Dear Senator Merriam:

Please cancel the following appropriation: Wetlands Forum, M.L. 91, Chapter 254, Article 1, Section 14, Subd. 9(g), \$40,000. The appropriation was made to the Commissioner of Natural Resources contingent upon a match of \$40,000 from the Freshwater Foundation. The project manager, John Linc Stine, has indicated that the Freshwater Foundation will not be able to provide the matching funds.

Thank you.

Yours truly,
