NOTICE

How to Follow State Agency Rulemaking Action in the *State Register*

State agencies must publish notice of their rulemaking action in the *State Register*. If an agency seeks outside opinion before promulgating new rules or rule amendments, it must publish a NOTICE OF INTENT TO SOLICIT OUTSIDE OPINION also.

The PROPOSED RULES section contains:

- Calendar of public hearings on proposed rules.
- Proposed new rules (including notice of hearing and/or notice of intent to adopt rules without a hearing).
- Proposed amendments to rules already in existence in the Minnesota Rules.
- Proposed emergency rules.
- Withdrawal of proposed rules (option; not required).

The ADOPTED RULES section contains:

- Notice of adoption of new rules and rule amendments adopted without change from the previously published proposed rules. (Unchanged adopted rules are not republished in full in the *State Register* unless an agency requests this.)
- Adopted amendments to new rules or rule amendments (adopted changes from the previously published proposed rules).
- Notice of adoption of emergency rules.
- Adopted amendments to emergency rules (changes made since the proposed version was published).
- Extensions of emergency rules beyond their original effective date.

The OFFICIAL NOTICES section includes (but is not limited to):

- Notice of intent to solicit outside opinion before promulgating rules.
- Additional hearings on proposed rules not listed in original proposed rules calendar.

ALL ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES published in the *State Register* and filed with the Secretary of State before July 31, 1983 are published in the *Minnesota Rules 1983*. ADOPTED RULES and ADOPTED AMENDMENTS TO EXISTING RULES filed after July 31, 1983 will be included in a supplement scheduled for publication in mid-1984. Proposed and adopted EMERGENCY (formerly called TEMPORARY) RULES appear in the *State Register* but are generally not published in the *Minnesota Rules 1983* due to the short-term nature of their legal effectiveness. Those that are long-term may be published.

The *State Register* publishes partial and cumulative listings of rule in the MINNESOTA RULES AMENDMENTS AND ADDITIONS list on the following schedule:

Issues 1-13, inclusive

Issues 14-25, inclusive

Issue 26, cumulative for 1-26

Issues 27-38, inclusive

Issue 39, cumulative for 1-39

Issues 40-51, inclusive

Issue 52, cumulative for 1-52

The listings are arranged in the same order as the table of contents of the *Minnesota Rules 1983*.

PROPOSED RULES

Pursuant to Minn. Stat. of 1982, §§ 14.22, an agency may propose to adopt, amend, suspend or repeal rules without first holding a public hearing, as long as the agency determines that the rules will be noncontroversial in nature. The agency must first publish a notice of intent to adopt rules without a public hearing, together with the proposed rules, in the *State Register*. The notice must advise the public:

1. that they have 30 days in which to submit comment on the proposed rules;
2. that no public hearing will be held unless 25 or more persons make a written request for a hearing within the 30-day comment period;
3. of the manner in which persons shall request a hearing on the proposed rules; and
4. that the rule may be modified if the modifications are supported by the data and views submitted.

If, during the 30-day comment period, 25 or more persons submit to the agency a written request for a hearing of the proposed rules, the agency must proceed under the provisions of §§ 14.14-14.20, which state that if an agency decides to hold a public hearing, it must publish a notice of intent in the *State Register*.

Pursuant to Minn. Stat. §§ 14.29 and 14.30, agencies may propose emergency rules under certain circumstances. Proposed emergency rules are published in the *State Register* and, for at least 25 days thereafter, interested persons may submit data and views in writing to the proposing agency.

Department of Commerce

Proposed Rules Relating to Cancellation of Commercial Policies

Notice of Hearing

Notice is given that a public hearing will be held pursuant to Minnesota Statute Section 14.14, subdivision 1 (1984), in the above-entitled matter in the Large Hearing Room, 500 Metro Square Building, St. Paul, Minnesota 55101, on December 10, 1985, at 9:00 a.m. and continuing until all interested persons and groups have had an opportunity to be heard concerning adoption of these proposed rules by submitting either oral or written data, statements, or arguments. Statements, briefs or written material may be submitted within the comment period described in this notice without appearing at the hearing by sending them to Administrative Law Judge, George H. Beck, 4th Floor, Summit Bank Building, 310 4th Avenue South, Minneapolis, Minnesota 55415, telephone (612) 341-7601. The rule hearing procedure is governed by Minnesota Statute Section 14.14-14.20 and by Minnesota Rules Parts 1400.0200-1400.1200, as amended (Amended Rules published at 9 S.R. 2276). Questions regarding procedure may be directed to the Administrative Law Judge at the above-listed address.

PLEASE NOTE, HOWEVER, THAT THIS HEARING WILL BE CANCELLED IF FEWER THAN TWENTY-FIVE PERSONS REQUEST A HEARING IN RESPONSE TO THE NOTICE OF INTENT TO ADOPT THESE SAME RULES WITHOUT A HEARING PUBLISHED IN THE *STATE REGISTER* OR EVEN DATE AND MAILED THE SAME DATE AS THE NOTICE.

The Commissioner proposes to adopt rules relating to Cancellation, Nonrenewal and Renewal with Altered Rates of Commercial Liability Insurance. Authority for the adoption of these rules is contained in Minnesota Statute Section 72A.19 and Section 45.023. A text of the proposed rules follows this notice in the *State Register*.

Notice is hereby given that a Statement of Need and Reasonableness is now available for review at the Department of Commerce and is available at the Office of Administrative Hearings. This Statement of Need and Reasonableness includes a summary of all of the evidence and arguments which the Department anticipates presenting at the hearing justifying both the need for and the reasonableness of the proposed rules. Copies of the Statement of Need and Reasonableness may be reviewed at the Department of Commerce or the Office of Administrative Hearings and copies may be obtained from the Office of Administrative Hearings at the cost of reproduction.

Pursuant to Minnesota Laws 1983, chapter 188 codified as Minnesota Statute Section 14.155, subdivision 2, the impact on small business has been considered in the promulgation of the rules. Every small business having insurance will be affected by these rules. Anyone wishing to present evidence or argument as to the rules' effect on small business may do so. The Department's position regarding the impact of the rules on small business is set forth in the Statement of Need and Reasonableness.

All interested or affected persons will have an opportunity to participate by presenting oral and/or written evidence at the hearing. Questioning of agency representatives or witnesses, and of interested persons making oral statements will be allowed in order to explain the purpose or intended operation of the proposed rules, or a suggested modification, or for other purposes material to the evaluation or formulation of the proposed rules. As a result of the hearing process, the proposed rule may be modified.

Written material may be submitted to the Administrative Law Judge and recorded in the hearing record for five working days after the public hearing ends. The comment period may be extended for a longer period not to extend 20 calendar days if ordered by the Administrative Law Judge at the hearing. Comments received during the comment period will be available for review at the Office of Administrative Hearings. Following the five- to twenty-day comment period, there will be a three-day period in which the Commissioner and interested persons may respond in writing to any new information submitted. During the three-day period, the

PROPOSED RULES

agency may indicate in writing whether there are any amendments suggested by other persons which the agency is willing to adopt. Additional evidence may not be submitted during the three day period. The written responses will be added to the record of the proceeding.

Notice: Any person may request notification of the date on which the Administrative Law Judge's report will be available after which date the Department of Commerce may not take any final action on the rules for a period of five working days. If you desire to be so notified, you may so indicate at the hearing. After the hearing, you may request notification by sending a written request to the Administrative Law Judge. Any person may request notification of the date on which the rules were adopted and filed with the Secretary of the State. The notice must be mailed on the same day that the rules are filed. If you want to be so notified you may so indicate at the hearing or send a request in writing to the Department of Commerce at any time prior to the filing of the rules with the Secretary of State.

Minnesota Statutes chapter 10A requires each lobbyist to register with the State Ethical Practices Board within five days after he or she commences lobbying. A lobbyist is defined in Minnesota Statutes Section 10A.01, subdivision 11 as an individual:

(a) Engaged for pay or other consideration, or authorized by another individual or association to spend money, who spends more than five hours in any month or more than \$250, not including travel expenses and membership dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating or urging others to communicate with public officials; or

(b) Who spends more than \$250, not including traveling expenses and membership dues, in any year, for the purpose of attempting to influence legislative or administrative action by communicating or urging others to communicate with public officials.

The statute provides certain exceptions. Questions should be directed to the Ethical Practices Board, 41 State Office Building, St. Paul, Minnesota, 55155 telephone (612) 296-5615.

One free copy of this notice and the proposed rules may be obtained by contacting Richard G. Gomsrud, Department Counsel, Department of Commerce, 500 Metro Square Building, St. Paul, MN 55101. Additional copies will be available at the door on the date of the hearing.

Rules as Proposed (all new material)

CANCELLATION, NONRENTAL, AND CHANGE OF RATES

2700.2400 SCOPE.

Parts 2700.2400 to 2700.2450 apply to all commercial liability insurance policies issued by companies licensed to do business in this state except workers' compensation insurance, employers' liability, ocean marine insurance, accident and health insurance, and reinsurance.

2700.2410 MIDTERM CANCELLATION.

Subpart 1. **Reason for cancellation.** No insurer may cancel a policy of commercial liability insurance during the term of the policy, except for one or more of the following reasons:

- A. nonpayment of premium;
- B. misrepresentation or fraud made by or with the knowledge of the insured in obtaining the policy or in pursuing a claim under the policy;
- C. actions by the insured that have substantially increased or substantially changed the risk insured;
- D. refusal of the insured to eliminate known conditions that increase the potential for loss after notification by the insurer that the condition must be removed;
- E. substantial change in the risk assumed, except to the extent that the insurer should reasonably have foreseen the change or contemplated the risk in writing the contract;

KEY: PROPOSED RULES SECTION — Underlining indicates additions to existing rule language. ~~Strike outs~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **ADOPTED RULES SECTION** — Underlining indicates additions to proposed rule language. ~~Strike outs~~ indicate deletions from proposed rule language.

PROPOSED RULES

F. loss of reinsurance by the insurer which provided coverage to the insurer for a significant amount of the underlying risk insured. Any notice of cancellation pursuant to this item shall advise the policyholder that he or she has ten days from the date of receipt of the notice to appeal the cancellation to the commissioner of commerce and that the commissioner will render a decision as to whether the cancellation is justified because of the loss of reinsurance within five business days after receipt of the appeal;

G. a determination by the commissioner that the continuation of the policy could place the insurer in violation of the insurance laws of this state; or

H. nonpayment of dues to an association or organization, other than an insurance association or organization, where payment of dues is a prerequisite to obtaining or continuing such insurance; provided, however, that this provision for cancellation for failure to pay dues shall not be applicable to persons who are retired at 62 years of age or older or who are disabled according to social security standards.

Subp. 2. **Notice.** Cancellation under subpart 1, items B to H, shall not be effective prior to 30 days after notice to the policyholder. The notice of cancellation shall contain a specific reason for cancellation as provided in subpart 1.

A policy shall not be canceled for nonpayment of premium pursuant to subpart 1, item A unless the insurer, at least ten days prior to the effective cancellation date, has given notice to the policyholder of the amount of premium due and the due date. The notice shall state the effect of nonpayment by the due date. No cancellation for nonpayment of premium shall be effective if payment of the amount due is made prior to the effective date set forth in the notice.

