

APPROVED P/T CONTRACTS & AMENDMENTS: FY 2009

Organized by Department

This report contains all professional/technical contracts and amendments that were approved during FY 2009.

NOTE: This data is not representative of actual dollars paid but of dollar amounts that were approved.

If no contracts or dollars were awarded to a vendor listed below, this indicates that an amendment was executed that did not add any funds to the contract. If funds were awarded but no contracts, this demonstrates that an amendment was executed adding money. If no money was awarded but contracts were executed, this indicates that the contracts had no monetary value assigned to them.
