Introduction

The 1995 Minnesota Legislature passed Minnesota Statutes §176.223 that states in part the Minnesota Department of Labor and Industry "... shall publish an annual report providing data on the promptness of all insurers and self-insurers in making first payments on a claim for injury. The report shall identify all insurers and self-insurers and state the percentage of first payments made within 14 days from the last date worked for each of the insurers and self-insurers. The report shall also list the total number of claims and the number of claims paid within the 14-day standard." Because the insurer's responsibility for promptness lies also with the denial of a claim, the *Prompt First Action Report on Workers' Compensation Claims* combines data related to the promptness of first payments and denials.

Minnesota Statutes §176.231, Subdivision 1 states, "Where ... injury occurs which wholly or partly incapacitates the injured worker from performing labor or service for more than three calendar days, the employer shall report the injury to the insurer on a form prescribed by the commissioner within ten days from its occurrence. An insurer and self-insured employer shall report the injury to the commissioner no later than 14 days from its occurrence."

Department actions upon receipt of the data

The Department of Labor and Industry evaluates data submitted on the *First Report of Injury* and the *Notice of Insurer's Primary Liability Determination* forms to determine whether the first payment or denial of benefits is timely. The *First Report of Injury* form is used to report work-related injuries and illnesses to the department. The *Notice of Insurer's Primary Liability Determination* form is used by the insurer to report the acceptance or denial of the claim and to communicate information about the payment of benefits. It is also used to clarify or change information previously submitted on the *First Report of Injury*.

If, during the evaluation, the data is inconclusive, a letter asking for the missing or incomplete data is sent to the insurer (see Appendix C). A list of claims where the first actions were believed to be untimely is sent to each insurer quarterly. A review period of approximately 30 days is allowed to refute the accuracy of the department's data.

After the report is published each year, insurers, that had any claims listed in the report for the current fiscal-year, are notified of their performance in comparison to all insurance companies, self-insured employers and the system as a whole. For those insurers with a significant number of claims that have a performance level substantially above or below the average, the notices provide additional information (see Appendix D).

Explanation of Prompt First Action Report table

The Prompt First Action Report table identifies insurance companies and self-insured employers that filed lost-time claims for the previous five state-fiscal-years (July 1 through June 30) and the

number and percentage of those claims that were paid or denied within the statutory 14-day deadline. This report includes claims received during each fiscal-year with claimed lost time beyond the three calendar-day waiting period. These claims do not include asbestosis and other litigated claims in which the lost-time determination is inconclusive at the time this report is published.

Conclusion

In fiscal-year 2009, 89.3 percent of the 23,958 lost-time claims had a timely first action. This is an increase from fiscal-year 2008, where 88.3 percent of the 26,249 lost-time claims had a timely first action.

The department's Workers' Compensation Division anticipates increased use of technology, electronic data exchange and early intervention will continue to improve the overall first action timeliness.

* The promptness with which insurers make first payments and deny claims can depend on how promptly the employer files the *First Report of Injury* form with them. This report does not make a distinction between first actions that were untimely due to the actions of the employer versus the insurer. All untimely actions, regardless of responsible party, are subtracted from the overall number of claims to arrive at the number and percentage of timely first actions.

GENERAL INSTRUCTIONS TO THE EMPLOYER

Filing this form is not an admission of liability. You must report a claim to your insurer whenever anyone believes that a work-related injury or illness that requires medical care or lost time from work has occurred. If the claimed injury wholly or partially incapacitates the employee for more than **three** calendar days, the claim must be made on this form and reported to your insurer within **ten** days. Your insurer may require you to file it sooner. Failure to file within the **ten** days may result in penalties. Self-insured employers have 14 days to file this form with the Department of Labor and Industry (Department). It is important to file this form quickly to allow your insurer time to investigate the claim. **Your insurer will forward a copy of this form** to the Department, if necessary.

If the claim involves death or serious injury (including injuries that later result in death), you must notify the Department and your insurer within 48 hours of the occurrence. The claim can be reported initially to the Department by telephone (651-284-5041), fax (651-284-5731), or personal notice. The initial notice must be followed by the filing of this form within **seven** days of the occurrence.

Employers are required to complete this form. Each piece of information is needed to determine liability and entitlement to benefits. Failure to complete the form may result in delayed processing and possible penalties. You must file this form with your insurer, and give a copy to the employee and the employee's local union office. You are required to provide the employee with a copy of the Employee Information Sheet, which is available on the Department's web site at www.dli.mn.gov. Employees are not responsible for completing this form.

