Minnesota Department of Agriculture  
Agricultural Fund Statement - February Forecast, 2008

NOTES

---

1. Minnesota Statutes 2004, Section 17.03, Subdivision 13.  
***[SEMIANNUAL REPORTS.] (a) The commissioner shall submit to the legislative committees having jurisdiction over appropriations from the agricultural fund in section 16A.531 reports on the amount of revenue raised in each fee account within the fund, the expenditures from each account, and the purpose for which the expenditures were made. The reports must be issued in February and November each year, to coincide with the forecasts of revenue and expenditures prepared under section 16A.103. (b) The report delivered in February of each year must include the commissioner's recommendations, if any, for changes in statutes relating to the fee accounts of the agricultural fund.***

No statutory changes are recommended at this time.

2. Pesticide Regulatory Account (page 4)  
2007 law enacted repealing M.S. 18B.315 and removing related references from other statutes (18B.33, 18B.34, and 18B.345) in order to eliminate the aquatic pest control license. This simplification will result in a slight loss in revenue because the pesticide applicator license fees (which will be paid instead) are set at a rate that will generate slightly less revenue.