Subp. 3. **New policies.** Subparts 1 and 2 do not apply to any insurance policy that has not been previously renewed if the policy has been in effect less than 90 days at the time the notice of cancellation is mailed or delivered. No cancellation under this subpart is effective until at least ten days after the written notice to the policyholder.

Subp. 4. **Longer term policies.** A policy may be issued for a term longer than one year or for an indefinite term with a clause providing for cancellation by the insurer for the reasons stated in subpart 1 by giving notice as required by subpart 2 at least 30 days prior to any anniversary date.

2700.2420 NONRENEWAL.

Subpart 1. **Notice required.** An insurer shall renew the policy, unless at least 30 days prior to the date of expiration provided in the policy, a notice of intention not to renew the policy beyond the agreed expiration date is made to the policyholder.

Subp. 2. **Exceptions.** This part does not apply if the policyholder has insured elsewhere, has accepted replacement coverage, or has requested or agreed to nonrenewal.

2700.2430 RENEWAL WITH ALTERED RATES.

Subpart 1. **General.** Subject to subpart 2, if the insurer offers or purports to renew the policy at less favorable terms as to the dollar amount of coverage or deductibles, higher rates, and/or higher rating plan, the new terms, the new rates and/or rating plan may take effect on the renewal date if the insurer has sent to the policyholder notice of the new terms, new rates and/or rating plan at least 30 days prior to the expiration date. If the insurer has not so notified the policyholder, the policyholder may elect to cancel the renewal policy within the 30-day period after receipt of the notice. Earned premium for the period of coverage, if any, shall be calculated pro rata.

Subp. 2. **Exception.** Subpart 1 does not apply if the change relates to guide "a" rates or exceeds rates also known as "consent to rate."

2700.2440 INTERPRETATION AND PENALTIES.

Subpart 1. **Rules not exclusive.** Parts 2700.2400 to 2700.2440 are not exclusive, and the commissioner may also consider other provisions of Minnesota law to be applicable to the circumstances or situations addressed by parts 2700.2400 to 2700.2440. The rights provided by parts 2700.2400 to 2700.2440 are in addition to and do not prejudice any other rights the policyholder may have at common law, under statute, or other administrative rules.

Subp. 2. **Penalties.** A violation of any provisions of parts 2700.2400 to 2700.2440 shall be deemed to be an unfair trade practice in the business of insurance and shall subject the violator to the penalties provided by Minnesota Statutes, sections 72A.17 to 72A.32 in addition to any other penalty provided by law.

Subp. 3. **Notices required.** All notices required by parts 2700.2400 to 2700.2440 shall only be made by first class mail addressed to the policyholder's last known address or by delivery to the policyholder's last known address. Notice by first class mail is effective upon deposit in the United States mail. In addition to giving notice to the policyholder, the insurer must also give notice to the agent of record, if any, in the manner specified for the policyholder.

REPEALER. Minnesota Rules, parts 2700.2400 to 2700.2440 are repealed September 30, 1987.

Department of Energy and Economic Development

Proposed Rules Governing Energy Financial Assistance

Notice of Intent to Adopt Rules without a Public Hearing

Notice is hereby given that the Minnesota Energy and Economic Development Authority proposes to adopt the above-entitled rules without a public hearing following the procedures set forth in Minnesota Statutes, sections 14.22 to 14.28. The specific statutory authority to adopt the rules is Minnesota Statutes 116M.08, subd. 4.

Persons interested in this rule shall have 30 days in which to submit comment in support of or in opposition to the proposed rule or any part or subpart of the rule and comment is encouraged. Each comment should identify the portion of the proposed rule addressed, the reason for the comment, and any change proposed.

Any person may make a written request for a public hearing on the rule within the 30-day comment period. If 25 or more persons submit a written request for a public hearing within the 30-day comment period, a public hearing will be held unless a sufficient number withdraw their request. Any person requesting a public hearing should state his or her name and address, and is encouraged to identify the portion of the proposed rule addressed, the reason for the request, and any change proposed. If a public hearing is required, the agency will proceed pursuant to Minnesota Statutes, sections 14.131 to 14.20.

Persons who wish to submit comments or a written request for a public hearing must submit such comments or requests to:

John J. O'Brien
Resource Development Finance Division
900 American Center Building
150 East Kellogg Boulevard
St. Paul, MN 55101
Telephone: 612/297-1944

The proposed rule may be modified if the modifications are supported by data and views and do not result in a substantial change in the proposed rule.

These rules govern loan application procedures for the Minnesota Energy and Economic Development Authority's energy financial assistance programs. The energy development loan program issues energy loans and revenue bonds for fixed-asset financing for new and existing energy related companies. The energy loan insurance program issues financial assistance in a form involving a guarantee or insurance from the energy development fund or any account thereof.

A copy of the rule is available for review from John O'Brien at the aforementioned address upon request.

A Statement of Need and Reasonableness that describes the need for and reasonableness of each provision of the proposed rule and identifies the data and information relied upon to support the proposed rule has been prepared and is available from John O'Brien at the aforementioned address upon request.

If no hearing is required, upon adoption of the noncontroversial rule, the rule and the required supporting noncontroversial rule, the rule and the required supporting documents will be delivered to the Attorney General for review as to legality and form to the extent the form relates to legality. Any person may request notification of the date of submission to the Attorney General. Persons who wish to be advised of the submission of this material to the Attorney General, or who wish to receive a copy of the final rules as proposed for adoption, must submit the written request to John O'Brien at the aforementioned address.

PROPOSED RULES

Rules as Proposed (all new material)

8300.4010 SCOPE.

Parts 8300.4010 to 8300.4013 are general rules that apply to all applications for energy financial assistance made available by the authority under the act, the energy development loan program, and the energy loan insurance program.

Parts 8300.4013 to 8300.4027 specify procedures and criteria for energy financial assistance from particular programs of the authority.

8300.4011 DEFINITIONS.

Subpart 1. **Statutory terms.** The definitions in Minnesota Statutes, section 116M.03; part 8300.0100; and this part, apply to parts 8300.4010 to 8300.4027.

Subp. 2. **Annual total benefits.** "Annual total benefits" means B_t in subpart 8 that accrue to the applicant plus the annual monetary value of outputs expected to result from the undertaking of a qualified energy project that accrue to the public at large. Outputs must be estimated in dollars based upon the most recent credible evidence available including scientific studies, economic studies, or other analysis. Outputs include the estimated value of new jobs produced; the monetary value of decreased levels of air, water, or other forms of pollution; or other avoided public costs.

Subp. 3. **Annual total costs.** "Annual total costs" means the annual repayments of interest plus principal for I in subpart 7, incurred by the applicant of the qualified energy project plus the annual incremental monetary costs incurred by the state through the use of appropriated money in any one or a combination of the funds administered by the authority, the economic recovery fund, or other appropriations made available to assist the qualified project by the legislature.

Subp. 4. **Avoided public costs.** "Avoided public costs" include the estimated dollar costs that could reasonably be expected to be incurred during the useful life of the qualified energy project by a unit of local, state, or federal government, if the project is not undertaken, but will be avoided if the project is financed. Avoided public costs include the costs of siting, designing, or constructing facilities of any type necessary to comply with environmental regulations; or the costs associated with unemployment compensation, welfare benefits, or other benefits that would otherwise be paid to existing workers who would be unemployed if the qualified energy project is not undertaken.

Subp. 5. **Cost effective.** Except for qualified energy projects for conservation of energy, "cost effective" means that the present value of a project's benefits exceeds the present value of its costs over the life of the project. Only those costs and benefits that can be quantified in dollars may be included in determining whether a project is cost-effective. The discount rate used in determining present value shall include the time value and incremental carrying cost of money. For qualified energy projects for conservation of energy a project is cost-effective when it has a payback period of ten years or less and the payback period is less than the useful life of the project.

Subp. 6. **Energy financial assistance.** "Energy financial assistance" means loans, loan guarantees or insurance, to enter into or pay fees on insurance contracts, letters of credit, municipal bond insurance, surety bonds, or similar obligations and other agreements or contracts with financial institutions or providers of similar services and any other use of money from the energy development account and the energy loan insurance account as permitted by the act.

Subp. 7. **Investment cost.** "Investment cost" means: I = the total amount of the loan obtained by the applicant required by the qualified energy project to generate annual net cost savings or net revenues equal to B_t in subpart 8. " I " is the present value of annual repayments of the interest plus principal discounted at the rate r in subpart 8, over the term of the loan for I .

Subp. 8. **Present value.** "Present value" of the annual net cost savings or net revenues generated by the qualified energy project means:

$$\sum_{t=1}^L \frac{B_t}{(1+r)^t}$$

where B_t = annual net cost savings or net revenues realized by the applicant for each year t of the expected useful life of the qualified energy project. This represent annual cost savings or annual revenues net of annual operating costs excluding annual interest plus principal payments for the investment cost of the qualified energy project.

L = expected useful life of the qualified energy project.

r = annual rate of interest charged to the applicant on the investment cost of the qualified energy project.

Subp. 9. **Project.** "Project" means that which is funded or secured or is proposed to be funded or secured by energy financial assistance.

8300.4012 PROCEDURES FOR ENERGY FINANCIAL ASSISTANCE APPLICATIONS.

Subpart 1. **In general.** To apply for energy financial assistance from the authority, an applicant shall submit an application form to the commissioner on a form provided by the commissioner. An application must be completed, dated, and signed by the owner, general partners, or an authorized officer of the applicant. The commissioner shall follow the procedures under part 8300.3013.

Subp. 2. **Contents.** An application must comply with part 8300.3011, subparts 2 and 3.

8300.4013 COLLATERAL REQUIREMENTS AND ADDITIONAL INFORMATION OR CERTIFICATIONS.

The authority shall require collateral and additional information or certifications in compliance with part 8300.3012.

8300.4014 PROCEDURES FOR APPLICATION PROCESSING.

Processing of applications must comply with part 8300.3013, subparts 1 to 7 and 9 to 11. The commissioner shall also review the application to determine if the project is technically feasible and cost-effective.

ENERGY DEVELOPMENT LOAN PROGRAM

8300.4015 PURPOSE.

The energy development loan program issues energy financial assistance in the form of energy loans funded by proceeds of the authority's revenue bonds that may be secured by a guarantee or insurance from the energy development account or energy loans made directly with money in the energy development account. Energy loans funded by proceeds of the authority's revenue bonds must be made in accordance with parts 8300.4010 to 8300.4018. Energy loans funded directly with money in the energy development account must be made in accordance with parts 8300.4010 to 8300.4016 and 8300.4019.

8300.4016 ELIGIBLE APPLICANTS FOR ENERGY DEVELOPMENT LOAN PROGRAM.

Any business as defined in the act is eligible to apply for an energy loan.

8300.4017 ELIGIBLE LOANS FOR ENERGY DEVELOPMENT LOAN PROGRAM.

Subpart 1. **In general.** The authority shall make energy loans to applicants in compliance with the act and parts 8300.0100 and 8300.3011 to 8300.3013 and 8300.4010 to 8300.4019.

