The designated administrator of a local school district or charter school may request the board to issue the teacher's nonrenewable license.

Subp. 2. **Criteria for issuance.** A nonrenewable license under subpart 1 shall be issued to the school district or charter school when the following conditions are met:

A. the designated administrator of the school district or charter school requests a nonrenewable license under this part;

B. the designated administrator of the school district or charter school in the application verifies in writing that:

(1) reasonable efforts have been made to assign existing staff to fill the position with a fully licensed teacher;

(2) no applicant holding a teaching license in the subject or field for which a nonrenewable license is requested can fulfill the requirements of the position;

(3) the position has been advertised, and if the position is one-half time or more, the position has been advertised statewide;

(4) the administrator on behalf of the licensed teacher will use the "High Objective Uniform State Standard of Evaluation" (HOUSSE) and those criteria as necessary and proper to demonstrate subject matter competence in the nonlicensed area as established by the Board of Teaching in collaboration with the Department of Education, and that the teacher meets the board's criteria;

(5) the district will provide for a high quality professional development plan for the teacher that is sustained and classroom-focused before and while teaching; and will provide ongoing support for the teacher or a teacher mentoring program; and

(6) the teacher is in an approved course of study and will complete the approved program by the end of the third school year;

C. the teacher for whom the request is made holds a current valid Minnesota entrance or professional license granted by the Board of Teaching; and
