

STATE OF MINNESOTA

Office of the State Auditor

Rebecca Otto
State Auditor

**2008 Local Government
Lobbying Services**

Description of the Office of the State Auditor

The mission of the Office of the State Auditor is to oversee local government finances for Minnesota taxpayers by helping to ensure financial integrity and accountability in local governmental financial activities.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 160 financial and compliance audits per year and has oversight responsibilities for over 3,300 local units of government throughout the state. The office currently maintains five divisions:

Audit Practice - conducts financial and legal compliance audits of local governments;

Government Information - collects and analyzes financial information for cities, towns, counties, and special districts;

Legal/Special Investigations - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

Pension - monitors investment, financial, and actuarial reporting for approximately 730 public pension funds; and

Tax Increment Financing - promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employees Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

Scope and Methodology

This report shows the costs of lobbying services provided to Minnesota local governments and their associations. The report is prepared in accordance with Minn. Stat. § 6.76 (2008), which states:

(a) On or before January 31 of each year, all political subdivisions shall report to the state auditor, on forms prescribed by the auditor, their estimated expenditures paid for the previous calendar year to a lobbyist as defined in section 10A.01, subdivision 21, except payments to associations of political subdivisions that are reported under paragraph (b), and to any staff person not registered as a lobbyist, over 25 percent of whose time is spent during the legislative session on legislative matters.

(b) Associations of political subdivisions subject to this section shall report annually, on or before January 31, to the state auditor and the association's members the proportionate amount of each member's dues spent for lobbying purposes.

(c) For purposes of this section, "political subdivision" has the meaning given in section 6.465, but also includes a metropolitan or regional agency or a public corporation audited by the legislative auditor.

The Office of the State Auditor has collected and published data on the lobbying services costs of local governments since 1989. This is the twelfth year that associations whose membership includes local governments were required to report their lobbying services expenditures to the Office of the State Auditor. Because of the inclusion of local government associations, the data presented in this report are not comparable with reports prior to the 1997 report. This report summarizes expenditures on local government lobbying services during the calendar year 2008¹ and is intended to inform the public and policymakers of the amount spent by their local government on lobbying services.

The reporting forms used to collect information on the expenditures by local governments and their associations for lobbyists and lobbying are presented as appendices in this report starting on page 207. The list of local government associations was developed by reviewing a list of all associations that were registered with the Campaign Finance and Public Disclosure Board. While the Office of the State Auditor attempted to identify all associations of local governments and provide them forms to fulfill their reporting requirement, it is the responsibility of the associations to comply with the reporting requirement. The expenditures on lobbying services are the amounts self-reported by local governments and local government associations.

¹ While the law requires associations to report on a calendar year, certain associations continue to report on their own fiscal years.

This page left blank intentionally

Executive Summary

- Local governments spent a total of \$8,550,018 on lobbying activities in 2008. This represents an increase of \$732,398, or 9.4 percent, over the amount spent in 2007 (pg. 5).
- Sixty-four reporting local governments (one less than in 2007) directly employed staff or hired contract lobbyists in 2008. These local governments spent a total of \$3,910,101 on staff and contract lobbyists.² This was \$327,319, or 9.1 percent, more than in 2007 (pgs. 5, 6-7).
- In addition to the \$3.9 million paid directly to staff and contract lobbyists, local governments paid dues of \$10,252,234 in 2008 to local government associations that also represented their interests before the legislature. These associations spent \$4,639,917 on lobbyists and lobbying in 2008. This represents an increase of 9.6 percent over 2007. Of the \$4.6 million spent on lobbyists and lobbying by these associations, \$4,287,411 was funded exclusively through dues. This represents an increase of 10.1 percent over the \$3,895,819 in association dues that were spent on lobbying activities in 2007 (pgs. 5, 9).

² These expenditures do not include dues and membership fees paid to local government associations.

This page left blank intentionally

Overview

The operation and funding of local governments can be greatly affected by decisions made by the state legislature. Therefore, it is understandable that those affected by these decisions would want to have representation during the legislative process. This report documents the level of expenditures made by local governments and their associations to perform this function.

According to reports filed with the Office of the State Auditor, local governments spent a total of \$8,550,018 on lobbying activities in 2008. This represents an increase of \$732,398, or 9.4 percent, over the amount spent in 2007.

Expenditures on local government lobbying increased 9.4 percent between 2007 and 2008.

Sixty-four reporting local governments (one less than in 2007) directly employed staff or hired contract lobbyists in 2008. These local governments spent a total of \$3,910,101 on staff and contract lobbyists.³ This was \$327,319, or 9.1 percent, more than in 2007. Staff and contract lobbyists are paid to provide information to policymakers to influence legislative, administrative, or official actions regarding units of local government in Minnesota.