Subp. 2. **Purpose of loan.** An energy loan must be used to provide interim or long-term financing for certain capital expenditures as provided in the act, and for expenditures that meet the requirements of federal industrial development bond laws where applicable, including:

- A. acquisition costs of land, buildings, or both;
- B. site preparation;
- C. construction costs;
- D. engineering costs;
- E. costs of equipment, machinery, or both;
- F. bond issuance costs;
- G. underwriting or placement fees;
- H. trustee's fees;
- I. fee of guarantor, insurer, or financial institution, other than the authority, who provides letters of credit, surety bonds, or equivalent security;
- J. authority fees, including application and guaranty fees of the authority and administrative costs and expenses;
- K. certain contingency costs;
- L. interest costs during construction;

PROPOSED RULES

M. legal fees, including those of the authority's bond counsel; and

N. debt service reserve account.

Working capital loans are not eligible for energy financial assistance under the energy development loan program. However, energy loans for certain finished equipment inventory that constitute qualified energy projects that are funded out of the energy development account or the proceeds of revenue bonds issued by the authority to the extent permitted under federal tax laws are permitted.

Subp. 3. **Equity requirements.** The maximum loan percentage of authorized project cost is 80 percent for equipment and 90 percent for other authorized costs. Instead of an equity contribution, the authority may accept adequate security, collateral, or guarantees sufficient to insure the repayment of the financial assistance. The authority may accept letters of credit or other credit enhancements as part of the equity contribution by the applicant.

Subp. 4. **Maximum term.** The maximum term of an energy loan may not exceed the average useful life of the real property or 80 percent of the useful life of equipment or machinery or 31 years, whichever is less.

Subp. 5. **Security requirements.** Energy financial assistance for real property, equipment, or other authorized expenditures, must be secured with the best available security or guaranty as required by either insurers or other providers of collateral or security of the bonds other than the authority, or as required by the authority in accordance with generally accepted commercial lending practices.

Subp. 6. **Findings of public purpose.** The authority shall review and consider approval of an application for an energy loan on the basis of effectuating the purposes of the act, including determinations regarding the following:

A. that the qualified energy project and its development is economically advantageous to the state, that the provision to meet increased demand upon public facilities as a result of the qualified energy project is reasonably assured and any feedstock availability, resource base, or energy sources necessary to support the successful operation of the qualified energy project is adequate;

B. that the qualified energy project will tend to facilitate a reliable supply of energy to Minnesota's households, business establishments, or municipalities, diminish Minnesota's dependence on imported energy sources, or serve some other energy related public purpose;

C. that the qualified energy project satisfies the priorities and criteria of the act;

D. that other things being equal in the event that there are more otherwise eligible applications submitted to the authority than there is funding available to assist, the energy loan allows greater leverage of the energy development account than other competing applications;

E. that the borrower is a business under the act;

F. that the project will be economically feasible in that the borrower reasonably can be expected to maintain a sound financial condition and to retire the principal and pay the interest on the loan anticipated to be made, in accordance with the terms of the agreement;

G. with respect to a resource recovery project, the project will be cost-effective in accordance with part 8300.4011, subpart 5.

8300.4018 ENERGY LOANS FUNDED BY BONDS.

Subpart 1. **In general.** If the authority intends to fund an energy loan by issuing revenue bonds, it must do so in conformance with part 8300.4014 and this part. The income from bonds issued by the authority for energy loans will be either subject to or exempt from taxation by the federal government. If the income from the bonds is to be subject to taxation by the federal government, the preliminary resolution must acknowledge that the bonds will be subject to applicable federal taxes.

Subp. 2. **Interest rate.** The authority shall set interest rates at a negotiated rate that approximates the market rate of interest for securities of equivalent value at the time the bonds are initially sold.

Subp. 3. **Debt service reserve account.** In conjunction with each amount of financial assistance it extends, the authority shall establish and fund a debt service reserve account sufficient to cover approximately 12 month's debt service or such lesser amount to ensure tax exempt status of interest on the bonds if the bonds are intended to be tax exempt. The reserve must be funded through the proceeds of the bonds to be issued and sold in conjunction with each particular amount of financial assistance extended. The interest earned on the debt service reserve account must accrue to the benefit of the applicant except to the extent necessary to insure tax exempt status of interest on the bonds if the bonds are intended to be tax exempt. This amount must be applied to offset the principal and interest payments on an annual basis or to redeem bonds prior to maturity provided that the financial assistance is current. Instead of a debt service reserve account the authority shall accept other adequate security or guarantees to ensure repayment of the bonds in accordance with generally accepted commercial lending practices.

Subp. 4. **Final resolution.** After the authority passes a preliminary resolution, it may pass a final resolution that authorizes the issuance and sale of bonds to fund the financial assistance to the applicant, as discussed in part 8300.3013, subpart 9. The final resolution for an application under the program depends, in part, upon a determination that there are no adverse changes in the condition of the applicant in accordance with generally accepted commercial lending practices that the authority deems necessary.

Subp. 5. **Issuance of bonds.** Upon passage of the final resolution, the authority shall commence to issue bonds in accordance with market conditions and the other legal conditions that govern the issuance of its bonds. This issuance must be in accordance with the contents of any insurance contracts, agreements with lenders providing letters of credit, or other forms of financial assistance and other terms and conditions necessary to effectuate a bond sale. Money will not be disbursed at the loan closing until it has been determined that there are no adverse changes in the condition of the applicant in accordance with generally accepted commercial lending practices. After the bonds are issued and sold, there will be a loan closing where the money is transferred and documents are signed in accordance with the terms of the final resolution and the respective documents.

8300.4019 ENERGY LOANS FUNDED DIRECTLY FROM MONEY IN THE ENERGY DEVELOPMENT ACCOUNT.

Subpart 1. **In general.** The authority may make energy loans funded directly from money in the energy development account only after it has made the following determinations:

A. that the qualified energy project achieves the public purposes listed in part 8300.4017, subpart 6;

B. that no other sources of financing including bonds issued by the authority are available to the project in sufficient quantities or at interest rates which will not render the project economically infeasible.

Subp. 2. **Maximum loan amount.** The principal amount of energy loans made directly with money in the energy development account must not exceed \$500,000.

Subp. 3. **Equity requirements.** The maximum loan percentage of authorized project costs is 70 percent for equipment and 80 percent for other authorized costs as listed in part 8300.4017, subpart 2. The authority may accept letters of credit or other credit enhancements as part of the equity contribution by the applicant.

Subp. 4. **Interest rate.** The interest rate must not exceed the interest rate for a full-faith-and-credit obligation of the United States government of comparable maturity, nor be lower than five percent per annum, nor be lower than the percentage rate necessary to establish a debt service coverage ratio of 1.3 to 1, whichever of the latter two conditions is greater.

Subp. 5. **Servicing of direct energy loans.** The commissioner shall establish an amortization schedule and shall monitor the scheduled payments. The commissioner shall also monitor the terms and conditions of the loan contract.

Subp. 6. **Restructure of debt.** The commissioner may restructure the energy loan at the request of the applicant or upon his or her own initiative if it is determined that the restructuring will increase the probability that the energy loan will be repaid to the state. If the applicant requests the loan restructure, the commissioner shall charge the applicant a fee in the amount of one-half percent of the outstanding principal balance of the energy loan.

ENERGY LOAN INSURANCE PROGRAM

8300.4020 SCOPE.

Parts 8300.0100 to 8300.0600 and 8300.4020 to 8300.4028 apply to applications for energy financial assistance from the energy loan insurance account made available by the authority under Minnesota Statutes, section 116M.11. Unless otherwise specified, parts 8300.4010 to 8300.4014 do not apply to energy financial assistance provided by the authority under parts 8300.4020 to 8300.4028.

8300.4021 DEFINITIONS.

Subpart 1. **Statutory terms.** The definitions in Minnesota Statutes, section 116M.03; parts 8300.0100 and 8300.4011; and this part, apply to parts 8300.4020 to 8300.4028.

Subp. 2. **Borrower.** "Borrower" means a business that submits or has submitted an application for an energy loan to a lender for a qualified energy project.

Subp. 3. **Claim.** "Claim" means a claim for reimbursement to the authority by a participating lender.

Subp. 4. **Default.** "Default" means the failure of the borrower to make a scheduled payment of principal and interest within 60

days of the date the payment is due or the breach by the borrower for more than 60 days after mailing of written notice of breach to the borrower by the lender of any material covenant in the note, loan agreement, or in any instrument securing the loan, or the determination that an adverse change has occurred in the borrower's ability to repay the insured loan.

Subp. 5. **Energy loan insurance.** "Energy loan insurance" means the direct insuring by the authority of an energy loan made by a lender under Minnesota Statutes, section 116M.11.

Subp. 6. **Lender.** "Lender" means either a participating lender or a financial institution that intends to submit an application to the authority to be a participating lender. For purposes of part 8300.4031, lender is not restricted to financial institutions participating in a loans-to-lender program.

Subp. 7. **Participating lender.** "Participating lender" means a financial institution that has been designated by the authority to participate in the energy loan insurance program.

Subp. 8. **Participating lender's agreement.** "Participating lender's agreement" means the agreement in the form prescribed by the commissioner under which a financial institution is designated as a participating lender.

8300.4022 APPLICATIONS FOR ENERGY LOANS SUBMITTED TO FINANCIAL INSTITUTIONS.

Subpart 1. **Contents of energy loan applications.** To apply for an energy loan under the energy loan insurance program, a borrower shall submit an application for an energy loan to a lender. The application must be completed, dated, and signed by an owner, general partner, or an authorized corporate officer and include the fee as required under part 8300.4012, subpart 1. The application must contain the information required under part 8300.3013.

Subp. 2. **Fees.** Lenders may require borrowers to pay application fees, origination fees, or commitment fees, only if these fees are normally required of the lender's other customers, and only if these fees do not exceed the usual and customary charges for similar loans to the lender's other customers. Any and all fees must be reported to the commissioner.

8300.4023 SUBMISSION OF APPLICATIONS FOR ENERGY LOAN INSURANCE.

Subpart 1. **Contents of applications by lenders.** Applications for energy loan insurance must be submitted by a lender to the commissioner on forms prescribed by the commissioner that must include the name of the lender, the name of the borrower, the total project cost, the amount and percentage of the insurance requested, the term of the loan, the interest rate, and amortization schedule, and other terms and conditions of the lender. The application must be completed, dated, and signed by a duly authorized officer of the lender. In addition, the following information must be submitted:

- A. a copy of the entire energy loan application submitted by the borrower to the lender;
- B. a certification and supporting documentation that the lender has determined the project to be economically feasible in accordance with generally accepted commercial lending practices;
- C. a signed letter of conditional commitment from the lender to make the energy loan subject to obtaining an energy loan insurance commitment from the authority;
- D. a statement of need from the lender that specifies reasons why the loan will not be made without energy loan insurance;
- E. an appraisal of collateral showing total retail value;
- F. a statement of informed consent signed by an authorized officer of the lender regarding the use and dissemination of the private data as provided in Minnesota Statutes, section 13.05, subdivision 4, paragraph (d); and
- G. a participating lender's agreement on a form provided by the commissioner in accordance with part 8300.4024 and signed by an authorized officer of the lender if the lender has not been previously designated a participating lender by the authority.

