RE: 2009 Minn. Laws Chap. 78 Art. 6 Sec. 8 Subd. 3 (Minn. Stat. 137.701)

To Whom it May Concern:

Thank you for your inquiry regarding the report on the status and activities of the development of university neighborhoods in Duluth. The City of Duluth and University of Minnesota Duluth have discussed university neighborhood development and chose not to establish the membership of a formal organization for the purposes of improving the campus neighborhoods. Instead the City of Duluth has included the University of Minnesota Duluth in the development of the City's new Unified Development Code, which will set land use and development standards for the entire city. During this process, the neighborhoods in close proximity to the University of Minnesota Duluth Campus have been studied to address university neighborhood housing, development and planning, and other factors as outlined in the statute.

Therefore, the City of Duluth has not developed the formal report that the Legislative Reference Library requested on January 11, 2010. If you have further questions, please call (218) 730-5480.

Respectfully submitted,

Keith Hamre,
Manager