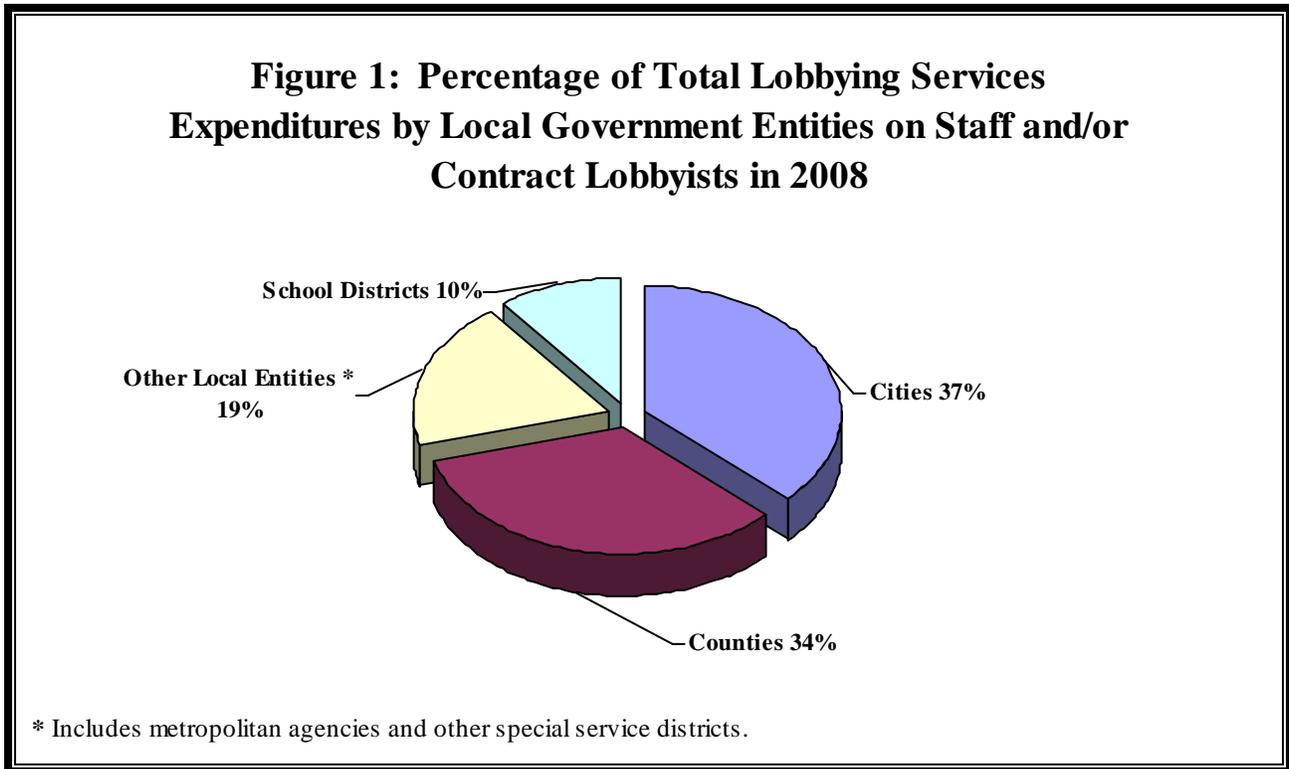

In addition to the \$3.9 million paid directly to staff and contract lobbyists, local governments paid dues of \$10,252,234 in 2008 to local government associations that also represented their interests before the legislature. These associations spent \$4,639,917 on lobbyists and lobbying in 2008. This represents an increase of 9.6 percent over 2007. Of the \$4.6 million spent on lobbyists and lobbying by these associations, \$4,287,411 was funded exclusively through dues. This represents an increase of 10.1 percent over the \$3,895,819 in association dues that were spent on lobbying activities in 2007.

³ These expenditures do not include dues and membership fees paid to local government associations.

Lobbying Services Expenditures by Local Governments

Staff and Contract Lobbyists

Sixty-four of Minnesota's cities, counties, school districts, and special districts directly employed staff and/or contracted with professional lobbyists to represent their interests before the legislature. Table 4 on pages 17 to 23 shows the payments made to these employees and hired professional staff as well as other costs attributable to lobbying efforts. Figure 1 shows 2008 total expenditures on staff and contract lobbyists by type of jurisdiction.

