RE: Annual Report on Obsolete, Unnecessary, or Duplicative Rules

This report is submitted pursuant to Minn. Stat. § 14.05, subd. 5, which provides that agencies report any rules or portions of rules that are obsolete, unnecessary, or duplicative, as well as the status of rules identified in last year's report as obsolete, unnecessary, or duplicative.

Minnesota Rule 2920 related to adult halfway houses is currently under review for proposed repeal and replacement. This proposal has been submitted to Governor's Office and a Request for Comments is currently under development for publication in the State Register.

At this time we can identify no other Department of Corrections' rules that are obsolete, unnecessary, or duplicative and that should be repealed.

If you have any questions regarding this report, please contact Brent Wartner, Policy & Legal Services Director, at 651/361-7175.

Sincerely,

/s/

Joan Fabian
