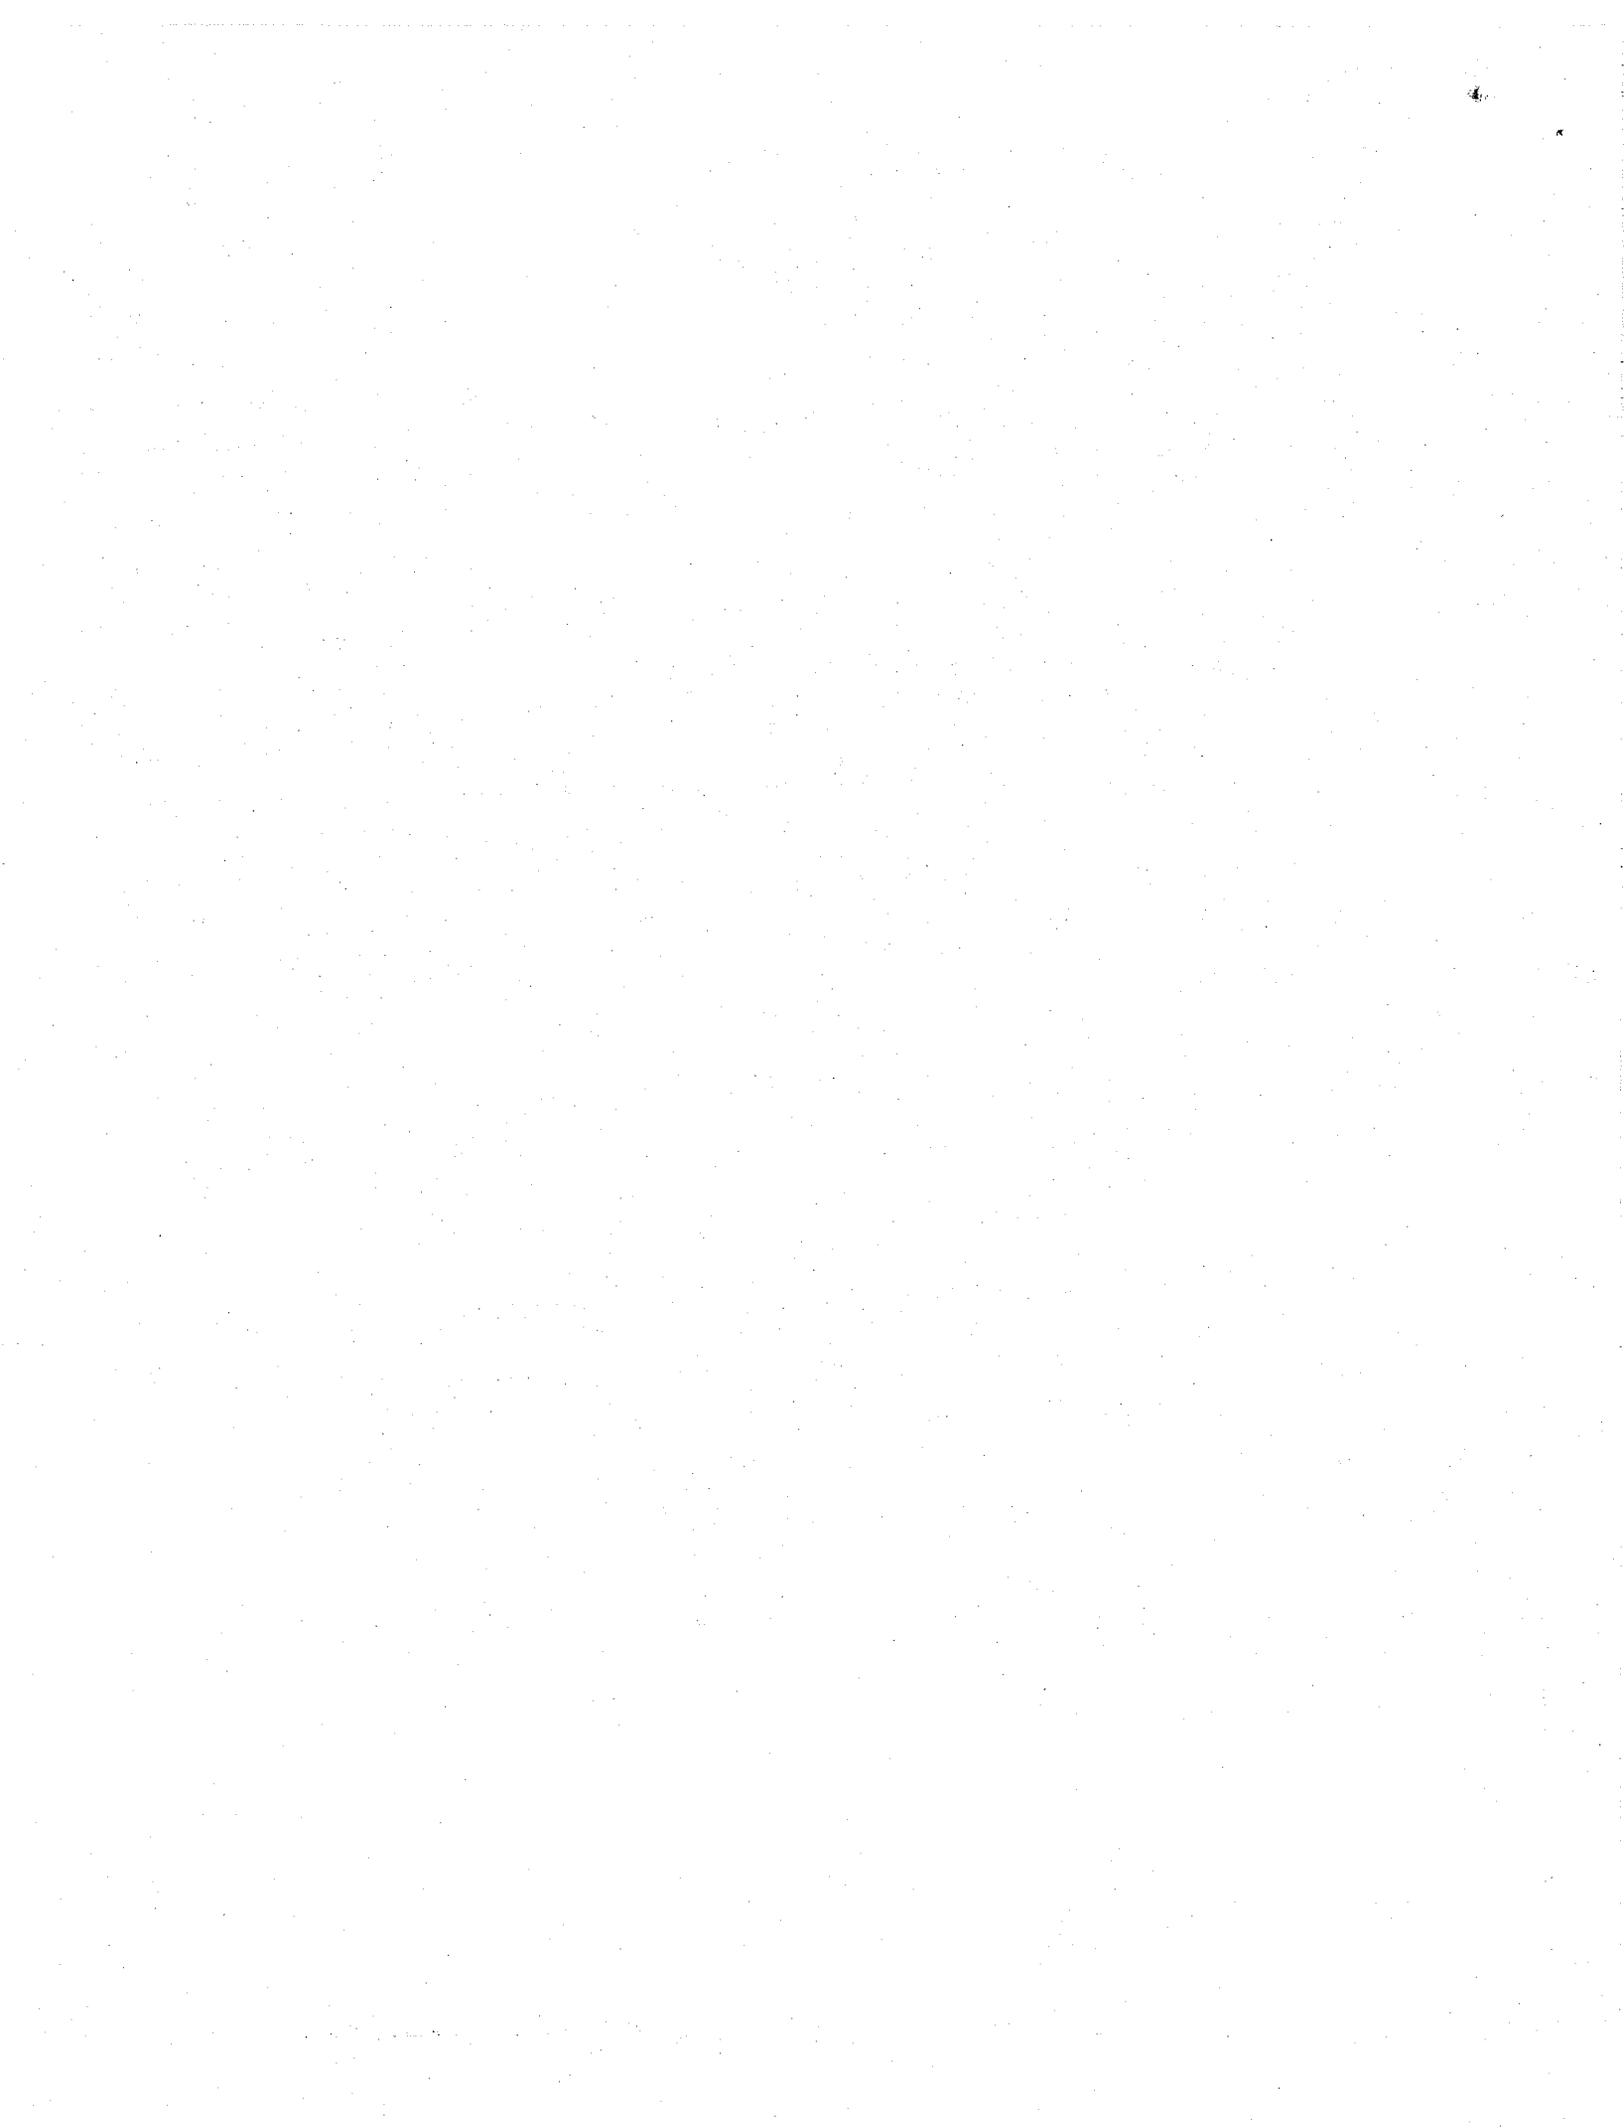

Within 48 hours of the return to work following a "local" decision on closure, the office will prepare a written request for approval of the closure from the Commissioner. If the Commissioner approves, all persons leaving during the emergency will be paid at the regular rate of pay as provided for in section C.1. above and the leave taken as specified in C.2. will be reinstated.

3. Employees are to report DOER approved emergency leave on the Bi-Weekly Time Reports by recording the total hours under "Other Authorized Leave Hours Taken", followed by an X which designates an emergency leave. In the remarks section note "Weather Emergency" or "Emergency Situation - Local Decision", whichever is appropriate.

D. The agency contact person and those responsible for implementing the plan are the same as identified in section B.

E. Internal operating procedures to be followed during a natural or man-made emergency: None. The office will be closed.

EMERGENCY PROCEDURES

100 WASHINGTON SQUARE

RELIASTAR CORPORATE PROPERTIES

THE BUILDING

Welcome to 100 Washington Square!

Life safety was a major consideration in the design of the building. However, you as an individual play an important role in making and keeping 100 Washington Square a safe building.

Please thoroughly familiarize

yourself with the procedures in this pamphlet. Doing so now will help ensure the appropriate response in the event of an actual emergency.

THE FIRE ALARM SYSTEM