Subp. 2. **Review by commissioner.** Upon receipt of the application for insurance, the commissioner shall review the application in accordance with the procedures set forth in parts 8300.3013, except subpart 8, and 8300.4013.

Subp. 3. **Rejection of application.** If the application is found to be incomplete or the project is ineligible, technically or economically unfeasible, or is not cost-effective, upon review by the commissioner, the commissioner shall notify both the borrower and lender following the applicable procedures as prescribed in part 8300.3013, subpart 5. If the application is rejected for reasons other than ineligibility or completeness, the procedures as set forth in 8300.3013, subpart 3, shall be followed. Upon submission of a rejected application by the lender or borrower, the authority shall evaluate the application at its board meeting in accordance with part 8300.4014.

Subp. 4. **Authority evaluation procedure.** The authority shall review and consider approval of all submitted applications on the basis of effectuating the purposes of the act, as set forth in part 8300.4017, subpart 6.

If the authority approves or disapproves of the submitted application, it shall follow the procedures as set forth in part 8300.3013.

Subp. 5. **Preparation of documents.** The commissioner has the authority and responsibility to prepare or cause to be prepared all necessary documents and to execute them on behalf of the authority.

8300.4024 PARTICIPATING LENDER.

Subp. 1. **Eligibility.** In order to be eligible to receive energy loan insurance, a participating lender's agreement provided by the commissioner must be signed by an authorized officer of the lender. The agreement shall set forth the terms and conditions under which an energy loan is to be made and specifies procedures to be followed in the event of default by the borrower. In the event that the lender fails to comply in good faith with the provisions of the agreement and the lender's failure causes substantial harm to the authority, the authority may withdraw its insurance on the affected loans, remove the lender from the program without refunding any fees paid by the lender, or do both. The agreement must require the lender and the authority to conform to the following conditions:

A. The insured portion of any approved loan shall not exceed \$2,500,000 and the maximum term of any loan shall not exceed the average useful life of the improvement or 21 years, whichever is less.

B. The authority shall insure no more than 90 percent of an approved loan.

C. The lender shall make no provision to accelerate loan payments due to default or any other reason, without prior written approval from the commissioner.

D. The lender shall make no provision to subordinate any loan collateral to other liens against such property without prior written approval from the commissioner.

E. The lender shall not acquire any preferential collateral, surety, or insurance to protect its uninsured interest in a loan.

F. Collateral must be obtained for the full amount of the loan and must be prorated between the lender and the authority.

G. The lender shall require the borrower to adequately insure, maintain, and repair all collateral.

H. The authority shall not be liable for delinquency charges or late fees assessed against the borrower by the lender.

I. The lender shall review and approve qualified energy projects in accordance with generally accepted commercial lending practices.

J. The lender shall be responsible for servicing all loans it makes for qualified energy projects either directly or by contracting with a servicing agent.

K. The lender shall not sell or transfer any loan insured by the authority without prior approval from the commissioner.

L. The lender, for the term of the insured loan shall promptly notify the commissioner of any loan payments that are two weeks overdue. In addition, the lender must submit an annual loan performance report to the commissioner on a form provided by the commissioner.

M. The aggregate principal amount of loans insured by the authority may not at any time exceed ten times the amount of current reserves in the insurance account.

N. The authority shall not insure any loan that either carries an interest rate in excess of three points above the lender's prime rate or base rate for variable rate loans or more than three points above the interest rate of a full-faith-and-credit obligation of the United States government with a comparable maturity for a fixed rate loan.

O. The lender agrees not to make any amendments to the loan agreement after loan closing without the prior written approval of the authority.

P. The lender agrees to make no waivers of default without prior written approval from the authority.

Q. The authority shall not insure energy loans made by the lender prior to the execution of the participating lender's agreement, and the lender shall not disburse funds for an insured loan under this program without prior approval from the authority.

Subp. 2. **Designation of participating lender.** To designate a lender as a participating lender, the authority must pass a resolution designating the lender as a participating lender and authorizing the commissioner on behalf of the authority to execute the agreement which has been signed by an authorized officer of the lender.

8300.4025 PROCEDURES UPON DEFAULT.

The authority and lender shall follow the following procedures in the event of a loan default by the borrower:

A. The lender shall file with the commissioner, on forms provided by the commissioner, all claims for occurred losses within one year of the date of default.

KEY: PROPOSED RULES SECTION — Underlining indicates additions to existing rule language. ~~Strike outs~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **ADOPTED RULES SECTION** — Underlining indicates additions to proposed rule language. ~~Strike outs~~ indicate deletions from proposed rule language.

PROPOSED RULES

B. The authority is liable for not more than the agreed percentage of the sum of the unpaid principal and the accrued interest to the date the claim is filed.

C. In the event of default and claims by the lender arising from such default, the lender shall pursue in good faith all legal rights it may have against the borrower.

D. The authority may cure a default by making payment due to the lender within 30 days of the date of the default. Any payments made by the authority must be repaid by the borrower or deducted from any claims submitted by the lender in connection with a default by the borrower for whom the payment was made by the authority.

E. If the borrower or the authority does not cure the default within 60 days, then the loan must be accelerated.

F. Upon nonpayment of the accelerated loan, the lender may file a claim with the authority. The collateral must then be liquidated by the lender.

G. The authority shall receive a prorated share of all liquidation proceeds. Upon receipt the authority shall pay the claim of the lender.

8300.4026 APPLICATION AND CLAIM FORMS.

The commissioner must prepare application and claim forms for use by the lender and for the administration of the energy loan insurance program.

8300.4027 PRIOR COMMITMENT.

The authority may resolve to insure a loan prior to its execution or disbursement if there is a firm commitment by the lender to make the loan upon the authority's resolution to insure the loan. If the lender fails to enter into a loan agreement with the borrower within 90 days of the authority's resolution, the authority may reaffirm the resolution for an additional 90-day period if there has not been an adverse change in the application or lender.

8300.4028 REPORTS.

During the term of the insured loan, the borrower shall make written reports to the commissioner on forms approved by the commissioner regarding the acquisition, construction, installation, and operation of the qualified energy project on a schedule determined by the commissioner, but not less than annually.

The lender shall report to the commissioner any fees charged to the borrower for the energy loans within 30 days of the date on which the energy loan was closed.

Proposed Rules Relating to Licensing Fees

Notice of Intent to Adopt Rules without a Public Hearing

NOTICE IS HEREBY GIVEN that the Minnesota Commissioner of Health proposes to adopt Minn. Rules, pt. 4720.0015, establishing fees for review of plans relating to the construction, alteration or extension of public water supplies; and to amend Minn. Rules, pt. 4715.3150 and 4715.3160, establishing examination and licensing fees for plumbers; Minn. Rules pt. 4715.5900, establishing examination and licensing fees for water conditioning installers and contractors; Minn. Rules pt. 4630.2000, establishing licensing fees for manufactured home parks and recreational camping areas; Minn. Rules, pt. 4695.2900, establishing registration fees for sanitarians; Minn. Rules, pt. 4730.0600, establishing registration and inspection fees for ionizing radiation sources; Minn. Rules, pt. 4625.5000, establishing licensing fees for food and beverage establishments; and Minn. Rules, pt. 4625.2300, establishing licensing fees for lodging establishments. The Commissioner proposes to adopt and amend the above rules without a public hearing following the procedures set forth in Minnesota Statutes, sections 14.22 to 14.28. The specific statutory authority to adopt and amend the rules is as follows:

Plumbers, Minn. Stat. § 326.40;

Water Conditioning Installers and Contractors, Minn. Stat. § 326.60;

Manufactured Home Parks and Recreational Camping Areas, Minn. Stat. § 327.16, subd. 3;

Sanitarians, Minn. Stat. § 214.13, subd. 3;

Ionizing Radiation Sources, Minn. Stat. § 144.121;

Food, Beverage and Lodging Establishments, Minn. Stat. § 157.03; and

Review of Plans Relating to Public Water Supplies, Minn. Stat. § 144.383.

In addition to the specific authority cited above, the Commissioner of Health also has general authority pursuant to Minn. Stat. § 144.122 to prescribe fees for the issuance of original and renewal permits, licenses, registrations and certifications issued under her authority. Further, Minn. Stat. 16A.128, as amended by Minn. Laws, Ch. 13, § 101 (1985), provides that fees must be set or adjusted so the total fees nearly equal the sum of the appropriation for the accounts plus agency's general support costs, statewide indirect costs, and attorney general costs attributable to the fee function.

Persons interested in these rules shall have 30 days in which to submit comment in support of or in opposition to the proposed rule or amendments or any part or subpart of the rule or amendments, and comment is encouraged. Each comment should identify the portion of the proposed rule or amendment addressed, the reason for the comment, and any proposed change.

Any person may make a written request for a public hearing on the rule or amendments within the 30-day comment period. If 20 percent of the persons who will be required to pay the fees established by these rules submit to the agency during the 30-day comment period a written request for a public hearing on the proposed rule or amendment, a public hearing will be held unless a sufficient number withdraw their request. The number of requests for a hearing which would constitute 20 percent of the persons who will be required to pay the fees established by these rules is as follows:

<u>Type of Fee</u>	<u>20%</u>
Plumbers	1140
Water Conditioning Installers and Contractors	54
Registered Sanitarians	36
Mobile Home Parks and Recreational Camping Areas	210
X-Ray Facilities	1100
Food, Beverage and Lodging Establishments	1700
Public Water Supply Plan Review	200

Any person requesting a public hearing should state his or her name and address, and is encouraged to identify the portion of the proposed rule or amendment addressed, the reason for the request, and any proposed change. If a public hearing is required, the agency will proceed pursuant to Minnesota Statutes, sections 14.131 to 14.20.

Persons who wish to submit comments or a written request for a public hearing must submit such comments or request to:

Pauline Bouchard
Division of Environmental Health
Minnesota Department of Health
717 Delaware Street Southeast,
Minneapolis, Minnesota 55440
Telephone: (612) 623-5331

The proposed rule and amendments may be modified if the modifications are supported by the data and views submitted and do not result in a substantial change in the proposed rule and amendments as noticed.

A copy of the proposed rule and amendments is attached to this notice.

A Statement of Need and Reasonableness has been prepared and is available upon request from Pauline Bouchard at the above phone number and address. The statement describes the need for and reasonableness of each provision of the proposed rule and amendments, identifies the data and information relied upon to support the proposed rule and amendments, and contains the approval of the Commissioner of Finance.

The proposed rule and amendments will affect small businesses as they are defined in Minn. Stat. § 14.115, Subd. 1.

The adoption of new part 4720.0015, will require the expenditure of public moneys by local public bodies. The agency's statement of Need and Reasonableness contains the agency's reasonable estimate of the total cost to local public bodies in the state as a result of the State's implementation of the rule. There will be no implementation cost to local public bodies other than paying the fees.