Of the 64 reporting entities that employed lobbying staff or hired contract lobbyists in 2008:

- Twenty-four cities and city component units reported a combined total of \$1,444,693 in lobbying services expenditures. This compares to 22 cities and \$1,239,465 in 2007.
- Seventeen counties and county component units reported a combined total of \$1,327,394 in lobbying services expenditures. This compares to 16 counties and \$1,333,710 in 2007.
- Eight education entities reported a combined total of \$402,153 in lobbying services expenditures. This compares to 11 entities and \$432,065 in 2007.
- Fifteen metropolitan agencies and other special districts reported a combined total of \$735,861 in lobbying services expenditures. This compares to 16 agencies and \$577,542 in 2007.

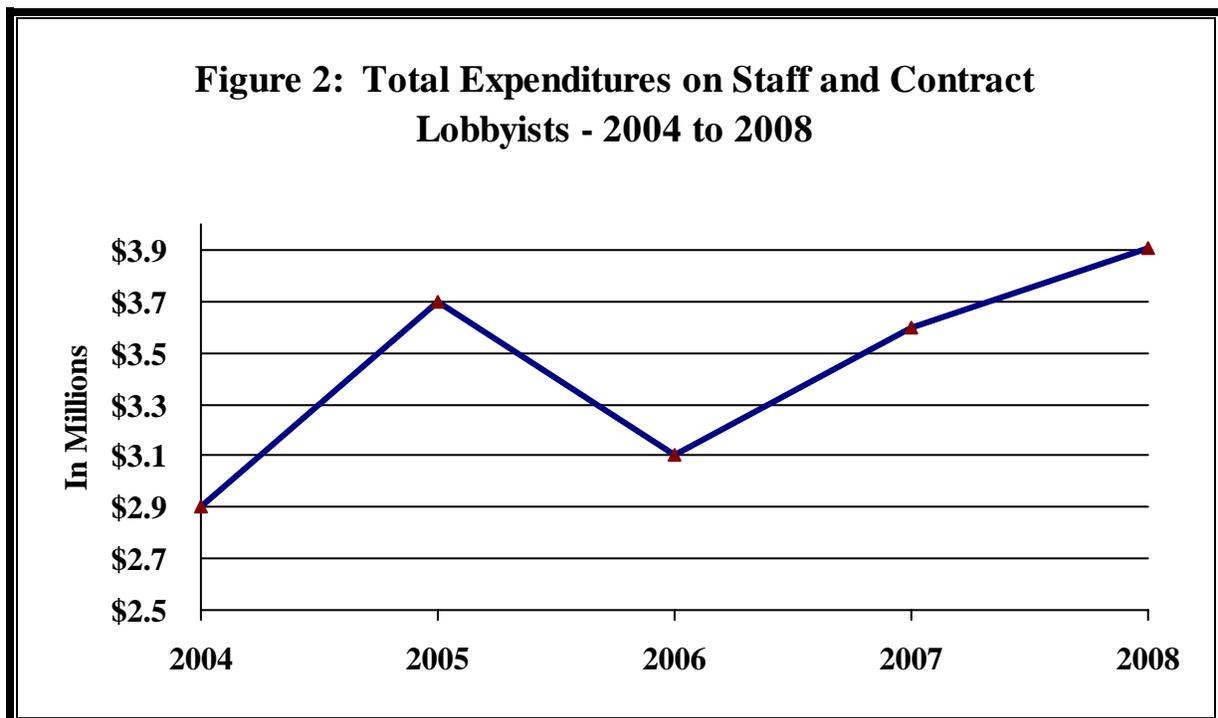

Highest Expenditures on Staff and Contract Lobbyists

Ten of the 64 local governments that directly employed lobbying staff or hired contract lobbyists reported over \$100,000 in lobbying services expenditures for a total of \$2,006,949. These 10 local governments accounted for 51.3 percent of the total amount paid to contract and staff lobbyists in 2008 (see Table 1):

City of Minneapolis	\$401,551	I.S.D. # 1S - Minneapolis	\$155,523
Hennepin County	\$353,933	Ramsey County	\$124,017
City of Saint Paul	\$281,478	Minneapolis Park & Recreation Board	\$114,932
Anoka County	\$187,083	I.S.D. # 625 - St. Paul	\$110,440
Metropolitan Airports Commission	\$168,775	Dakota County	\$109,217

Trends in Expenditures for Staff and Contract Lobbyists

The number of entities that reported expenditures on contract and staff lobbyists decreased from 65 in 2007 to 64 in 2008. While in aggregate there was one less entity that reported lobbying expenditures in 2008, the 64 entities that reported lobbying expenditures in 2008 were not the same as in 2007. The change in the composition of the local governments reporting lobbying expenditures in 2008, and higher lobbying expenditures by those that previously reported, account for the overall increase in lobbying expenditure between 2007 and 2008. Figure 2 shows expenditures on staff and contract lobbyists for the years 2004 to 2008.

