Organized by Department

This report contains all professional/technical contracts and amendments that were approved during FY 2011.

If no contracts or dollars were awarded to a vender listed below, this indicates that an amendment was executed that did not add any funds to the contract. If funds were awarded but no contracts, this demonstrates that an amendment was executed adding money. If no money was awarded but contracts were executed, this indicates that the contracts had no monetary value assigned to them.