If no hearing is required, upon adoption of the rule and amendments, the rule and the required supporting documents will be

Adopted Rule Relating to School Safety Patrol Members

The rule proposed and published at *State Register*, Volume 10, Number 4, pages 183-185, July 22, 1985 (10 S.R. 183) is adopted as proposed.

OFFICIAL NOTICES

Pursuant to the provisions of Minn. Stat. § 15.0412, subd. 6, an agency, in preparing proposed rules, may seek information or opinion from sources outside the agency. Notices of intent to solicit outside opinion must be published in the *State Register* and all interested persons afforded the opportunity to submit data or views on the subject, either orally or in writing.

The *State Register* also publishes other official notices of state agencies, notices of meetings, and matters of public interest.

Office of the Secretary of State

Annual Compilation of State Agencies: Notices of Vacancies (Application and Appointment Procedure)

The Secretary of State publishes here information about state agencies pursuant to Minn. State § 15.0597, subd. 3, and gives notice to the public of vacancies in these agencies now through January, 1986. Vacancies are indicated by a single asterisk (*). Application forms may be obtained at the Office of the Secretary of State, Open Appointments Section, 180 State Office Building, St. Paul, MN 55155-1299; (612) 296-2805. Application deadline is November 26, 1985.

Laws of 1984, Chapter 654, requires certain agencies, "By 1985 must include at least one member, 60 years of age or over. At least one of the members over 60 shall not be actively engaged in or retired from an occupation, profession or industry, if any to be regulated. If not appointed by 1985, then such a member shall be appointed when a vacancy occurs on or after July 1, 1985". These agencies are indicated by two asterisks (**).

Information for this report was supplied by the various multi-member agencies on or before September 15, 1985.

"Appointments pending" indicates that no notice of appointment was received prior to September 15, 1985.

Review Schedule: Metropolitan Significance Review, Mall of America and Fantasyworld

The Metropolitan Council has initiated a metropolitan significance review of the Mall of America and Fantasyworld project proposed to be located in Bloomington. Council staff is preparing a significance review report on this project, which will be the subject of a public hearing to be conducted by the Council's Metropolitan Significance Review Committee. Under the Minn. Stat. rules, the committee makes a recommendation to the Council as to whether the project is of metropolitan significance and, if so, whether any modification or remedies are appropriate.

The following is a tentative schedule for review of the metropolitan significance review report on the project.

Nov. 8, 1985	Metropolitan significance review report released.
Nov. 20, 1985	Public hearing begins.

- Dec. 2, 1985 Hearing record closes.
- Dec. 9, 1985 Significance Review Committee reviews hearing report and recommends adoption of final report and recommendations to Council.
- Dec. 17, 1985 Metropolitan Council adopts final report and recommendations.

This schedule is tentative and subject to change. A subsequent notice of public hearing will be published. If you have questions regarding the schedule or the report, call Pat Pahl of the Council's comprehensive planning staff at 291-6407.

The public hearing is to consider proposed modifications to the sentencing guidelines regarding the ranking for bid rigging/collusive bidding and simplification of decay factor procedures.

Copies of the proposed modifications are available free of charge, by contacting the Minnesota Sentencing Guidelines Commission at 51 State Office Building, St. Paul, MN 55155, or by calling (612) 296-0144.

All interested persons are encouraged to attend the hearing and offer comments. Persons wishing to speak may register in advance by contacting the Commission staff at the above address/phone number.

The Commission will hold the record open for five days after the public hearing to accept additional written comment on the proposed modifications. On December 12, 1985, the Commission will meet to formally adopt or reject the proposed modifications. If adopted, the modifications will become effective August 1, 1986, absent legislative action to the contrary, and will have the same force and effect as the language it is replacing.

Proposed Modifications

Section B (Criminal History) is modified as follows:

The offender's criminal history index score is computed in the following manner:

1. Subject to the conditions listed below, the offender is assigned one point for every felony conviction for which a felony sentence was stayed or imposed before the current sentencing or for which a stay of imposition of sentence was given before the current sentencing.

a. When multiple sentences for a single course of conduct were imposed pursuant to Minn. Stats. §§ 609.585 or 609.251, the offender is assigned one point;

b. An offender shall not be assigned more than two points for prior multiple sentences arising out of a single course of conduct in which there were multiple victims;

c. When a prior felony conviction resulted in a misdemeanor or gross misdemeanor sentence, that conviction shall be counted as a misdemeanor or gross misdemeanor conviction for purposes of computing the criminal history score, and shall be governed by item 3 below;

d. ~~When a prior felony conviction results in a stay of imposition, and when that stay of imposition was successfully served, it shall be counted as a felony conviction for purposes of computing the criminal history score for five years from the date of discharge, and thereafter shall be counted as a misdemeanor under the provisions of item 3 below;~~

e d. Prior felony sentences or stays of imposition following felony convictions will not be used in computing the criminal history score if a period of ~~ten~~ fifteen years has elapsed since the date of discharge from or expiration of the sentence, to the date of the current offense, of any subsequent misdemeanor, gross misdemeanor or felony, provided that during the period the individual had not received a felony, gross misdemeanor, or misdemeanor sentence whether stayed or imposed.

Section B.3. (Criminal History) is modified as follows:

3. Subject to the conditions listed below, the offender is assigned one unit for each misdemeanor conviction and two units for each gross misdemeanor conviction (excluding traffic offenses with the exception of DWI and aggravated DWI offenses when the current conviction offense is criminal vehicular operation) for which a sentence was stayed or imposed before the current sentencing. Four such units shall equal one point on the criminal history score, and no offender shall receive more than one point for prior misdemeanor or gross misdemeanor convictions.

OFFICIAL NOTICES

a. Only convictions of statutory misdemeanors or ordinance misdemeanors that conform substantially to a statutory misdemeanor shall be used to compute units.

b. When multiple sentences for a single course of conduct are given pursuant to Minn. Stat. § 609.585, and the most serious conviction is for a gross misdemeanor, no offender shall be assigned more than two units.

c. Prior misdemeanor and gross misdemeanor sentences will not be used in computing the criminal history score if a period of five years has elapsed since the date of discharge from or expiration of the sentence to the date of offense of any subsequent misdemeanor, gross misdemeanor, or felony, provided that during the period the individual had not received a felony, gross misdemeanor, or misdemeanor sentence, whether stayed or imposed.

d. A prior misdemeanor or gross misdemeanor sentence shall not be used in computing the criminal history score if a period of ten years has elapsed since the offender was adjudicated guilty for that offense. However, this does not apply to misdemeanor sentences that result from successful completion of a stay of imposition for a felony conviction.

Proposed change to Section V., Offense Severity Reference Table is as follows:

VII. Price Fixing/Collusive Bidding—325D.53

Teachers Retirement Association

Meeting Notice

The Board of Trustees, Minnesota Teachers Retirement Association will hold a meeting on Wednesday, November 20, 1985, at 9 a.m. in Room 302, Capitol Square Building, 550 Cedar Street, St. Paul, Minnesota to consider matters which may properly come before the Board.

STATE CONTRACTS

Pursuant to the provisions of Minn. Stat. § 16.098, subd. 3, an agency must make reasonable effort to publicize the availability of any consultant services contract or professional and technical services contract which has an estimated cost of over \$2,000.

Department of Administration procedures require that notice of any consultant services contract or professional and technical services contract which has an estimated cost of over \$10,000 be printed in the *State Register*. These procedures also require that the following information be included in the notice: name of contact person, agency name and address, description of project and tasks, cost estimate, and completed contract proposal. Certain quasi-state agencies are exempted from some of the provisions of this statute.

Commodities contracts with an estimated value of \$5,000 or more are listed under the Procurement Division, Department of Administration. All bids are open for 7-10 days before bidding deadline. For bid specifics, time lines, and other general information, contact the appropriate buyers by calling 296-6152. If the appropriate buyer is not available, contact Harvey Leach or Barbara Jolly at 296-3779.

Department of Energy and Economic Development Energy Division

Request for Proposals for Biomass Processing into Solid Fuel Forms and Subsequent Solid Fuel Test Burns

The Minnesota Department of Energy and Economic Development, Energy Division (DEED/Energy) is requesting proposals from firms interested in working with DEED/Energy on a project to undertake various activities preparatory and leading to (1) the processing of bundles of small-diameter trees into wood chips, wood chunks, and wood pellets, and (2) conducting of test burns using the aforementioned solid fuels in some widely used residential, commercial, and industrial furnaces. The objective of this project is to complete the ground work for the documenting of the technical and economic feasibility of (a) chipping and chunking of 8-10 inch bundles of 2-year old trees, (b) processing the juvenile biomass into wood pellets, and (c) burning the biomass in some widely used residential, commercial, and industrial solid fuel furnaces. Results of this project are anticipated to facilitate the actual execution of the aforementioned technical activities.

Proposals are being requested from qualified firms with experience in arranging for the processing of small diameter trees into various solid fuel forms and in conducting solid fuel test burns.

The formal Request for Proposals (RFP) may be obtained from, and inquiries should be directed to:

Narciso M. Mindajao
Department of Energy and Economic Development
Energy Division
900 American Center Building
150 East Kellogg Boulevard
St. Paul, Minnesota 55101
Phone: 612/297-1406

Funds available for this project are in the amount of \$12,000.

The deadline for the submission of complete proposals will be 4:30 p.m., November 22, 1985.

Housing Finance Agency

Request for Proposals for the Feasibility of Using Home Equity Conversion Plans to Finance the Purchase of Long-Term Health Care or Long-Term Health Care Insurance

The Minnesota Housing Finance Agency (Agency) is conducting a study of the feasibility of using home equity conversion plans to finance the purchase of long-term health care or long-term health care insurance. In order to obtain assistance in conducting this study, the Agency has authorized consultant contracts. The remainder of this request for proposals describes what should be included in these contracts.

The Agency, by this request for proposals, does not promise to accept the lowest cost and specifically reserves the right to reject any or all proposals, to waive any formal proposal requirements, to investigate the qualification and experience of any proposer, to reject any provisions in any proposal, to obtain new proposals, to negotiate the requested services in contract terms with any proposers, or to proceed to do the work otherwise. Proposals not sufficiently detailed or in an unacceptable form may be returned for completion or may be rejected by the Agency.

All proposals received no later than 5 p.m., on November 22, 1985, will be considered by the Agency. Joint proposals as well as those which address only a portion of the work will be considered by the Agency. In the event that a proposal or proposals are accepted, the Agency will notify the successful proposer or proposers in writing within five (5) days following its decision to accept the proposal.

PROJECT GOAL

The goal of this project is to study and report to the Minnesota State Legislature concerning the feasibility of home equity conversion plans as a means to finance either long-term health care or the purchase of long-term health care insurance.