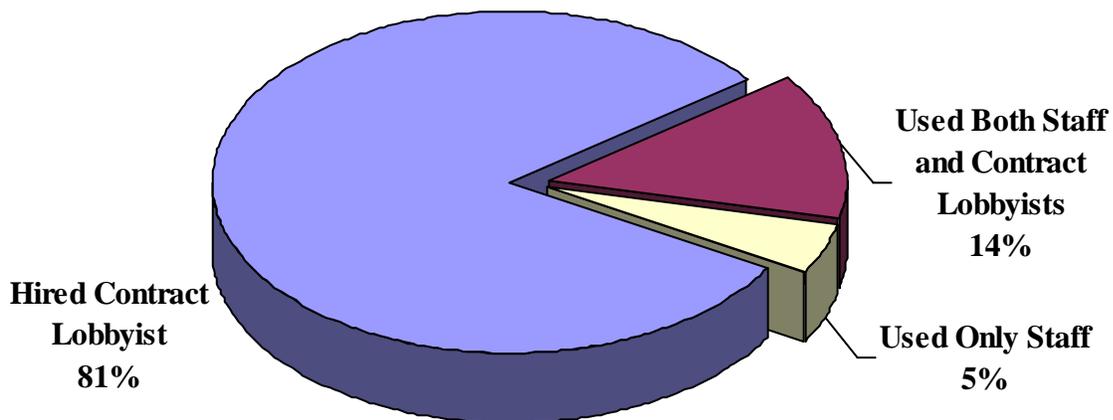

Reliance on Contract Lobbyists

Local governments more frequently use contract lobbyists than utilize their own staff to provide lobbying services. Contract lobbyists accounted for \$2,573,765, or 65.8 percent, of the total amount spent by those governments using contract or staff lobbyists. Local governments spent \$1,243,890 on staff lobbyists to represent their interests before the legislature and other governmental bodies. In addition, local governments reported an additional \$92,446 in overhead costs related to lobbying services in 2008.

During 2008:

- 3 local governments relied entirely on their staff to represent them at the legislature;
- 52 local governments relied entirely on contract lobbyists to represent their interests; and
- 9 local governments hired contract lobbyists and used their own staff for lobbying.

Figure 3: Type of Lobbyist Used by Local Governments

Lobbying Services Expenditures by Associations

While 64 local governments opted to hire lobbyists or use staff to lobby on their behalf, it is much more common for them to rely on various local government associations to represent their interests at the legislature.⁴ These local government associations receive the majority of their funding from membership dues and other public funds. Some associations representing local governments not only lobby on behalf of their members, but also act as service associations. Groups such as the League of Minnesota Cities and the Association of Minnesota Counties provide a wide range of services to their members. For these associations, lobbying services account for a smaller share of their overall expenditures as compared to associations whose primary purpose is lobbying.

Other associations are formed for the explicit purpose of lobbying the legislature on a specific issue or range of issues for which the members share a common interest. Most of these associations hire a lobbyist or a lobbying firm to influence legislative, administrative, or other official actions at the state, regional, or metropolitan level of government. The dues paid by members of these associations generally represent a percentage of the total amount paid to a contract lobbyist.

