Agency Name: GOVERNOR'S 21ST CENTURY TAX REFORM COMMISSION
Address: 500 North Robert St.
 ST PAUL, MN 55146
Telephone: 651-556-6005
Contact Person: DAN SALOMONE

Legal basis: EXEC. ORDER 08-06
Established: 2/29/2008
Compensation: None
Expiration Date: February 28, 2010
Appointing Authority : Governor

Powers and Duties: Advise the Governor on reforming the state's tax laws with the goal of making long-term improvements in the revenue system that reflect changes in business practices, demographics, and the economy that have occurred in Minnesota and other states.

Member Restrictions: Up to 15 members appointed by the Governor, including individuals who have knowledge and experience in how state tax systems affect business location, job creation and capital investments. Membership will also include representatives of the following types of businesses and individuals: large and small businesses; businesses from key Minnesota industries; C-corporations, S-corporations, partnerships, and sole proprietors; suppliers of investment capital; and individuals with special experience or knowledge in taxation and the economy. The Governor will designate a chair. Members will serve a two year term, or until the Commission is disbanded at the request of the Governor. The Commissioner of Revenue and any designees will provide administrative and staff support to the Commission.

Summary of Activities: Governor Pawlenty's 21st Century Tax Reform Commission was created by Executive Order 08-06 issued on February 29th, 2008. Pursuant to that order commission recommendations were due on December 1, 2008. Subsequent to the issuance of Executive Order 08-06, sudden, unforeseen changes in the economy prompted Governor Pawlenty to issue Executive Order 08-16 on november 7, 2008 amending the charge of the commission to include consideration of changes to the economy, the November forecast and the Governor's proposed budget in preparint its report and recommendations. Further, Executive Order 08-16 extended the Commission's reporting deadline to February 15, 2009. The final report of the Commission was timely submitted to Governor Pawlenty on February 13, 2009. While the release of the Commission's report was met with considerable interest on the part of the House and Senate tax committee chairs, growing state budget problems precluded the enactment of the many of the Commission's recommendations. Nevertheless, the final Commission report raised awareness of the need to reduce certain business taxes in order to make Minnesota a more competitive place for new jobs and business investment. The 21st Century Commission Report will no doubt influence the course of Minnesota tax policy for years to come. As of the date of this report, all Commission recommendations under both executive orders have been transmitted to Governor Pawlenty. Accordingly, the terms of all 21st Century Tax Reform Commissioners have expired.

Meeting Information: To be determined.

Agency Name: MN SENTENCING GUIDELINES COMMISSION
Address: 321 GROVE ST., #103
 ST. PAUL, MN 55101
Telephone: 651-296-0144
Contact Person: LINDA MC BRAYER

Legal basis: M.S. 244.09.
Established:
Compensation: \$55 per diem (for citizen members) plus expenses
Expiration Date: Does not expire
Appointing Authority : Governor and Chief Justice of the Supreme Court

Powers and Duties: The legislature established the Sentencing Guidelines Commission for the purpose of developing and maintaining rational and consistent sentencing standards which reduce sentencing disparity, increase proportionality in sanctions, and ensure more equitable and uniform sentencing for convicted felons. The following are the specifically stated goals of the sentencing guidelines system. 1) To promote public safety by recommending the harshest sanctions for violent offenders who pose the greatest danger to public safety and coordinating sentencing practices with correctional resources to assure that prison resources are available for these violent offenders. 2) To promote uniformity in sentencing so that offenders who are convicted of similar types of crimes and have similar types of criminal records are similarly sentenced. 3) To establish proportionality in sentencing by recommending the most severe sanctions for those offenders who are convicted of serious violent offenses even with no criminal record, those who have repeat violent criminal records, and those who have more extensive nonviolent criminal records. 4) To provide truth and certainty in sentencing by having the judge pronounce a fixed sentence that requires the offender to serve at least two thirds of the pronounced time as opposed to an indeterminate and symbolic sentence of zero to the statutory maximum sentence and a parole board that ultimately decides when to release an offender. 5) To coordinate sentencing practices with correctional resources by informing the legislature of the impact of the existing sentencing policy on correctional resources and the impact of any proposed changes to the sentencing system. To achieve the mission and goals stated above, the agency and commission evaluate sentencing policy and practices, modifies sentencing policy; determines the impact of policy on correctional resources; and provides training, implementation, and information services to the criminal justice community and the public. The criminal justice system is extremely dynamic and the commission must consider whether to make changes to the sentencing guidelines in order to continue to fulfill its mission. The commission presents recommendations to the legislature each year for changes to the sentencing guidelines.

Member Restrictions: The eleven members include one judge of the Court of Appeals and one district court judge to be appointed by the Chief Justice of the Supreme Court; one public defender; one county attorney; one peace officer; one probation officer; three public members, one of whom must be a victim of a crime defined as a felony; and the Chief Justice of the Supreme Court and the Commissioner of Corrections or their designees. The term of any member appointed or reappointed by the Governor after the first Monday in January 1991 is coterminous with the Governor.

Summary of Activities: The sentencing guidelines have been in effect since 1980. The guidelines have provided more uniform and proportional sentences for convicted felons. The Commission appropriately modifies the guidelines each year to accommodate new laws, address problems with the guidelines, or address other concerns about sentences. The research and monitoring functions of the agency have provided critical and important information to policy makers, including information on the impact of new laws and policies on correctional resources.

Meeting Information: There is no set meeting schedule, but the meetings are usually held on the third Thursday of each month. There is no set meeting location, however, the meetings have been routinely held at the Dept. of Corrections, central office.