PROJECT TASKS

- I. This study must examine and provide recommendations concerning the following:
 - A. Methods of encouraging participation, including public subsidy mechanisms;
 - B. The characteristics of target populations;
 - C. Federal, state, and local legislative and regulatory barriers;
 - D. The role of the medical-assistance program, insurance carriers, and other forms of health care coverage, lending institutions, employers, investors, consumer groups, and other programs and interests;
 - E. Estimates of demand and participation;
 - F. Estimates of cost;
 - G. Methods of addressing adverse selection; and
 - H. Other considerations affecting the desirability and feasibility of home equity conversion plans to finance long-term health care or the purchase of long-term health care insurance.
- II. In addition to the information required above, the report must include recommendations concerning the value of a project to demonstrate the use of home equity conversion to finance either long-term health care or the purchase of long-term health care

STATE CONTRACTS

insurance. If the report recommends establishing a demonstration program, the report must include recommendations for designing, implementing, and funding the project. Responders may provide additional tasks or activities if they will substantially improve the results of the project.

Preliminary drafts of the report must be delivered to the Agency by January 24, 1986.

The contents of the proposal document should include the following: (1) description of the proposed services and products; (2) proposed period of performance; and (3) requested compensation for proposed services.

The following material should be placed in appendices or in a separate document: (1) related experience; (2) qualifications and resumes of key personnel assigned to the project and their respective responsibilities for the project; and (3) references from at least three previous clients.

SELECTION CRITERIA

The following criteria will be used to select a consultant:

1. Consultant's experience and professional competence in the area of home equity conversion;
2. Consultant's experience and professional competence in the area of long-term health care financing issues;
3. Appropriateness of the suggested method for completing the work;
4. Ability of the consultant to complete the work;
5. Previous experience in completing similar or related projects; and
6. Completeness of the proposal and demonstrated grasp of the work to be done.

MAXIMUM COMPENSATION AND MANNER OF PAYMENT

The maximum compensation has not yet been determined and will be based upon the scope of the work proposed by the consultants. Prices and terms of the proposal as stated must be valid for the length of the project. Cost estimates are approximately \$60,000; but this is negotiable.

AGENCY CONTACTS

Prospective responders who have any questions regarding this request for proposal may write or call Monte Aaker, Director of Research, Minnesota Housing Finance Agency, 400 Sibley Street, Suite 300, St. Paul, Minnesota 55101-1998, (612) 296-8208.

SUBMISSION OF PROPOSALS

Proposals must be sent to the attention of Monte Aaker, Director of Research, Minnesota Housing Finance Agency, 400 Sibley Street, Suite 300, St. Paul, Minnesota 55101-1998. Please submit three (3) copies of the proposal. The proposal is to be typed and sealed in a mailing envelope with the responders name and address clearly written on the outside.

Department of Jobs and Training Division of Rehabilitation Services

Applications Accepted for Supported Employment Project Advisory Committee

The Department of Jobs and Training, Division of Rehabilitation Services, is accepting applications for a committee to advise the director of a statewide project of Supported Employment. The project is being funded by an initial \$484,626 grant from the Office of Special Education and Rehabilitation Services and funding is expected to continue for a period of five years.

Requests for applications and completed applications should be sent to the Department of Jobs and Training, Division of Rehabilitation Services, Fifth Floor, 390 No. Robert Street, St. Paul, Minnesota 55101 to the attention of Joann Benesh.

Applications must be received on or before November 15, 1985.

State Designer Selection Board

Request for Proposals for State Projects

TO ARCHITECTS AND ENGINEERS REGISTERED IN MINNESOTA:

The State Designer Selection Board has been requested to select designer two projects. Design firms who wish to be considered for this project should submit proposals on or before 4:00 p.m., November 26, 1985, to George Iwan, Executive Secretary, State Designer Selection Board, Room G-10, Administration Building, St. Paul, Minnesota 55155-1495.

The proposal must conform to the following:

1. Six copies of the proposal will be required.
2. All data must be on 8½" × 11" sheets, soft bound.
3. The cover sheet of the proposal must be clearly labeled with the project number, as listed in number 7 below, together with the designer's firm name, address, telephone number and the name of the contact person.
4. The proposal should consist of the following information in the order indicated below:
 - a) Number and name of project.
 - b) Identity of firm and an indication of its legal status, i.e. corporation, partnership, etc.
 - c) Names of the persons who would be directly responsible for the major elements of the work, including consultants, together with brief descriptions of their qualifications. If the applicant chooses to list projects which are relevant in type, scale, or character to the project at hand, the person's role in the project must be identified.
 - d) A commitment to enter the work promptly and to assign the people listed in "C" above and to supply other necessary staff.
 - e) A list of design projects in process or completed in the three (3) years prior to the date of this request for agencies or institutions of the State of Minnesota, including the University of Minnesota, by the firm(s) listed in "b" together with the approximate fees associated with each project.
 - f) A section of not more than fourteen (14) faces containing graphic material (photos, plans, drawings, etc.) as evidence of the firm's qualification for the work. The graphic material must be identified. It must be work in which the personnel listed in "c" have had significant participation and their roles must be clearly described.

The proposal shall consist of no more than twenty (20) faces. Proposals not conforming to the parameters set forth in this request will be disqualified and discarded without further examination.

5. In accordance with the provisions of Minnesota Statutes, 1981 Supplement, Section 363.073; for all contracts estimated to be in excess of \$50,000, all responders having more than 20 full-time employees at any time during the previous 12 months must have an affirmative action plan approved by the Commissioner of Human Rights before a proposal may be accepted. Your proposal will not be accepted unless it includes one of the following:

- a) A copy of your firm's current certificate of compliance issued by the Commissioner of Human Rights; or
 - b) A statement certifying that your firm has a current certificate of compliance issued by the Commissioner of Human Rights; or
 - c) A statement certifying that your firm has not had more than 20 full-time employees in Minnesota at any time during the previous 12 months.
6. Design firms wishing to have their proposals returned after the Board's review must follow one of the following procedures:
- a) Enclose a self-addressed stamped postal card with the proposals. Design firms will be notified when material is ready to be picked up. Design firms will have two (2) weeks to pick up their proposals, after which time the proposals will be discarded.
 - b) Enclose a self-addressed stamped mailing envelope with the proposals. When the Board has completed its review, proposals will be returned using this envelope.

In accordance with existing statute, the Board will retain one copy of each proposal submitted.

Any questions concerning the Board's procedures or their schedule for the project herein described may be referred to George Iwan at (612) 296-4656.

7a) PROJECT—21-85
Lower Level Finishing
Earle Brown Center
University of Minnesota
St. Paul, Minnesota

The project consists of completing approximately 8,500 gross square feet of unfinished shell space on the lower level of the Earle Brown Center located on the St. Paul Campus, University of Minnesota. The estimated construction cost is approximately \$385,000.00. The major components of the project consist of:

- a) Meeting Room (approximately 2,200 ASF)—Room to be divisible into three areas. To be designed and equipped as origination/receiving site for live and taped television productions.

STATE CONTRACTS

b) Technology Laboratory (1,400 ASF)—Instructional space for “hands on” work with sophisticated audio visual equipment.

The balance of the project will consist of a control room, storage rooms, and office areas. Design is to be compatible with existing design.

Questions concerning this project may be referred to Clint Hewitt at 373-2250.

7b) PROJECT—22-85

Mechanical Heating Conversion Minnesota Academy for the Deaf Faribault, Minnesota

Project Scope: Design the conversion and document this conversion thru the preparation of:

- a) Design and cost estimates,
- b) plans and specifications,
- c) bidding, and
- d) administration of the project thru the construction phase.

A study was prepared in 1984, which established the economic feasibility for the project.

Purpose and Type of Project: To improve the efficiency of mechanical heating system for the entire school.

Site: The existing mechanical building and other items related to this conversion throughout the campus.

Appropriation: \$515,200.00; engineering fees at 8%.

Program Summary: To convert the present high steam system to low pressure steam, that includes the following:

- a) Converting boiler plant
- b) Modifications to steam piping
- c) Modifications of steam consuming apparatus

The most significant change is the installation of larger steam piping throughout the underground tunnel distribution systems.

This heating system was installed in 1958 and consists of:

- a) 2—12,500 lb/hr Bros, Incorporated water tube boilers equipped for natural gas and #5 fuel oil.
 - 1—6700 lb/hr gas and #5 fuel oil fired Kewanee Scotch Marine Boiler.
- b) Total installed boiler capacity 394 boiler horsepower.
- c) Controls and instrumentations are adequate for current operation.

Designer Responsibilities: The consulting engineer will be responsible for:

- a) Verification of the existing system and documentation of same, to the extent required to note all changes to mechanical, electrical systems as well as general construction.
- b) The production of all design documentation on the project.
 - 1. Preliminary schematics
 - 2. Cost estimates
 - 3. Project design
 - 4. Bid drawings and specification
 - 5. Bid evaluation
 - 6. Preparation of reports during contract administration.

Planning and Construction Schedule: Planning should begin in the fall of 1985. System conversion shall be operational in the Fall of 1986.

Notice of Proposed Debarment of James Russell Tow and Opportunity for Hearing

Pursuant to Laws 1984, Chapter 654, Article 2, Section 8 and Minnesota Rule 1230.3200, the Commissioner of Transportation proposes to disqualify you from receiving Minnesota Department of Transportation contracts and from serving as a subcontractor or material supplier under a Mn/DOT contract.

The debarment is proposed because you were convicted of bidrigging under Minn. Stat. Chapter 325D. in District Court at Fairmont, Martin County Minnesota, on November 5, 1984. Bidrigging is a contract crime as defined in Minnesota Rule 1230.3100, Subpart 5.

Rule 1230.3200, Grounds For Debarment states:

Subpart 1. Contract crime. A business must be debarred upon conviction in any jurisdiction, of the business or a principal of the business, for commission of a contract crime or when a conviction is imputed to the business under part 1230.3300.

You may request a hearing under Minnesota Statutes, Chapter 14, by submitting a written request for a hearing to Leo A. Korth, Minnesota Department of Transportation, Transportation Building, Room 612D, John Ireland Boulevard, St. Paul, Minnesota 55155 by November 18, 1985. If you request a hearing, an Administrative Law Judge will be appointed by the Chief Administrative Law Judge of the Office of Administrative Hearings to recommend to the Commissioner of Transportation whether there are grounds for debarment and the period of the debarment.

If you do not request a hearing within 20 days from the date of this notice the allegations in this notice will be considered true and you will be debarred for a period of 52 days, effective October 28, 1985, through and including December 18, 1985.

Notice of Suspension Order to: James Russell Tow

Pursuant to Laws 1984, Chapter 654, Article 2, Section 8 and Minnesota Rule 1230.4200 you are suspended and disqualified from entering into or receiving a Minnesota Department of Transportation (Mn/DOT) contract and from serving as a subcontractor or supplier of materials or services under such a contract for a period of 60 days from the date of this order

Minnesota Rule 1230.3100, Subpart 9. states:

Subp. 9. Mn/DOT contract. "Mn/DOT contract" means a written instrument:

A. containing the elements of offer, acceptance, and consideration to which the Minnesota Department of Transportation is a party, or acts as an agent for a party under Minnesota Statutes, section 161.36, subdivisions 2 and 3, 360.016, subdivisions 2 and 3, or 360.039, subdivisions 2 and 3;

B. for which competitive bids are required or taken; and

C. which is subject to the approval of the commissioner.

Minnesota Rule 1230.4200, Subpart 1. states:

Order of suspension. The commissioner of transportation shall suspend a person or business by order upon receiving notice or learning of a conviction for conduct described in part 1230.3200 or upon receiving evidence of an affiliation described in part 1230.3600, subpart 2.