Trends in Lobbying Services Expenditures Made by Associations

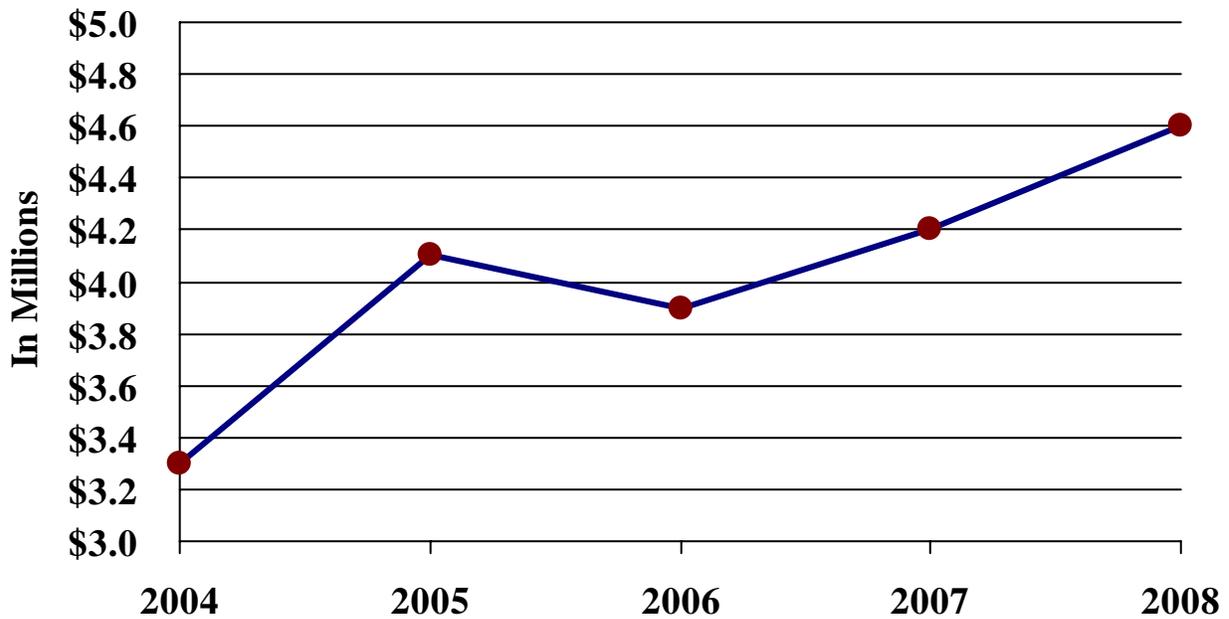

Twenty-six associations representing local governments reported expenditures on lobbying services totaling \$4,639,917 for 2008. Of the \$4.6 million spent on lobbying, \$4,287,411, or 92.4 percent, was funded through the dues of the association members. Total expenditures for lobbying/lobbyists by associations increased \$405,079, or 9.6 percent, over the level expended in 2007.⁵

Figure 4 on page 10 shows total expenditures on lobbying services by associations from 2004 to 2008. There has been a general upward trend in lobbying expenditures during this period. Some of this increase can be attributable to efforts by the Office of the State Auditor, local governments, and associations to better define what constitutes lobbying services and the amount spent on these services.

⁴The local government associations identified in this report do not include various professional associations that lobby on behalf of specific professional occupations within local governments. For example, Education Minnesota is registered with the Campaign Finance and Public Disclosure Board. However, because the association does not directly represent school districts or school district management personnel, its lobbying expenditures are not included in this report.

⁵The primary factor for the increase was the inclusion of certain lobbying costs by the Coalition of Greater Minnesota Cities that were not included in the previous reporting period. The additional lobbying expenses amounted to \$472,270 in 2008.