SEND REPORT TO INSURER IMMEDIATELY – DO NOT WAIT FOR DOCTOR'S REPORT

SPECIFIC INSTRUCTIONS FOR COMPLETING THIS FORM

- Item 2: OSHA Case #. Fill in the case number from the OSHA 300 log. This form contains all items required by the OSHA form 301.
- Items 15-20: Fill in all the wage information. If the employee does not work a regularly scheduled work week, attach a 26 week wage statement so your insurer can calculate the appropriate average weekly wage.
- Items 22-24: Be as specific as possible in describing: the events causing the injury; the nature of the injury (cut, sprain, burn, etc.), and the part(s) of body injured (back, arm, etc.); and the tools, equipment, machines, objects or substances involved.
- Item 26: Fill in the first day the employee lost any time from work (including time lost for medical treatment), even if you paid the employee for the lost time.
- Item 27: Check the appropriate box to indicate if there was lost time on the date of injury and whether you paid for that lost time.
- Item 28: Fill in the date you first became aware of the injury or illness.
- Item 29: Fill in the date you became aware that the lost time indicated in Item 26 was related to the claimed injury.
- Item 30: Leave the box blank if the employee has not returned to work by the time you file this form. If the employee has returned to work, fill in the date and notify your insurer if the employee misses time due to this injury after that date.
- Item 39: Fill in your Federal Employment ID number (FEIN). For information on this number, see www.firstgov.gov and click on Employer ID Number under Business.
- Items 40 and 44: Fill in your Unemployment ID number and North American Industry Classification System (NAICS) code which are both assigned by the Minnesota Unemployment Insurance Program (651-296-6141).
- Items 46-54: Your insurer or claims administrator will complete this information.

INSTRUCTIONS TO THE INSURER/CLAIMS ADMINISTRATOR/SELF-INSURED EMPLOYER

The following data elements must be completed on this form prior to filing with the Department of Labor and Industry: employee's name and social security number; date of injury; and the names of the employer and insurer. If any of this information is missing, the First Report will be rejected and returned to you (per Minn. Stat. § 176.275). Providing the name of the third party administrator does not meet the statutory requirement to provide the name of the insurer. NOTE: If the claim does not involve lost time beyond the waiting period or potential PPD, the form does **NOT** need to be filed with the Department.

- Item 46: Fill in the name of the insurance company. If the employer is self-insured, indicate the name of the licensed or public self-insured company or group.
- Items 47-48: Fill in the legal name of the employer who purchased the policy from the insurer (named in Item 46) and the policy number. If the employer is licensed to self-insure, fill in the certificate number.
- Item 49: Fill in the insurer's Federal Employment ID number (FEIN) number.
- Item 51: Fill in the name and address of the company administering the claim (either the insurer or third party administrator). Be sure to mark either the "Insurer" or "TPA" box.
- Item 53-54: Fill in the claims administrator's FEIN and claim number.

Time Limitations

If the injury claim has been denied, you may lose your right to benefits if you do not commence legal proceedings within three years after your employer/insurer filed a written report of your claimed injury with DLI, not to exceed six years after the date of the claimed injury. If you have an occupational disease, you have three years to begin legal proceedings from the date you learned that the cause of the disease might be work related and the disease first caused disability.

If the death claim has been denied, you may lose your right to benefits if you do not commence legal proceedings within three years after the employer/insurer filed the written notice of death with DLI, except that:

- 1) For claims where the employer/insurer did not pay benefits for the injury, commencement of legal proceedings cannot exceed six years from the **date of injury** resulting in the death.
- 2) For claims where the employer/insurer did pay benefits for the injury, commencement of legal proceedings cannot exceed six years from the **date of death**.

In very rare circumstances, there may be exceptions to the time limits noted above.

Vocational Rehabilitation

If the insurer is denying primary liability for your claim and you disagree, cannot return to your former employment, and would like vocational rehabilitation assistance, contact DLI, Vocational Rehabilitation Unit at (651) 284-5038.

Instructions to Insurer/Claims Administrator

1. If the claim is a fatality with dependents and payment is being made, attach dependent information.
2. The reason for a denial must be clear and specific, and state a legal and factual basis in language which is easily understood. If the reason for a denial is based on medical information, attach medical reports or summary of any health care provider contacts that support your reason for denial.
3. This form may be filed more than once if your liability determination changes. (Examples: when you initially deny primary liability, but later accept liability; when you initially accept a claim and pay wage loss benefits, but later deny primary liability within 60 days pursuant to M.S. § 176.221, subd 1; when you accept liability, but are unable to pay TPD benefits until verification of wage loss is received, but later issue the first TPD check.)
4. If you file this form more than once, check the Amended box in the upper left-hand corner for each subsequent filing.
5. Do not use this form to reinstate benefits. Use the Notice of Benefit Reinstatement (NOBR) form.
6. If you indicate that the employer paid "full wage," you must also file a Notice of Intention to Discontinue (NOID) at the appropriate time showing the date of return to work or other reason for discontinuance and the payment data on the back of the form as required by M.S. § 176.221, subd. 9.
7. The date served must be completed each time you file this form.
8. The boxes (in the upper left-hand corner on the front of the form) containing claim identifying information must be fully completed each time you file the form. The boxes containing the dates of lost time, notice, and initial return to work, and the average weekly wage must also be completed, if applicable, each time you file the form, regardless of your liability determination.

This material can be made available in different forms, such as large print, Braille or on a tape. To request, call (651) 284-5030 or 1-800-342-5354 (DIAL-DLI)/Voice or TDD (651) 297-4198.