1. You are suspended because you were convicted of bidrigging under Minnesota Statutes Chapter 325D in District Court at Fairmont, Martin County, Minnesota on November 5, 1984.

Debarment proceedings against you will begin within 10 days.

Deputy Commissioner

Department of Transportation

Notice of Suspension Order to: Tow Brothers Construction Company

Pursuant to Laws 1984, Chapter 654, Article 2, Section 8 and Minnesota Rule 1230.4200 you are suspended and disqualified from entering into or receiving a Minnesota Department of Transportation (Mn/DOT) contract and from serving as a subcontractor or supplier of materials or services under such a contract for a period of 60 days from the date of this order.

Minnesota Rules 1230.3100, Subpart 9. states:

Subp. 9. Mn/DOT contract. "Mn/DOT contract" means a written instrument:

A. containing the elements of offer, acceptance, and consideration to which the Minnesota Department of Transportation is a party, or acts as an agent for a party under Minnesota Statutes, section 161.36, subdivisions 2 and 3, 360.016, subdivisions 2 and 3, or 360.039, subdivisions 2 and 3;

B. for which competitive bids are required or taken; and

C. which is subject to the approval of the commissioner.

Minnesota Rule 1230.4200, Subpart 1. states:

Order of suspension. The commissioner of transportation shall suspend a person or business by order upon receiving notice or learning of a conviction for conduct described in part 1230.3200 or upon receiving evidence of an affiliation described in part 1230.3600, subpart 2.

1. You are suspended because you were convicted of bidrigging under Minnesota Statutes Chapter 325D in District Court at Fairmont, Martin County, Minnesota on November 5, 1984.

Debarment proceedings against you will begin within 10 days.

October 25, 1985

R. J. McDonald
Deputy Commissioner

Department of Transportation

Request for Proposals to Conduct a Set of Focus Group Sessions

The Department of Transportation (Mn/DOT) is seeking proposals from individuals or organizations that have expertise in the use of a concept called Focus Groups to hold structured brainstorming sessions to identify useful application of microprocessor technologies to providing transportation services; to train Mn/DOT personnel to conduct effective Focus Group sessions on its own; to demonstrate the value of Focus Groups for possible future sessions on other topics.

The cost of the project is not expected to exceed \$10,000.00.

Inquiries and formal Request for Proposal documents should be directed to:

Richard A. Stehr, Director
Office of Transportation Information and Support
Rm. 820 Transportation Building
John Ireland Boulevard
St. Paul, Minnesota 55155
Telephone 612-296-7968.

All proposals must be received by December 1, 1985.

Waste Management Board

Request for Proposals to Provide Technical and Financial Review of Applications for Hazardous Waste Reduction Grants

The Request for Proposals does not obligate the Waste Management Board (Board) to complete the project and the Board reserves the right to cancel the solicitation.

The State of Minnesota, Waste Management Board requests the submission of proposals to provide the Board with professional services in the technical and financial review of applications for hazardous waste reduction study grants. Ability to provide both technical and financial review services is required.

A. Description of Hazardous Waste Reduction Grant Program.

The Board was authorized by the 1984 Minnesota State Legislature to make grants to generators of hazardous waste for studies to determine the feasibility of applying specific methods and technologies to reduce the generation of hazardous waste. The Board is required to "select proposals that offer the greatest opportunity to significantly reduce the generation of hazardous waste and, if applied generally, to significantly reduce the generation of hazardous waste in the state."

The program has been active for approximately one year. Studies funded under the first round of the program are currently being conducted by the grant recipients.

STATE CONTRACTS

A brochure announcing the availability of grants for the second year of the program was distributed in September, 1985 to generators, associations, and other interested parties. Approximately 3,500 brochures were distributed. A Procedures Manual and Application Form booklet has also been prepared. This booklet outlines the procedures to be followed in applying for a grant.

B. Scope of Work.

Professional services to review and evaluate grant applications, as well as review progress and final reports of funded studies, will be necessary for the period January 1986-April 1987. The major time requirement will occur between January 15, 1986, the deadline for receipt of grant applications, and April 1986, at which time Board action on grant applications is anticipated.

Evaluation of grant applications will include consideration of the technical and economic feasibility of the study proposal, as well as the technical and financial capability of the applicant to successfully undertake the proposed study. Comparative evaluation among proposals and a ranking of applications may be required. Assistance in establishing the eligibility of the applicant (as defined in formal rules which govern the program) and the completeness of applications is also required.

A written evaluation of the eligibility and completeness of the applications as well as the technical and economic feasibility of the proposed study will be necessary. Oral reports will also be required, including presentations before the Board. Participation in interviews with grant applicants is also expected to be necessary.

C. Consultant Qualifications.

Prospective contractors should provide information on their background in the following areas:

—Expertise and experience in analyzing the technical feasibility of hazardous waste reduction methods and technologies. This will include the qualifications of the specific personnel to be assigned to the project.

—Expertise and experience in assessing the economic feasibility of hazardous waste reduction methods and technologies, and corporate financial analysis. This will include the qualifications of the specific personnel to be assigned to the project.

—Expertise and experience in the review and/or preparation of technical feasibility studies in general (i.e. not related to hazardous waste reduction).

—Ability and experience of the specific personnel to be assigned to the project to interpret and communicate technical and financial material, both orally and in writing.

Prospective contractors should address their specific ability and background in each of these areas. Staff to be assigned to the project must be identified and their qualifications included in the proposal. The Board requests that all responses be as brief and concise as possible and address only those issues of qualification identified above.

D. Project Costs.

The total cost to provide the necessary services will in large part depend upon the number of grant applications submitted to the Board. For the purpose of this request for proposals, prospective contractors are asked to submit a budget based on their estimated cost to review one (1) grant application based on the following seven (7) items.

Applications received during the first round of the program averaged approximately 45 pages. The description of the technical and economic feasibility of the proposed project averaged approximately 20 pages. Additional material submitted with each application included information on the qualifications of the applicant and consultant who would undertake the study, and financial data on the applicant. Five applications were received during the first round. It is anticipated that five to eight applications will be received during the second round.

Compensation estimates should be based on the time necessary to review an application, prepare written materials, and be available at the meetings described below. Hourly billing rates for the individuals assigned to the project should also be included with the budget. Expenses should reflect only travel (coach air fare) and subsistence expenses necessary to perform the services required under this project. All meetings will be held in the Minneapolis-St. Paul metropolitan area.

Item	Compensation	Expenses
1) Procedures Meeting (preliminary meeting to discuss grant application review procedures)	\$ _____	\$ _____
2) Review of Grant Applications (eligibility, completeness, technical and economic feasibility, corporate financial analysis)	_____	_____
3) Consultation with staff (generally phone conversations)	_____	_____
4) Attendance and participation in interviews with grant applicants	_____	_____
5) Attendance at Board meeting to present results of review of grant applications.	_____	_____

- 6) Attendance at Board meeting at which decision on grant applications will be made _____
- 7) Review of interim and final reports to be prepared by grant recipients (assume two interim and a final report per recipient) _____

Prospective contractors should be aware that additional meetings and tasks other than those identified above may be necessary. Additional meetings, if necessary, may be called on short notice. However, for the purpose of preparing a budget in response to this RFP, the budget should reflect the cost to provide only those services outlined for the seven (7) items.

E. Evaluation of Proposals.

All proposals received by the deadline will be evaluated by the Board. It is anticipated that interviews of selected prospective contractors will be required as part of the evaluation process.

Proposals will be judged based on the following factors:

- proven ability to provide professional services in the review of the technical and economic feasibility of hazardous waste reduction methods and technologies.
- proven ability to prepare and evaluate the technical and economic feasibility of hazardous waste reduction alternatives.
- proven ability to conduct corporate financial analysis.
- proven ability to provide professional services in the review and/or preparation of technical feasibility studies not related to hazardous waste reduction
- qualifications of the specific personnel to be assigned to the project.
- estimated cost to provide the services as outlined in part D of this notice.

F. Submission of Qualifications and Proposal

One (1) copy (easily reproducible) of the proposal must be received by the Board by the close of business (4:30 p.m.) on Friday, November 22, 1985. The proposals should be sent to:

Kenneth Stabler
Hazardous Waste Planner
Minnesota Waste Management Board
123 Thorson Community Center
7323 58th Avenue North
Crystal, Minnesota 55428

Questions may be addressed to Mr. Stabler or Mr. Wayne Sames at (612) 536-0816.

STATE GRANTS

In addition to requests by state agencies for technical/professional services (published in the State Contracts section), the *State Register* also publishes notices about grant funds available through any agency or branch of state government. Although some grant programs specifically require printing in a statewide publication such as the *State Register*, there is no requirement for publication in the *State Register* itself.

Agencies are encouraged to publish grant notices, and to provide financial estimates as well as sufficient time for interested parties to respond.

Higher Education Coordinating Board

Request for Proposals for Enterprise Development Partnerships

The Higher Education Coordinating Board is requesting proposals for the development and operation of enterprise development centers in two or more Minnesota communities. Centers shall provide local entrepreneurs with intensive management and technical assistance as well as a direct link to financing sources in order to increase the success rate of new businesses in the communities.

Proposers should represent a coalition of education, business, financial and government leaders representing all available resources in the community that can assist entrepreneurs.

STATE GRANTS

Grants to operate the centers will not exceed \$180,000 for the time period January 1, 1986 through June 30, 1987. A local match will be required.

Proposals must be submitted by December 4, 1985, no later than 4:30 p.m.

Proposals and requests for copies of the Request for Proposals should be directed to:

Administrative Services
Minnesota Higher Education Coordinating Board
400 Capitol Square Building
550 Cedar Street
St. Paul, Minnesota 55101
612/296-9586

NON-STATE PUBLIC CONTRACTS

The *State Register* also serves as a central marketplace for contracts let out on bid by the public sector. The *Register* meets state and federal guidelines for statewide circulation of public notices. Any tax-supported institution or government jurisdiction may advertise contracts and requests for proposals from the private sector.

It is recommended that contracts and RFPs include the following: 1) name of contact person; 2) institution name, address, and telephone number; 3) brief description of project and tasks; 4) cost estimate; and 5) final submission date of completed contract proposal. Allow at least three weeks from publication date (four weeks from date article is submitted for publication). Surveys show that subscribers are interested in hearing about contracts for estimates as low as \$1,000. Contact the editor for further details.

Minnesota Counties Computer Cooperative

Request for Proposals for Maintenance and Support of Software Products

The Minnesota Counties Computer Cooperative (MCCC), a joint powers organization with fifty-one member counties, is soliciting proposals from qualified firms for maintenance and support of financial and general government software products used by Minnesota counties which use IBM Systems 34 and 36. All inquiries regarding this Request for Proposals must be directed to:

Joel Oliver, Executive Director
Minnesota Counties Computer Cooperative
555 Park Street, Suite 300
St. Paul, Minnesota 55103
612/224-3344

The deadline for proposals to be submitted to the MCCC is February 3, 1986, with the project expected to start around July 1, 1986.