Figure 4: Total Expenditures on Lobbying Services by Associations - 2004 to 2008

Association Lobbying by Type of Entity

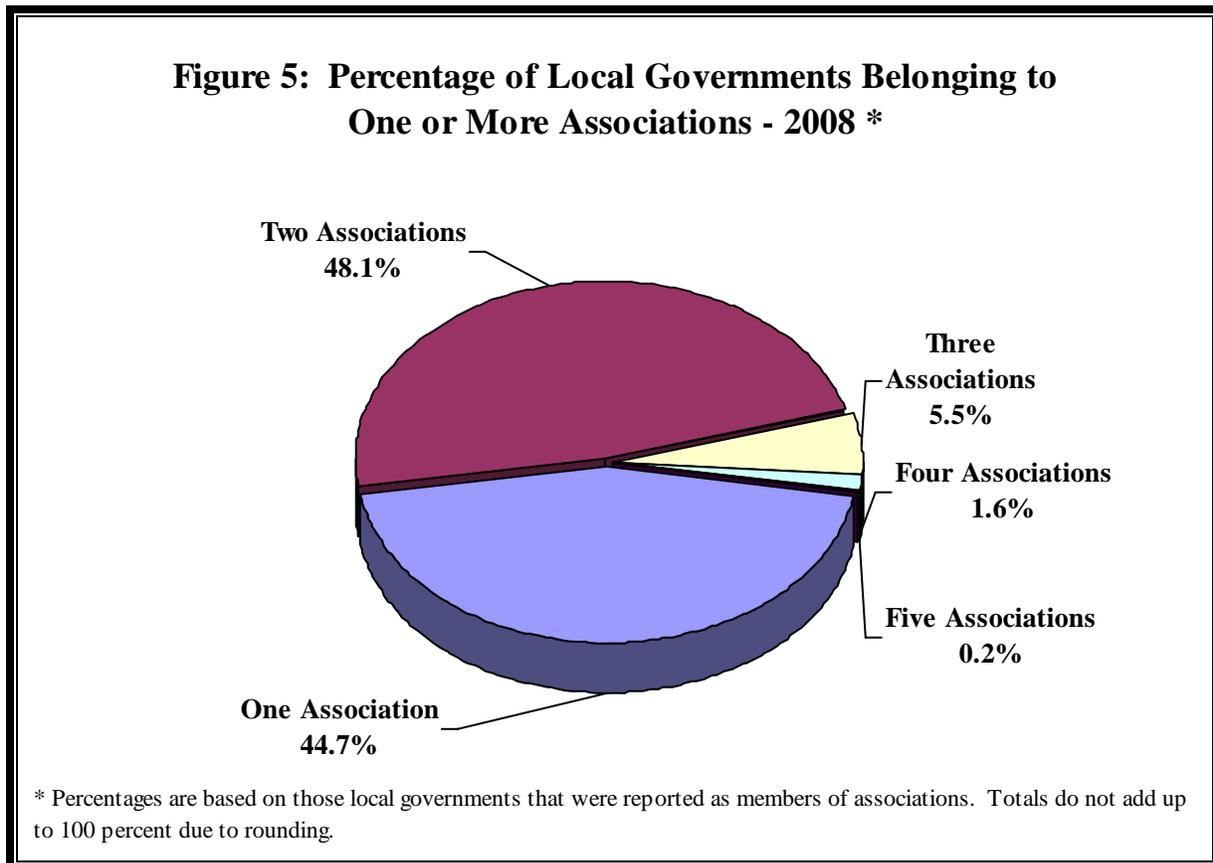

The associations reporting lobbying expenditures included:

- seven associations that represented the interests of cities;
- three associations that represented the interests of counties;
- five associations that represented the interests of school districts;
- one association that represented the interests of townships;
- four associations that represented special district interests; and
- six associations that represented more than one type of local government.

Multiple Association Memberships

While it is common for local governments to belong to at least one association, some local units belong to several. Of the 1,446 local units of government that belonged to at least one association, there were 105 local units of government that paid dues to three or more associations.

Figure 5 shows the percentage of local governments that belong to one or more associations.

