

Agency Purpose

The Minnesota Board of Optometry (Board) was established in 1915 and is mandated by Minnesota Statutes sections 148.52 – 148.62 and Minnesota Rules, chapter 6500 to protect the public through the regulation of optometrists in the state of Minnesota. Regulation is accomplished through initial licensure examination, annual license renewal and required continuing education requirements.

The mission of the Board is:

- ◆ to promote the public's interest in receiving quality optometric health care from competent optometrists;
- ◆ to protect the public by ensuring that all licensed optometrists meet the educational and practical requirements specified in law; and
- ◆ to protect the public by setting standards for quality optometric health care.

Core Functions

The Board fulfills its mission by:

- ◆ reviewing and approving examination standards to insure knowledge of applicants for licensure as optometrists;
- ◆ reviewing of continuing education required to maintain knowledge for the safe practice of optometry;
- ◆ managing complaints alleging violation of Board statutes and rules through initial committee review, thorough investigation and disciplinary conferences with licensees to determine whether legal action against an optometrist is warranted; and
- ◆ providing accurate information about licensure requirements, standards of practice and disciplinary process to the public, licensees and other interested parties.

Operations

- ◆ The board is comprised of seven individuals appointed by the Governor, of which five are licensed optometrists.
- ◆ The Board serves consumers, licensed optometrists, applicants for optometry licensure, other governmental agencies, third party payers and sponsors of continuing education courses. Services are delivered through direct communication (telephone, mail, email, and in-person).
- ◆ There are nineteen approved professional optometric degree programs in the United States, Canada and Puerto Rico. Students seeking career information are provided assistance from the board.
- ◆ The Board's Education Committee reviews national standardized examinations required of applicants for licensure.

Key Goals

- ◆ Maintain excellence in optometry regulation.
- ◆ Increase use of online license renewal by licensees.
- ◆ Implement an online application service in 2009.

Key Measures

- ◆ Public protection – the Board's website offers several services to the public including viewing disciplinary orders, access to information on the complaint process and obtaining forms and information regarding how to file a complaint, and viewing individual licensee disciplinary history.
- ◆ Online services – the Board offers license verification, address and contact information changes, license renewals, and information for licensees.
- ◆ Licenses will be issued to applicants within two days of review by Board at each scheduled board meeting.