TAX COURT

Pursuant to Minn. Stat. § 271.06, subd. 1, an appeal to the tax court may be taken from any official order of the Commissioner of Revenue regarding any tax, fee or assessment, or any matter concerning the tax laws listed in § 271.01, subd. 5, by an interested or affected person, by any political subdivision of the state, by the Attorney General in behalf of the state, or by any resident taxpayer of the state in behalf of the state in case the Attorney General, upon request, shall refuse to appeal. Decisions of the tax court are printed in the *State Register*, except in the case of appeals dealing with property valuation, assessment, or taxation for property tax purposes.

State of Minnesota Tax Court Regular Division

**The Southland Corporation, Appellant, v. The Commissioner of Revenue, Appellee,
Docket Nos. 4136, 4137 and 4138**

Findings of Fact, Conclusions of Law, and Order for Judgement Dated October 18, 1985

The above matter was submitted to the Minnesota Tax Court, Judge Carl A. Jensen, on the basis of a Stipulation of Facts and briefs submitted by the parties.

Thomas H. Goodman, Attorney with Grossman, Karlins, Siegel and Brill, represented the appellant.

Amy Eisenstadt, Special Assistant Attorney General, represented the appellee.

Syllabus

The electricity used by appellant in its 7-Eleven Stores for the production of items for sale, such as coffee, soft drinks, Slurpee, and items to be heated in microwave ovens, is not exempt from sales tax.

Findings of Fact

1. The case captioned above is one of three appeals brought by appellant from Commissioner's Orders assessing additional sales tax (Docket Nos. 4136, 4137 and 4138). Each appeal relates to a separate geographical grouping of taxpayer's stores within the state, called a "district" by the taxpayer. Each district has its own Minnesota Tax identification number. Sales and Use Tax Returns are filed separately for each district and each district was and is subject to separate audit, assessment and appeal.

TAX COURT

2. An Order for each of the districts involved was issued May 18, 1984, for the period of July 1, 1982 through September 30, 1983. Additional sales tax, plus statutory interest, was assessed as follows:

a) New Hope District (Dkt. No. 4136)	\$12,908.67
b) West St. Paul District (Dkt. No. 4137)	28,889.38
c) Wisconsin District (Dkt. No. 4138)	<u>5,435.75</u>
	\$47,233.80

3. Appellant is a three billion dollar Texas corporation with over eleven billion in revenue. Its business activities are international in scope and are divided into four related groupings or segments:

(a) The "stores" segment includes over 7,299 domestic 7-Eleven Convenience Stores which constitute taxpayer's primary business, as well as regional distribution centers which support those stores. More than 7,000,000 people each day shop at 7-Eleven Stores. Other operations of the "stores" segment include other types of retail outlets, such as grocery supermarkets and Super-7 high volume, self-service gasoline outlets.

(b) The gasoline refining and supply segment includes the refining, marketing and transportation of petroleum products, and wholesale distribution of petroleum products to 7-Eleven Stores as well as other customers.

(c) The dairies segment which processes and distributes dairy products for sale in 7-Eleven Stores and elsewhere. Appellant markets its dairy products in all 50 states.

(d) The special operations segment manufactures food ingredients and specialty chemicals for the food industry, operates over 300 auto parts stores, produces high-security cash-dispensing devices, operates an ice company that sells commercial and packaged block and processed ice in eight states, and operates other food manufacturing facilities among other business operations.

4. There are 75 7-Eleven Stores in Minnesota involved in this appeal. Each store has approximately 2,400 square feet of space and the majority of stores are typically operated with one employee on duty at a time, although a few of the busy stores have two and some even three employees on duty at any given time.

5. The employee on duty at the 7-Eleven Store is responsible for stocking merchandise, ringing sales at the cash register, logging-in deliveries to the store, supervising the self-service gasoline pumping and sales, cleaning the store and, in general, all activities involving the store and its operation.

6. The average amount of tax at issue for the period in question is approximately \$15.00 per store per month.

7. The 7-Eleven Stores sell a wide variety of convenience items, including wearing apparel, food, household items, dairy products, tobacco products, magazines, health and beauty aids, toys and, where permitted, gasoline. Many of the goods sold at 7-Eleven Convenience Stores, such as gasoline and pastry products, are manufactured by appellant itself, rather than being purchased from outside sources.

8. The marketing emphasis for 7-Eleven Stores is on their convenience. The stores are designed and located to maximize this emphasis. Thus, all 7-Eleven Stores in Minnesota have the same basic size, design, product mix and arrangement of products on shelves. The stores are located in areas easily accessible to those who wish to stop to purchase one or two items quickly.

9. The mix of inventory of the stores is determined largely by experience and testing to see which convenience items have the most sales appeal and profitability.

10. The most frequent 7-Eleven shopper is a 25 to 30 year old male.

11. Each 7-Eleven Store carries over 3,000 different items.

12. With respect to all sales at the Minnesota 7-Eleven Stores during the period in question:

(a) Gasoline sales account for 35% of all sales. Gasoline sales are responsible for the largest dollar sales volume of any category.

(b) The next largest category after gasoline is cigarette and tobacco products, accounting for 6% of all sales and are the second largest contributor to sales.

(c) Grocery items account for 2% of all sales and is the 5th largest contributor to sales.

(d) The category entitled "fast foods" accounts for .7% of all sales and is the 17th largest contributor to sales.

(e) The category entitled "fountain drinks" accounts for .7% of all sales at the stores and is the 16th largest contributor to sales.

(f) The category entitled "coffee" accounts for .79% of all sales and is the 20th largest contributor to sales.

(g) The category entitled "Slurpee" accounts for .63% of all sales and is the 22nd largest contributor to sales.

13. In its Annual Report to Stockholders and other publications, notices and memoranda, appellant refers to its 7-Eleven Stores as "convenience stores" or "7-Eleven Stores," as opposed to any other description.

14. If a customer wishes to purchase a cup of coffee at the convenience store, the customer must select a disposable cup, pour the coffee himself, and take it to the cash register to pay for it there. There is no place in the store to sit and drink the coffee.

15. The items within the "fast food" category include refrigerated or frozen, prepared, pre-packaged, ready-to-eat items that can be heated by the customer in a microwave oven provided for the customer's use. These items include sandwiches, burritos, soups and chili. Some of the refrigerated "fast foods" are manufactured by appellant and some are purchased from outside sources. If a customer wishes to purchase a "fast food" item sold at the store, the customer must select the item from a self-service refrigerated display case and bring it to the counter to be paid for. The customer may heat items in a self-service microwave oven before leaving the store. There is no place in the store to sit and eat the "fast food" items.

16. The 7-Eleven Stores sell "fountain" soft drinks and "Slurpees." The soft drink machines, called post-mix machines, are located in the back area of the stores, as are the CO₂ tanks. The flavored syrup is mixed with CO₂ and is then piped to the soft drink dispensers located in the front of the store. If a customer wishes to purchase a fountain drink, the customer must select a paper cup, fill it himself with ice and mixture from the self-service dispenser, cover the cup with covers provided, and then take it to the cash register to pay for it. There is no area within the store to drink from the cup after paying for it. The ice used in the fountain drinks is made on site in the back area of the store.

The Slurpee tanks are also located in the back of the stores and the Slurpee mixture is piped to dispensers located at the counter in the front of the stores. When a customer wishes to purchase a Slurpee, the employee must fill the cup for the customer. The Slurpees are not sold from self-service dispensers.

Some 7-Eleven Stores may have more than one of either or both of the soft drink and Slurpee machines.

17. The Minnesota 7-Eleven Stores charge their customers sales tax on the items sold at retail according to law. Sales tax is required by law to be charged on the sale of coffee, Slurpees, soft drinks and heated foods.

18. The stores supply packages of sugar, non-dairy creamer, mustard and ketchup. Also supplied are napkins, plastic fork/spoon combinations (called "foons"), stirrers and straws.

The vast majority of food and drinks is consumed outside the store and are held by the customer or placed upon the counter until the item can be paid for at the cash register, whereupon the item was taken out of the store.

19. The same type of pre-packaged "fast foods" sold by the 7-Eleven Stores can be purchased at many large grocery stores, gasoline stations and vending machines.

20. Appellant is required to maintain several different permits and licenses of various kinds for its 7-Eleven Stores, including local licenses and permits relating to sales of tobacco and gasoline.

21. No restaurant license is required by the State of Minnesota or any local municipality in which any of the 7-Eleven Stores are located. All 7-Eleven Stores located in Minnesota are licensed as "foodhandlers" pursuant to Minn. Stat. Ch. 28A. As licensed foodhandlers, the stores are exempt from the licensure requirements for restaurants under Minn. Stat. Ch. 157. Because of the design of the stores, the type of facilities located there and the type of products sold there, 7-Eleven Stores could not lawfully receive and hold a restaurant license from the State of Minnesota, even if one were applied for, without major structural changes in the stores' facilities.

22. All sales from the Minnesota 7-Eleven Stores are at retail.

23. Customers are permitted to use food stamps for the grocery items at the stores in question.

24. After the period in question in this appeal and beginning on approximately August 1, 1984, appellant began to experiment with selling ready-to-eat delicatessen type foods from a display case located at or near the central check-out counter in a small number of selected 7-Eleven Stores. Such delicatessen type sales did not exist during the period in question; it is unclear whether such sales will be continued or expanded to other stores; and such experimental operation should be ignored for purposes of this appeal.

25. Electricity is used at the 7-Eleven Stores in question in the operation of various equipment located in each store. The equipment consuming such energy includes:

- (a) Coffeemaker
- (b) Ice maker
- (c) Post-mix drink machine
- (d) Slurpee maker
- (e) Microwave oven

TAX COURT

Based upon the amount of electricity used by those machines and local utility rates, the amount of tax at issue in this case is \$40,789.17 plus interest, which is a consolidation of the amounts at issue in Docket Nos. 4136, 3147 and 4138.

26. The amounts by which each of the machines contributes to the total tax at issue for the period is as follows:

(a) Coffeemaker	23.14%	\$9,437.39
(b) Ice maker	4.97%	2,028.23
(c) Post-mix drink machine	.38%	156.02
(d) Slurpee maker	56.30%	22,962.47
(e) Microwave oven	.21%	86.68
Items claimed, but no longer a part of appellant's claim	15.00%	6,118.38
	100.00%	\$40,789.17

27. Appellant does not claim sales tax exemption for purchases of electricity consumed in storing products for sale, space heating, lighting or any purpose other than consumption by the machines identified in the paragraph immediately above.

28. The electricity used by appellant in its 7-Eleven Stores for the production of items for sale, such as coffee, soft drinks, Slurpees, and items to be heated in microwave ovens, is not exempt from sales tax.

Conclusions of Law and Order for Judgment

1. The Orders of the Commissioner of Revenue involved in this proceeding are hereby affirmed in all respects.

LET JUDGMENT BE ENTERED ACCORDINGLY. A STAY OF 15 DAYS IS HEREBY ORDERED.