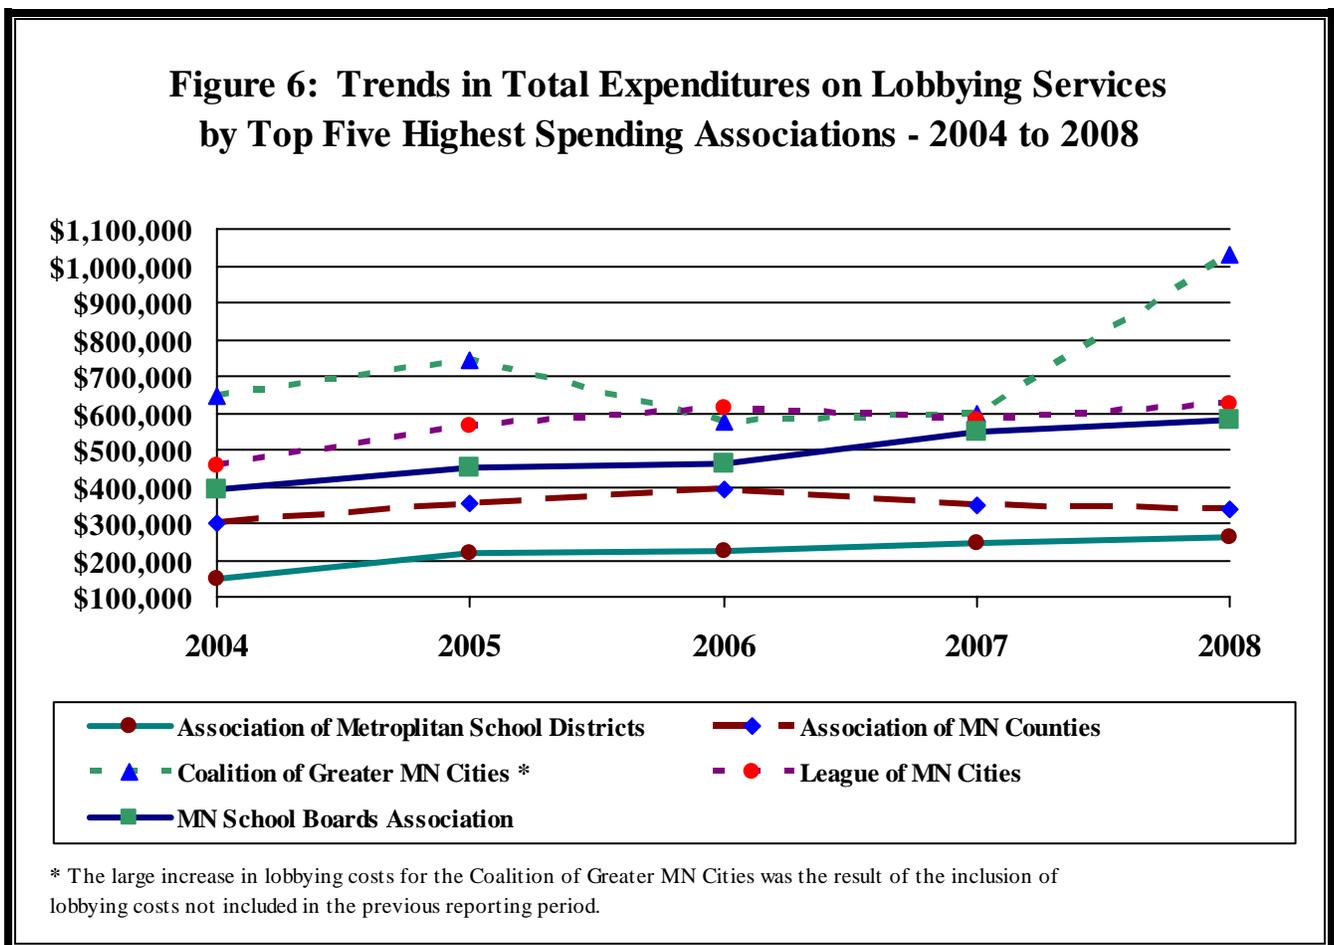

Associations with the Highest Expenditures on Lobbying Services

Among the 26 local government associations that lobbied the legislature on behalf of their local government members, 10 associations reported expenditures on lobbying/lobbyists in excess of \$100,000 in 2008.

Coalition of Greater Minnesota Cities	\$1,028,634	North Metro Mayors Association	\$242,725
League of Minnesota Cities	\$624,549	Association of Metropolitan Municipalities	\$231,602
Minnesota School Board Association	\$581,511	Schools for Equity in Education	\$213,742
Association of Minnesota Counties	\$335,845	Metropolitan Inter-County Association	\$201,923
Association of Metropolitan School Districts, Inc.	\$263,904	Minnesota Association of Small Cities	\$107,675

Figure 6 shows the five-year trend in lobbying expenditures by the five associations with the highest lobbying expenditures in 2008.

Compensation Paid to Firms for Lobbying Services

In 2008, Minnesota local governments or associations of local governments paid eight firms \$100,000 or more to provide lobbying services.⁶ The eight firms receiving \$100,000 or more in payments from local governments or associations of local governments were:

Flaherty & Hood, P.A.	\$878,721	Best & Flanagan, L.L.P.	\$145,979
Messerli & Kramer, P.A.	\$350,244	David Turch & Associates	\$132,000
Lockridge, Grindal, Nauen, P.L.L.P.	\$241,233	Community Resource Partnerships, Inc.	\$121,500
McGrann, Shea, Anderson, Carnival, Straughn & Lamb, Chartered	\$176,024	Rice, Michels & Walther, L.L.P.	\$111,932

⁶ The amounts listed are those exclusively attributed to lobbying services. Some of these firms also received money for services they provided to the association or local government that they determined were not attributable to lobbying.

Instructions for the Local Government Expenditure Reporting Form

CAUTION: Before beginning, please be sure to save your reporting form to your local computer. After you have completed the form, save the file again.

Type of Entity

Select entity type from drop down list.

Name

Select name of entity from drop down list.

General Information

Include the name, phone number, fax (if applicable), and email address of the senior elected or appointed official for the entity.

Provide the address for the entity.

Provide the name of the person completing the form and contact information for the person completing the form, such as phone and fax numbers and an email address.

Contract Lobbyists

A contract lobbyist is any individual or firm, excluding employees of the local government, that meets the definition of a lobbyist as defined in Minnesota Statutes § 10A.01, subdivision 11. (Please refer to the reporting requirement document for the full definition.)

Identify all contract lobbyists retained by your local government and indicate the total amount paid to that individual or firm for lobbying the legislature and/or state administrative agencies, including the amount paid for expenses of that individual or firm.

Expenditures for contract lobbyists do NOT include dues paid to local government associations. These associations report membership and lobbying expenditures directly to the Office of the State Auditor. Examples of these associations include the League of Minnesota Cities and the Minnesota School Boards Association.

Employees of the Local Government

Identify all employees of the local government who spend at least 25 percent of their time during the legislative session on legislative matters. For each employee listed, provide the annual salary; cost of benefits (health, dental, employer-paid life insurance, and retirement benefits - including employer-paid FICA); and expense reimbursements. In addition, estimate the percent of the employee's annual time that is spent lobbying the state legislature and/or state administrative agencies.

When estimating the percent of time spent on lobbying, include time spent preparing for the legislative session, addressing legislative-related issues with local officials, legislators, state agency staff, other local government representatives, local citizens, and other interested organizations. Include time spent monitoring legislative hearings. Be sure to include in the estimate, the time spent working with state administrative agencies on the development and implementation of administrative rules for programs and policies that affect local governments. Also, estimate the amount of employee expense reimbursements that are related to lobbying the legislature and/or state agencies.