100 Washington Square has a fire detection and alarm system which is designed to alert you in the event of a fire. This system consists of a group of fire detectors, known as smoke detectors, which are located throughout the building. When a smoke detector is activated, an alarm will sound in the form of a bell. This sound is the signal for you to take the appropriate action.

When you hear the fire alarm, you should immediately evacuate the building. Do not use the elevators. Do not return to the building until you are notified by the fire department. The Fire Department is the authority on fire safety. For more information on fire safety, contact the Fire Department at 100 Washington Square.

In addition, Emergency Wardens on each floor have been trained in emergency procedures.

There is very little risk of a fire spreading in 100 Washington Square, but in the event of an emergency, it is essential that you do your part.

IF YOU DISCOVER A FIRE

1. Dial 911 and the building emergency number, 372.

2. If it is identified yourself, the building, the floor and location, and the nature of the incident. The appropriate emergency response service will be contacted.

3. Notify your Emergency Warden.

4. If you are responsible for notifying your Emergency Wardens and there is no office located in the building, you should call 911.

IF YOU HEAR THE FIRE ALARM

1. Stay calm.

2. Follow instructions. You should evacuate the building immediately. Do not use the elevators. Do not return to the building until you are notified by the fire department. The Fire Department is the authority on fire safety. For more information on fire safety, contact the Fire Department at 100 Washington Square.

3. Close, but do not lock doors behind you. Feel doors before opening and do not open any that are hot. Do not return for papers or personal articles.

4. Proceed to the nearest stairwell. Use the handrails and proceed to the area indicated in the broadcast message (usually down three floors).

5. Do not use the elevators.

6. If you are in an elevator when the alarm sounds, do not panic. As the elevator will reach the ground floor, exit the elevator and proceed to the emergency situation.

7. In case of smoke stairway, the best way to reach the floor is to use the stairs.

8. Do not re-enter the building until advised to do so by Property Management or the Fire Department.

IF YOU RECEIVE A BOMB THREAT

1. Do not leave the building.

2. If you receive a bomb threat, you should immediately notify the Fire Department and the appropriate emergency response service. Do not be concerned.

3. See your Emergency Warden for complete bomb threat instructions.

4. The decision to evacuate will be made by senior management of your company / Property Management will make no recommendation in this regard unless so instructed by the Minneapolis Police Department.

IN CASE OF MEDICAL EMERGENCY

1. Dial 911 and the building emergency number, 372.

2. If it is identified yourself, the building, the floor and location, and the nature of the incident. The appropriate emergency response service will be contacted.

3. Notify your Emergency Warden.

IN CASE OF ELEVATOR MALFUNCTION