Example for calculating the percentage of employee time spent on lobbying efforts

The 2008 legislative session ran from February 12 through May 18, 2008. An employee may have spent 100 percent of his or her time on legislative matters from February through May. This accounts for 33.3 percent of their time during the year (100 percent of 4/12 months). Fifty percent of their time may have been spent on legislative matters for the other eight months. This accounts for 33.3 percent of their time (50 percent of 8/12 months). The annual percentage of this employee's time is 66.6 percent (.333+.333) and is reported in column C of the reporting form.

Expenses Related to Lobbying

Expenses related to lobbying include reimbursements to the employee for items such as travel, food, and the cost of materials.

Total Costs of Employee Lobbying Efforts in 2008

Add the salary and benefits for the employee (A+B), multiply the amount by the percentage of time spent on lobbying (C), then add the expenses related to lobbying (D). The total amount, in dollars, is reported in (E).

All Other Costs Related to Lobbying Services for the Year

List those costs associated with the 2008 lobbying effort exclusive of the salary and benefits of employees who lobby. Examples of items to include are: the actual costs of publication and distribution of each publication in lobbying; other printing; media (including the cost of production); postage; travel fees, including allowances; entertainment; telephone; and other expenses. (Minnesota Statutes § 10A.04, Subd. 4.) Report all expenditures for advertising; mailing; research; analysis; compilation and dissemination of information; and public relations campaigns related to legislative action, administrative action, or the official action of metropolitan governmental units in this state. Costs of production of material that directly support lobbying and general administrative and overhead are included as costs. (Minnesota Rule 4511.0600, subp. 5.)

Also include the prorated amount of salary and benefits of those employees who assist in research, administration, communication, and support for lobbying services.

Instructions - 2008 Lobbying Cost Reporting Form for Associations of Local Governments

The information for this report is collected under Minnesota Statutes § 6.76.

Where applicable, please round the amounts to the nearest dollar.

General Information

The name of your association should be pre-populated.

Provide the full name of the president or head of the association and their contact information.

Provide the name and contact information for the person completing the form, such as phone and fax numbers and an email address.

Provide the address of the association.

Financial Information

Include the total dues paid by all association members, the total amount the association spent on lobbying, and the proportion of members' dues spent on lobbying.

The total amount the association spent on lobbying for the year is the total amount paid for all contracts with lobbying firms plus the costs reported by the association for lobbying by association employees.

Include the proportion (percentage) of members' dues spent on lobbying. This is calculated by dividing the total dues paid by all association members by the total amount the association spent on lobbying.

Lobbying Information - Firm

Include the name of the firm and the total contract amount either agreed upon between the association and local government, or the total amount the firm billed to the association.

The State Auditor defines lobbying services as including the following:

1.) The actual costs of publication and distribution of each publication in lobbying; other printing; media (including the cost of production); postage; travel fees, including allowances; entertainment; telephone; and other expenses. (Minnesota Statutes § 10A.04, Subd. 4.)

2.) Include all expenditures for advertising; mailing; research; analysis; compilation and dissemination of information; monitoring legislative hearings; and public relations campaigns related to legislative action, administrative action, or the official action of metropolitan governmental units in this state. Also include all salaries and administrative expenses attributable to activities of the principal relating to efforts to influence state and local policy. (Minnesota Statutes § 10A.04, Subd. 6.)

3.) Costs of production of material that directly support lobbying and general administrative and overhead are included as costs. (Minnesota Rule 4511.0600, subp. 5.)

Associations with Employee Lobbyists

List the name of each employee who engages in lobbying services for the association.

Include their annual salary amount and the annual cost of benefits (health, dental, employer-paid life insurance, and retirement benefits – including employer-paid FICA.)

List the amount, in dollars, allocated to the employee for lobbying services (see definition above).

Include the proportion (%) of salary allocated for lobbying services. This is calculated by dividing the salary allocated for lobbying by the total salary amount.

Other Costs Associated with Lobbying Services

Include all costs associated with lobbying services not accounted for in the other categories, including costs associated with other employees of the association, or the lobbying firm. Include all the costs outlined in the lobbying services definition listed above. Do not include the salary and benefits of those previously listed as employee or contract lobbyists.

Also include the prorated amount of salary and benefits of those employees who assist in research, administration, communication, and support for lobbying services.

Association Member Form

The form is pre-populated with known members of the association. Additional members can be added at the bottom of the list. (Note: If a past member is listed, please check the box next to the name of the member.)

Include the amount, in dollars, of total dues paid by the individual member.

The proportion of dues used for lobbying purposes is pre-populated based on the amount listed on the first page of the form.
